For a first violation of 3.007.02 the person's license shall be suspended for not less than 30 days and the person shall not be allowed to participate in racing until such time as his/her condition has been professionally evaluated as directed by the Commission and/or stewards. The Commission and/or stewards may also impose any other penalty it deems appropriate.

3.007.03B After a professional evaluation, if the person's condition proves non-addictive and not detrimental to the best interests of racing, he/she may be allowed to participate in racing provided he/she produces a negative test result and agrees to further testing at the discretion of the stewards or designated Racing Commission representative to insure his/her continued unimpairment. The Commission and/or stewards may further direct his/her continued participation in any rehabilitation program as a condition to restoring his/her license to good standing. The Commission and/or stewards may also impose any other penalty it deems appropriate.

3.007.03C After a professional evaluation, if the person's condition proves addictive or detrimental to the best interests of racing, said individual shall not be allowed to participate in racing until such time as he/she can produce a negative test result and show documented proof that he/she has successfully completed a certified alcohol/drug rehabilitation program approved in advance by the Commission and/or stewards. 4.001.02 Any disputes as to the right to use racing colors shall be decided by the stewards.

4.001.03 The Racing Commission will not permit the use of colors which in its opinion are not neat and clean and proper.

4.002 The Racing Commission may declare certain colors or parts of same to be standard for specific post positions and in such situations shall require the Association to supply same. A reasonable rental may be collected by the Association from the owners if approved by the Commission. (See Chapter 13-004.05.)

4.003 Permission for any change of equipment from that which a horse carried in his last previous race, during the current meeting, may be obtained only from the stewards.

4.004 Permission to add blinkers to a horse's equipment or to discontinue the use of them must be approved by the starter before being granted by the stewards. Permission to use or discontinue bar plate shoes must be approved by the stewards.

4.006 HORSE SHOES

4.006.02 A horse may not run without shoes or with a type of shoes not generally used for racing unless by special permission of the stewards.

4.006.03 A horse may not run in what are known as "turn down" shoes. A "Turn down" shoe shall be known as a shoe that is turned down more than one half inch at the ends.

4.006.04 The stewards may, upon request by the owner or trainer, authorize a horse to run with "experimental" shoes.

4.007 Whips and/or blinkers may be used on two year olds and other first starters if schooled before the starter with such equipment and approved by the starter and the stewards, before time of entry.

Chapter 5 - DECLARATIONS AND SCRATCHES

5.001 No horse shall be considered scratched or declared out of an engagement until the owner or authorized agent or some person deputized by the owner shall have given due notice in writing to the racing secretary before the time stipulated by the regulations of the Association.

5.002 For stakes races, if a horse is not named through the entry box at the usual time of closing, the horse is automatically out.

5.003 The declaration or scratch of a horse out of an engagement is irrevocable.

5.004 Scratches from stakes races will close forty-five (45) minutes before post time.

5.005 If the miscarriage of any declaration or scratch by mail or otherwise is alleged, satisfactory proof of such miscarriage shall be required of the complainant. Otherwise, the declaration shall not be accepted as of the time alleged.

5.006 No horse in an overnight race shall be scratched without the approval of the stewards. Chapter 6 - DISCIPLINARY ACTION AND HEARINGS BEFORE THE STEWARDS

6.001 HEARING PROCEDURES IN GENERAL

(1) The hearing procedures set forth in chapter 6 apply to hearings heard by the stewards on a charge of a violation of a rule, except that any claim charging a violation arising out of investigative or enforcement activity committed by a steward, a Racing Commission investigative or enforcement officer, or an employee or agent of an association engaged in investigative or security work may be heard only in a sanctions enforcement hearing pursuant to Chapter 7.002.

(2) The hearing procedures set forth in Rule 6.001 apply to all stewards hearings.

(3) A charge of rule violation may be made by a steward, a Racing Commission investigative or enforcement officer, a person designated by the Racing Commission, or any other person who has information regarding a rule violation. A charge of rule violation shall be made to a steward or to a Racing Commission investigative or enforcement officer who shall report such charge to a steward.

(4) The person presenting the case against a charged person shall be known as the case presenter and may be a Racing Commission investigative or enforcement officer or a person designated by the Racing Commission. A case presenter may testify at a stewards hearing.

6.001.01 PRE-HEARING REQUIREMENTS

(1) When the stewards receive a report of a rule violation, they shall orally notify the charged person of the substance of the charge and the time and place of the hearing, if scheduled, and shall either provide written notice at that time or designate a time and place when the charged person may pick up written notice of the charge and hearing. Failure of a charged person to appear to pick up written notice shall not constitute an excuse for failure to appear at the hearing. In the event the stewards are unable to find the charged person to provide oral notification, the stewards shall mail written notice by registered or certified mail to the local and/or permanent address on the charged person's license application.

(2) Written notice of a charge shall give the time and place of the hearing, shall contain a statement of the nature of the charges, and

shall cite by number the statutes or rules alleged to have been violated.

(3) The stewards may immediately subject a person charged with a rule violation to intermediate penalty not involving exclusion from association grounds or license suspension. The stewards may immediately exclude a person from the grounds of an association or suspend his license when they have reasonable suspicion that the person poses a physical danger to himself, other persons, or animals or otherwise poses a substantial danger to the security, safety, and health conditions at racing meetings or to the integrity of horseracing. The decision to suspend a license under this paragraph may be made by the starter and affirmed by the stewards. The decision to suspend shall be promptly reported in writing to the Racing Commission and the Racing Secretary by the official who originally imposed the suspension. The decision to exclude may be made in the first instance by the stewards or they may affirm a decision made by the starter, a Racing Commission investigative or enforcement officer, or other person designated by the Racing Commission.

(4) When an intermediate penalty is imposed, a hearing must be held within 72 hours unless the charged person requests a continuance; an intermediate penalty is not stayed by a continuance. Except for such request for continuance or for cases covered under Rule 6.005, in all other cases a hearing must be held within 72 hours unless either the charged person or the case presenter requests a continuance. The stewards shall grant a continuance unless they find that there is no good cause for the request or that serious and undue prejudice will result from the delay.

(5) The presence of all the stewards or their appointed deputies is required at stewards hearings.

6.001.02 PROCEDURES AT THE HEARING

(1) Unless the charged person as well as a majority of the stewards agree otherwise, a stewards hearing will be held in public. A public hearing means that no person may be excluded by the stewards unless he is a prospective witness, he creates a disturbance at the hearing, or there is reason to believe he will create a disturbance at the hearing. The fact that a hearing is public does not obligate the stewards to announce in advance that a hearing is being held or the time, place, and subject matter of the hearing.

(2) Each person called to testify at a hearing may retain a lawyer or invite an advisor-observer of his choosing to be present at the hearing. An advisor-observer may testify at the hearing.

(3) A charged person has the following rights at a hearing before the stewards:

(a) he may retain a lawyer to represent him at the hearing or invite a person of his choosing to assist or advise him at the hearing;

(b) he may have any prospective witness except the case presenter excluded from the hearing until after the witness has testified;

(c) subject to paragraph (4), he may call witnesses to testify on his behalf and may present evidence at the hearing, except that the stewards are not required to permit cross examination of witnesses or to issue subpoenas for the attendance of witnesses.

(4) The stewards shall hear all testimony and evidence bearing on the charge that is not unduly repetitious. They shall give effect to all non-repetitious evidence or testimony except where they decide that it would not be commonly accepted by reasonably prudent persons in the conduct of their affairs.

(5) Upon a decision that a charge was proved the stewards may continue, decrease, or increase any intermediate penalty that was imposed.

6.001.03 FAILURE TO APPEAR

Where notice of the hearing was provided, a failure of the person charged to appear at a hearing shall be treated as a waiver of his right to appear, and the stewards may proceed to hear the charge against the person and to impose an appropriate penalty.

6.001.04 POST-HEARING REQUIREMENTS

After a hearing the stewards shall transmit a signed written statement to the Racing Commission, to the case presenter, and to the charged person. The statement shall contain the decision and findings of the stewards, and the penalty imposed.

6.002 ADDITIONAL HEARING PROCEDURES WHERE CHARGE IS UNRELATED TO RUNNING OF RACE AND PENALTY IMPOSED IS SUSPENSION OR REVOCATION OF LICENSE

(1) Unless paragraph (2) applies, the following additional procedures are required under this rule in cases in which license suspension or revocation is imposed for a rule violation unrelated to the running of a race:

(a) the hearing before the stewards shall be recorded or transcribed;

(b) all witnesses shall be placed under oath or required to affirm that their testimony is truthful;

(c) a steward with direct knowledge of the events leading to the charge from his own personal observation shall provide any such information as a witness and shall not participate as one of the hearing officers;

(d) a charged person may not be compelled to give evidence or provide information but his silence may be used to draw inferences adverse to him regarding whether he committed the rule violation with which he is charged;

(e) a charged person may cross examine any witness who testifies against him, except that his right of cross examination does not prevent hearsay testimony and evidence that is otherwise admissible under Rule 6.001.02 (4).

(2) A charged person may waive any one or more of the hearing rights provided except the requirement in paragraph (a) that the hearing be recorded or transcribed. In the event of malfunction of recording equipment, an appeal by a charged person of an adverse decision will be de novo.

(3) After a hearing, the stewards shall transmit a signed written statement to the Racing Commission, to the case presenter, and to the charged person. The statement shall contain the decision and findings of the stewards and the penalty imposed, a record of the vote with regard to decision and penalty except that such record need not identify the vote of any particular steward, and any explanation of the decision the stewards choose to include.

(4) At the election of the stewards any and all of the procedures set forth in paragraphs (1) and (3) may be followed at any stewards hearing.

6.003 ADDITIONAL HEARING PROCEDURES WHERE CHARGE IS RELATED TO RUNNING OF RACE AND PENALTY IMPOSED IS SUSPENSION OR REVOCATION OF LICENSE

In a hearing directly related to the running of a race where a license suspension or revocation is imposed, the hearing rights set forth in Rule 6.002 are applicable, except that a steward with direct knowledge of the events leading to the charge from his own personal observation of the running of the race may participate as one of the hearing officers.

6.004 EXCLUSIONS BY EMPLOYEES OR AGENTS OF AN ASSOCIATION

(1) An employee or agent of an association may exclude a person from the grounds of an association for reasons of business judgment unrelated to the rules of racing. Unless paragraph (2) applies, an association decision to exclude a horseracing industry or licensee participant shall be preceded by a hearing before the state steward or independent hearing officer. The steward or hearing officer shall review the association decision to assure that it was made for business judgment reasons that did not involve bias against the person or discrimination on the basis of the person's race, religion, or ethnic group.

(2) In advance of hearing, an employee or agent of an association may immediately exclude a person from the grounds of an association when there is reasonable suspicion that the person poses a physical danger to himself, other persons, or to animals or otherwise poses a substantial danger to the security, safety, and health conditions at racing meetings or to the integrity of horseracing.

(3) If an association or licensee elects to have an exclusion hearing proceed in front of an independent hearing officer, the hearing officer shall be selected by the Commission but the association or licensee so choosing shall bear all costs and fees of the hearing officer.

6.004.01 PRE-HEARING PROCEDURES AT STEWARDS EXCLUSION HEARING

(1) An association decision to exclude a horseracing industry or licensee participant must be made in writing and signed by a person designated by the association to bring the decision to the stewards for review. The association shall also provide a copy of this report to the horseracing industry or licensee participant subject to exclusion.

(2) Unless a hearing officer is to conduct the hearing, the state steward shall, upon receipt of a written report from an association, set a time and place for the hearing and provide two copies to the representative of the association; it is the responsibility of the association to provide notice to the person subject to exclusion and to verify for the state steward that notice was provided. If a hearing officer is designated to conduct the hearing, it shall be the responsibility of such hearing officer to set a time and place for the hearing and to provide copies to the representative of the association.

(3) If the horseracing industry or licensee participant has been excluded from association grounds pursuant to Rule 6.004 (2), a hearing must be held within 72 hours unless the excluded person requests a continuance; the decision to exclude is not stayed by a continuance. In all other cases, a hearing must be held within 72 hours unless either the excluded person or association representative requests a continuance. The state steward or hearing officer shall grant a continuance unless they find that there is no good cause for the request or that serious and undue prejudice will result from the delay.

(4) The person presenting the case against a horseracing industry or licensee participant shall be an employee or agent of an association. Such person may testify at an exclusion hearing.

6.004.02 HEARING PROCEDURES

(1) Unless the association and person subject to exclusion agree otherwise, an exclusion hearing will be held in public. A public hearing means that no person may be excluded by the stewards unless he is a prospective witness, he creates a disturbance at the hearing, or there is reason to believe he will create a disturbance at the hearing. The fact that a hearing is public does not obligate the state steward or hearing officer to announce in advance that a hearing is being held or the time, place, and subject matter of the hearing.

(2) Each person called to testify at a hearing may retain a lawyer or invite an advisor-observer of his choosing to be present at the hearing. An advisor-observer may testify at the hearing.

(3) A person subject to exclusion has the following rights at an exclusion hearing:

(a) he may retain a lawyer to represent him at the hearing or invite a person of his choosing to assist or advise him at the hearing;

(b) he may have any prospective witness except the employee or agent of the association who is presenting the case excluded from the hearing until after the witness has testified;

(c) subject to paragraph (b), he may call witnesses to testify on his behalf and may present evidence at the hearing, except that the stewards are not required to permit cross examination of witnesses or to issue subpoenas for the attendance of witnesses.

(4) The state steward or hearing officer shall hear all testimony and evidence bearing on the charge that is not unduly repetitious. The state steward or hearing officer shall give effect to all non-repetitious evidence or testimony except where they decide that it would not be commonly accepted by reasonably prudent persons in the conduct of their affairs.

6.005 REPORT OF POSSIBLE FELONY AND STAY OF STEWARDS HEARING

The stewards, a Racing Commission investigator or enforcement officer, or other employee of the Racing Commission who, during the course of official duties for the Racing Commission, develop or uncover probable cause to believe that a licensee committed a felony, shall report such information to the State Patrol or County Attorney for appropriate action. If the conduct so reported also constitutes a possible rule violation then, unless an emergency situation or other good cause exists, the stewards may stay any hearing pending the outcome of the criminal referral. Where appropriate, the stewards may suspend the license of the person or exclude him from the grounds of an association accessible only to licensees until the criminal investigation is resolved.

7.001.01D Any applicant for a hearing will be heard in person or by counsel or the case may be submitted in writing.

7.001.01E All complaints and requests to the Commission must be in writing and all papers filed with the Commission shall become the property of the Commission.

7.001.01F An appeal from a decision of a racing official to the Commission shall not affect such decision until the appeal has been acted upon by the Commission unless otherwise ordered by a court of competent jurisdiction (See Chapter 12-001.02 and Revised Statutes of Nebraska Chapter 2, Article 12).

7.001.02 The following types of hearings are to be governed by this chapter:

7.001.02A Any hearing initiated by the Racing Commission upon its own motion pursuant to any matter within its jurisdiction.

7.001.02B Any hearing initiated by any person upon written request received by the Racing Commission pertaining to revocation of any license required by Statute or by the Rules of Racing.

7.001.02C Written request for the promulgation, amendment or repeal of any Rule of Racing, or a request for a declaratory ruling that any of the Rules of Racing do or do not apply to any person, property or state of facts.

7.001.03 Before any hearing, reasonable notice shall be given to all interested parties. Such notice shall be in writing and shall state the time, place and nature of such hearing and the issues and subject matter to be covered and discussed.

7.001.03A In all contested cases, such written notice shall be given in person or sent to such parties by certified or registered mail to the local and/or permanent address appearing on said party's license application and shall contain a statement of the nature of the charges against such person and shall cite by number the Statutes or Rules allegedly violated.

7.001.03B In Rule 7.001.08 appeals from contested cases heard by the stewards pursuant to Rules 6.001 and 6.002 notice shall be achieved in the same fashion prescribed for contested cases except that mailed written notice need neither be certified nor registered.

7.001.04 If such notice is required to be given to any entity other than an individual, such notice shall be sent to the principal place of business or to the registered agent of such entity.

7.001.05 A contested case shall mean any proceedings before the Racing Commission in which the legal rights, duties or privileges of a specific party are required by law or constitutional right to be determined only after hearing.

7.001.06 In the case of a hearing for the promulgation, amendment, or repeal of any rule, or for other than a contested case, such notice shall be sufficient without being mailed as provided herein if such notice be given at least thirty (30) days prior to such hearing by publication in a newspaper having general circulation in the state, PROVIDED THAT, such notice by publication and hearing may be waived by the Governor in writing.

7.001.07 There are no prescribed procedural forms for use in practice before the Racing Commission, but all matters shall be submitted in writing unless otherwise provided in Chapter 7.001 through 7.002.05 and where appropriate, may be supported by affidavit, documents, data or similar evidence.

7.001.08 (1) Unless paragraph (4) applies, any appeal taken from a stewards hearing in which Rule 6.002 procedures were provided shall not be treated as a contested case requiring de novo hearing by the Racing Commission so long as:

(a) the penalty imposed was neither license suspension nor revocation;

(b) the state steward was one of the stewards who presided at the hearing; and

(c) the decision of the stewards was unanimous both as to deciding that the charged person committed a rule violation and on the penalty to be imposed.

(2) On appeal of a stewards decision covered by this rule, the Racing Commission shall confine its review to the record and exhibits from the stewards hearing, the written stewards statement, and any briefs that were submitted. The Commission shall permit the filing of briefs and shall allow a reasonable time before hearing an appeal to permit such filing.

(a) Opportunity shall be provided to the charged person and the case presenter in person or through counsel to review the recording or transcript of the stewards hearing, but it shall not be necessary to produce a written transcript of the recording or a copy of transcribed stenographic notes unless requested by the charged party, in which case the request shall be made within five (5) days of the decision of the stewards and shall be accompanied by a tender of the costs of preparation. A requested transcript shall be provided within a reasonable time before the appeal is heard by the Racing Commission.

(b) Opportunity to present oral argument shall be afforded to the case presenter either in person or through counsel appointed by the Racing Commission and the charged person either in person or through retained counsel or other personal representative, except that the Racing Commission shall not appoint counsel for the case presenter in any case in which the charged person is unrepresented by counsel.

(c) The Racing Commission shall reverse or modify a decision of or penalty imposed by the stewards only if it decides that such decision was unsupported by substantial evidence in the record or was clearly erroneous or arbitrary and capricious. The Racing Commission shall prepare and sign a written statement of its findings, including a record of the vote.

(3) If an appeal is filed from a decision of the Racing Commission rendered under this rule, the Racing Commission shall prepare an official record that shall include the record of the stewards hearing and any exhibits that were introduced as well as the written statement of the stewards and the written decision of the Racing Commission, but it shall not be necessary to produce a written transcript of any recording of the stewards hearing or additional copies of the transcribed stenographic notes unless requested by the charged party, in which case such request shall be requested not more than five (5) days after the final decision of the Racing Commission and shall be accompanied by a tender of the costs of preparation.

(4) Notwithstanding paragraphs (1), (2), and (3), a Commission review hearing may be held de novo when:

(a) the Racing Commission on an independent review of the record decides that the record is inadequate to permit reasoned review;

(b) a charged person makes a substantiated claim of bias against one or more of the stewards presiding at the hearing;

(c) a charged person makes a credible claim that a witness did not testify because his presence was available only through Commission subpoena and makes a substantiated case regarding the necessity of the witness;

(d) a charged person makes a credible claim that a witness who testified against him at the stewards hearing was one whose testimony should have been excluded under a claim of privilege recognized under the Nebraska Rules of Evidence as vesting a right to demand such exclusion in a party to a hearing.

(e) new evidence is available that was not reasonably available at the time the stewards hearing was held.

7.001.09 Any person, except persons other than the charged person and case presenter described in Rule 7.001.08, appearing at any hearing held pursuant to these rules has the right to appear personally and to be represented by counsel or may, in the alternative, appear by and through such counsel or other personal representative.

7.001.10 Except for appeals of stewards decisions covered by Rule 7.001.08, at any hearing held pursuant to these rules, opportunity shall be afforded all parties to present evidence and argument with respect to the issues and subject matter of the hearing. The Racing Commission shall prepare an official record which shall include testimony and exhibits in a contested case, but it shall not be necessary to transcribe shorthand notes unless requested for the purpose of appeal, in which event such transcript shall be requested not more than five (5) days after the final decision of the Racing Commission and such request shall be accompanied by a tender of the costs of preparation. Informal disposition may also be made of any contested case by stipulation, agreed settlement, consent order or default.

7.001.10A (1) At hearings held pursuant to Rule 7.001.10 the Racing Commission may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent persons in the conduct of their affairs. It shall give effect to the rules of privilege recognized by law. It may exclude incompetent, irrelevant, immaterial and duly repetitious evidence, PROVIDED, that any party to a formal hearing, from which a decision may be appealed to the courts of this state, may request that the Racing Commission be bound by the rules of evidence applicable in District Court by delivering to the Racing Commission at least three (3) days prior to the holding of such hearing a written request therefore, such request to include the requesting party's agreement to be liable for the payment of costs incurred thereby and upon any appeal or review thereof, including the cost of court reporting services which the requesting party shall procure for the hearing. All costs of a formal hearing shall be paid by the party or parties against whom a final decision is rendered.

(2) A person charged with a rule violation may not be compelled to provide information at a de novo hearing conducted by the Racing Commission but silence by such licensee may be used to

draw inferences adverse to the charged person regarding whether he committed the rule violation with which he is charged.

7.001.10B At hearings held pursuant to Rule 7.001.10 the Racing Commission may administer oaths, issue subpoenas, compel the attendance of witnesses and the production of any papers, books, accounts, documents, and the testimony and cause the depositions of witnesses residing either within or without the state to be taken in the manner prescribed by law for taking depositions in civil actions in the District Court. Any depositions so taken may be used as in civil cases in the District Court. Any party in a contested case shall have the right to obtain from the Commission a subpoena for any witnesses which may be desired at such hearing.

7.001.10C At hearings held pursuant to Rule 7.001.10 the evidence, including records, documents and the like in the possession of the Racing Commission of which it desires to avail itself, shall be offered and made a part of the record in the case. No other factual information or evidence shall be considered in the determination of the case. Documentary evidence may be received in the form of copies or excerpts or by incorporation by reference.

7.001.10D At hearings held pursuant to Rule 7.001.10 every party may cross examine any witness who testifies against him, except that his right of cross examination does not prevent hearsay testimony and evidence that is otherwise admissible under Rule 7.001.10A. Every party shall have the right to cross-examine witnesses who testify and shall have the right to submit rebuttal evidence.

7.001.10E At hearings held pursuant to Rule 7.001.10 the Racing Commission may take notice of judicially cognizable facts and in addition may take notice of general, technical, or scientific facts within its specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material so noticed. There shall be afforded an opportunity to contest the facts so noticed. The Racing Commission may utilize its experience, technical competence and specialized knowledge in the evaluation of the evidence presented to it.

7.001.10F At hearings held pursuant to Rule 7.001.10 the Racing Commission may require the submission of briefs to aid it in the determination of any issue at a hearing. Any party desiring to submit such a brief may do so by indicating to the Commission before or during such a hearing and obtaining leave to file such a brief. The time in which such briefs shall be filed shall be fixed at the time of the Commission's request for such briefs, or upon the granting of a party's request to so file.

7.001.10G At hearings held pursuant to Rule 7.001.10 the Racing Commission shall render its final decision stating its findings of fact and conclusions of law pursuant to Chapter 7.001.15 not later than ten (10) days after the hearing in any contested case.

7.001.11 Every decision and order adverse to a party to the proceeding rendered by the Racing Commission in a contested case shall be in writing or stated in the records and shall be accompanied by findings of fact and conclusions of law. The findings of fact shall consist of a concise statement of the conclusions upon each contested issue of fact. Parties to the proceeding shall be notified of the decision and order in person or by registered or certified mail, return receipt requested. A copy of the decision and order and accompanying findings and conclusions of law shall be delivered or mailed upon request to each party or the attorney of record. The date of notification shall be the date such party is notified in person or the date mailed notice so received, as evidence by the return receipt, whichever is applicable. PROVIDED THAT such mailed notice shall be effective from the date of mailing if sent to the last known address of such party in the possession of the Racing Commission if such mailed notice be returned undelivered for any reason.

In Rule 7.001.08 appeals from contested cases heard by the stewards pursuant to Rules 6.001 and 6.002 notice of the decision and order and the effect of such notice shall be handled in the same fashion prescribed for contested cases under this rule.

7.001.12 Any party desiring a continuance shall, either upon receipt of a notice of hearing or as soon thereafter as possible, notify the Racing Commission in writing of such desire and shall set forth the reasons why such a continuance should be granted. Granting of a continuance lies within the sound discretion of the Racing Commission and shall be granted only for good cause shown, PROVIDED THAT the Racing Commission may at any time order continuances on its own motion.

7.001.13 The Racing Commission may designate any person or persons to make such investigations as they deem necessary to assist with the determination of any matter within its jurisdiction. In a contested case, all parties shall receive written notice that such investigation has been ordered by the Commission. Such notice shall state the name or names of the person or persons designated to conduct such investigation, and a general statement of the nature and purpose of such investigation. Any findings or exhibits resulting from such an investigation may be included and become a part of the evidence on record of any hearing pursuant to Chapter 7.001.10 and 7.001.17. The results shall be made available to any party upon written request.

7.001.13A The Racing Commission shall render its final decision in an appeal under Rule 7.001.08 not later than ten (10) days after hearing oral argument in the appeal, not later than fifteen (15) days after submission of briefs in the event there is no oral argument, and not later than twenty (20) days after receiving written request for an appeal in the event no briefs are to be filed.

7.001.14 Any party aggrieved by the final decision of the Commission may request a rehearing within six (6) days after such party shall have been notified of the decision of the Commission pursuant to Chapter 7.001.11. Granting of the motion for rehearing lies within the sound discretion of the Commission, and the Commission shall notify such requesting party within six (6) days of the decision on such motion,

PROVIDED THAT the granting of a motion for rehearing shall not stay the enforcement of the decision of the Racing Commission.

7.001.15 Any party aggrieved by the decision of the Racing Commission after the hearing, rehearing or denial of a rehearing may appeal to a District Court of the State pursuant to Chapter 84, Article IX, R.R.S., Nebraska 1943, PROVIDED THAT such appeal shall not stay the enforcement of the Racing Commission.

7.001.16 In any hearing pursuant to these rules, the Racing Commission may in its discretion appoint a hearing examiner, either one member of the Commission or other qualified individual, to conduct such hearing. Such examiner shall make recommendations in writing to the Commission and such recommendations shall become a part of the record of the case pursuant to Chapter 7.001.10C and Chapter 7.001.24.

For purposes of stewards hearings heard on appeal pursuant to Rule 7.001.08, the stewards are designated herein as hearing examiners in the original stewards hearing.

7.001.17 Any party aggrieved by an action of the stewards pursuant to Chapter 6 of these rules may prosecute an appeal to the Racing Commission pursuant to Chapter 7.001.02B which appeal must be filed within five (5) days of the date that the penalty was imposed pursuant to Chapter 7. Stewards hearing conducted to consider a decision by an association to exclude a horseracing industry or licensee participant for business judgment reasons pursuant to Rule 6.004 do not constitute hearings in which a party is aggrieved by an action of the stewards; decisions in such hearing are not appealable to the Racing Commission.

7.001.18 Such an appeal from an action of the stewards must be signed by the party prosecuting such appeal and shall set forth such party's reasons for believing said party is entitled to relief.

7.001.19 Unless a charged person requests more time to file a brief in an appeal held pursuant to Rule 7.001.08, the Racing Commission shall set an appeal from a stewards hearing for hearing before the commission not more than thirty (30) days from the time the request for appeal was received. Notice of such hearing shall be given in accordance with Chapter 7.001.03.

7.001.20 An appeal to the Racing Commission from a penalty imposed by the stewards shall not stay the enforcement or effect of the decision of the stewards, unless otherwise ordered by a court of competent jurisdiction or the Commission.

7.001.21 Except for appeals held pursuant to Rule 7.001.08 the hearing of all contested cases before the Racing Commission shall be de novo.

7.001.22 Any interested party may petition the Racing Commission at any time to request promulgation, amendment or repeal of any rule of the Commission, including those procedural rules set forth in this chapter. Such petition shall set forth a proposed draft of the rules or amendment the petitioner seeks to promulgate or state the exact section of the rules the petitioner desires repealed. In addition, the petitioner shall set forth reasons for requesting the desired action.

The Commission shall set such petition for hearing and shall give notice pursuant to Chapter 7.001.03 and Chapter 7.001.06.

7.001.23 Except for appeals held pursuant to Rule 7.001.08 in any hearing before the Commission, any interested person or persons may appear personally or by representative to submit their views orally or in writing. Such written presentations may be forwarded to the Commission prior to the date of hearing.

7.001.24 Any and all writings, testimony, data, exhibits, records, documents or the like presented to or filed with the Commission shall become the property of the Commission and shall be made a part of its record if the Commission chooses to avail itself of the same. If such material is so availed, or forms any basis of the final decision of the Commission it shall be made a part of the record of the case pursuant to Chapter 7.001.10C.

7.001.25 Any interested person may petition the Racing Commission and request a declaratory ruling with respect to the applicability to any person, property or state of facts or any rule or statute enforceable by the Commission. Said petition shall be in writing and signed by the petitioner and shall set forth the person, property or state of facts or any rule or statute enforceable by the Commission. Said petition shall be in writing and signed by the petitioner and shall set forth the person, property or state of facts upon which the petitioner desires a ruling. The Commission shall set a time and a place for such hearing and shall give notice pursuant to Chapter 7.001.03.

7.002 SANCTIONS ENFORCEMENT HEARINGS

7.002.01 JURISDICTION

(1) The Commission or a person designated by the Commission under Rule 7.001.16 shall hear claims alleging willful, unlawful, and uncompensated seizures of the private property of another or of willful, unlawful, and uncompensated damage or destruction to the private property of another. See Neb. Rev. Stat. Section 2-1245.

(2) A claim of violation may be made by any licensee, by a steward, or by a member of the Racing Commission or its staff.

(3) A claim of violation may be made against any licensee, steward, or a member of the Racing Commission or its staff.

(4) A claim otherwise cognizable by the Racing Commission may be heard only if the violation was committed on the grounds of an association during the course of a meeting or at a racetrack or place where horses are kept that are eligible or entered to run at such meeting.

7.002.02 PROCEDURES BEFORE COMMISSION

(1) A claim of violation must be made in writing, signed by the person alleging the violation, and filed with the Racing Commission within five (5) days, excluding Sundays and state and national holidays, after the alleged violation. The claim must state the time and place of the alleged violation, the name and licensee status of the person who

committed the alleged violation, the names of any witnesses to the circumstances constituting the alleged violation, and the particular rule alleged to have been breached. The filed statement must also include sufficient discussion of the alleged violation for the Commission to understand the nature of the claim that the rule willfully was breached.

(2) Except for any specific provision to the contrary in this chapter, the Commission shall treat any claims brought under this chapter as though the claim were a contested case heard de novo by the Commission under Chapter 7.

(3) In hearings under this chapter a person claiming to be injured by an alleged violation is not a party. Such person is also not an aggrieved person for purposes of Chapter 7, and the Commission shall not provide a remedy to such person.

7.002.03 DEFENSE TO CLAIM

In any hearing under this rule it shall be a defense to a claim that the person charged acted in good faith and in the exercise of due care in applying a Racing Commission rule. No fine, suspension, dismissal or any other such penalty may be imposed absent a decision that the person acted with gross negligence or in deliberate disregard of a clearly established rule, statutory, or constitutional right of which a reasonable person would have been aware.

7.002.04 SCOPE OF REVIEW

(1) With regard to the performance of any discretionary act under the rules, the Commission shall not substitute its judgment for that of the official directly involved.

(2) In a claim based on a search, entry, or frisk, the fact that no contraband or evidence of rule violation was uncovered is not a sufficient showing that a rule was violated. Any claim that alleges only the failure to find contraband or evidence shall be dismissed without hearing.

(3) If the Commission concludes that as a matter of law an interpretation of a rule was in error or that there was clear error in the application of a rule, the Commission may issue a ruling providing the interpretation of the rule that is to be followed or proscribing certain conduct undertaken pursuant to that rule.

(4) In any hearing under this rule the Racing Commission shall also consider whether a claim was made in willful bad faith or was so frivolous as to demonstrate a claimant's grossly negligent disregard for proper procedure. If the Commission so finds, it may impose against the claimant a fine, license suspension or revocation, or any other penalty it decides is appropriate.

7.002.05 PENALTIES

(1) The Commission under this chapter has the authority to impose any penalty or disciplinary sanction it deems appropriate, including a fine, dismissal or suspension from employment of a Commission employee, and license suspension or revocation.

Chapter 8 - ENGAGEMENTS AND TRANSFER

8.001 If a horse is sold by private treaty or at public auction, the written acknowledgement of both parties is necessary to prove the fact that he was sold with his engagements. When a horse is claimed out of a claiming race, the horse's engagements are included. The sale, under any circumstances, to a person ruled off or to a disqualified person, shall not give such person the privilege of racing the horse.

8.002 No horse entered in a race may be sold or transferred until after the race in which it is entered has been run, without permission of the stewards. Neither shall a horse so entered be transferred to another trainer until after the race in which it is entered has been run, without permission of the stewards.

8.003 When a horse is sold or transferred, the transfer authorization shall be filled out in duplicate by the stewards and filed with the racing secretary and the Commission. The form to be furnished by the Commission.

8.004 Subscriptions and all entries or rights of entry are valid when a horse is sold with his engagements duly transferred; in duly registered partnerships when subscriptions, entries and rights of entries survive in the remaining partners; and when entries under the decedent's subjection have been made previous to the decedent's death by the transfer of the right of entry.

8.005 Subscriptions and all entries or rights of entry under them become void on the death of a subscriber, except in case of duly registered partnerships, or except subject to the sanction of the stewards, when the personal representative of an estate shall in writing, request that the benefits of such, accrue to the estate of the decedent subscribed for the privilege of transfer and shall agree to assume any and all obligations incident to the original entries.

8.006 In case of any transfer of a horse with its engagements, such horse will not be eligible to start in any stakes, unless at the usual time of the running of the stakes, or prior thereto, the transfer of the horse and its engagements shall be exhibited when demanded to the racing secretary.

8.007 No person shall make or receive the transfer of a horse or engagement for the purpose of avoiding disqualification. (See statute 2-1220.)

8.008 When a vendor fails to strike a horse out of an engagement, not sold or transferred with the horse, the purchaser is not entitled to start the horse, or to the stakes if the horse wins.

8.009 Should a horse be sold with his engagements, or any part of them, the seller cannot strike the horse out of any such engagements.

Chapter 9 - ENTRIES AND SUBSCRIPTIONS

9.001 ENTRIES AND SUBSCRIPTIONS

9.001.01 When a person is ruled off a course or suspended, every horse owned in whole or in part by said person or under said person's care and control shall be ineligible to be entered or start in any race until said horse has been reinstated, either by the rescinding of his owner's penalty or by his transfer through bona-fide sale to an ownership acceptable to, and approved by the stewards or the Nebraska State Racing Commission.

9.001.01A When a person is ruled off a course or suspended, said person shall not be qualified, whether acting as agent or otherwise, to subscribe for or to enter or run any horse in any race either in said person's own name or in that of any other person until the rescinding of such penalty. (See Statute 2-1220.)

9.001.02 Horses will keep preference when shipping back and forth from off the grounds, unless starts at a track outside the State of Nebraska.

9.001.03 No person shall willfully enter, or cause to be entered, or start a horse which said person knows or believes to be ineligible or disqualified.

9.001.04 A horse shall not be qualified to start in any race unless he has been and continues properly entered therein.

9.001.05 For all races, the racing secretary is authorized to receive entries, declarations and scratches.

9.001.06 Entries, declarations and scratches shall be made in writing and signed by the owner of the horse, the trainer, or the owner's authorized agent or a licensed person authorized by the owner or trainer. Each association shall provide blank forms on which entries, declarations and scratches are to be made.

9.001.07 A signed entry blank shall be prima facie evidence that the contents of the entry blank express the desires and intent of the person making entry.

9.001.08 An entry must be in writing, by telephone, facsimile, or other approved communication device to the racing secretary. The entry must be confirmed in writing should the stewards or the racing secretary so request. The racing secretary or stewards must refuse an entry if not satisfied that it reflects the intent of the owner.

9.001.09 No person not having an interest in a horse, equal at least to the interest or property of any other one person is entitled to enter the horse in a race as the owner. (See Statute 2-1220.)

9.001.10 Joint subscriptions and entries may be made by any one or more of the owners. However, all partners and each of them shall be jointly and separately liable for all fees and forfeits.

9.001.11 In entering a horse, it must be clearly identified. (See Statute 2-1220.)

9.001.12 The racing officials shall have the power to call on any person in whose name a horse is entered to produce proof that the horse entered is not the property either wholly or in part of any person who is disqualified, or to produce proof of the extent of said person's interest or property in the horse, and in default of such proof being given to their satisfaction, may declare the horse out of the race. (See Statute 2-1220.)

9.001.13 No horse shall be allowed to enter or start in any race unless duly registered and named with the Registry Office of the Jockey Club (New York) and the certificate of registration properly endorsed to the current owner is on file with the racing secretary. (Exceptions may be made if a horse had been shipped to a track for a special race and said horse has been currently racing at another recognized meeting, but only after positive identification had been made.) (See Statute 2-1220.) Quarter Horses must be registered and named with the Registration Office of the American Quarter Horse Association, and the last recorded owner on the registration papers is considered the legal owner. Transfer forms will not be considered when determining ownership, except as specified for claiming under Chapter 13.009.10.

9.001.14 If a horse's name is changed, his new name shall be registered with the Jockey Club (New York) and no entry shall be accepted until such time as the new certificate of registration has been issued by the Jockey Club (New York).

9.001.15 No horse will be allowed at a track, and no horse shall be entered or permitted to start, unless a current, valid health certificate showing that said horse has been examined and found to be free from symptoms of any infections or communicable disease, is on file with the racing secretary.

The health certificate is valid when it is made by an accredited veterinarian licensed by the state authority which governs licensing veterinarians in the state where the examination and certificates were made. It is current if it is dated not more than thirty (30) days prior to the date the horse described in the certificate arrives at a Nebraska race track for the first time in a calendar year. The health certificate shall remain valid if a horse is shipped from one Nebraska track to another Nebraska track during the calendar year. Any track

may impose a more rigorous requirement with respect to the time a health certificate shall remain valid. A new health certificate shall be required each time a horse is shipped from outside of the state and each time a horse remains off a Nebraska track for a period exceeding 30 days. The certificate shall include the temperature of the horse at the time he was examined. The association conducting the racing meeting is responsible for compliance with this rule.

9.001.16 No maiden over five (5) years of age nor any horse over twelve (12) years of age will be allowed to start in Nebraska unless special permission to deviate from this rule is requested by an association and approved by the Commission.

9.001.16A A maiden five years of age or older, to be eligible to enter or start, must have a record of one or more prior starts at a recognized meet. Any exception to this requirement must be requested by the association and approved by the Commission.

9.001.17 No horse shall be permitted to enter or to start in any race unless he is in the care of, and the saddling is supervised by, a trainer currently licensed in Nebraska.

9.001.18 No horse shall be permitted to start whose name and true ownership is not registered with the racing secretary. (See Statute 2-1220.)

9.001.19 The entry of a horse must be in the name of his true owner. (See Statute 2-1220.)

9.001.20 A horse must be eligible at the time of starting. (See Chapter 15-003.)

9.001.21 No horse involved in a partnership shall be permitted to enter or start until the rules of the registration of partnerships have been complied with.

9.001.22 A horse shall not be qualified to be entered, or to start in any race, if owned in whole or in part, or if under the management, directly or indirectly of a disqualified person (See Statute 2-1220.)

9.001.23 If an entry from any disqualified person or a disqualified horse is received, such entry shall be void and any money paid for such entry shall be returned if the disqualification is disclosed forty-five (45) minutes before post-time for the race. Otherwise, any such money shall be paid to the winner.

9.001.24 No disqualified horse shall be allowed to start in any race.

9.001.25 No entry in any race shall be accepted for a horse owned wholly or in part by, or trained by, a person whose husband or wife is under license suspension at time of such entry; except that, if the license of a jockey has been suspended for a routine riding offense, the stewards may waive this rule.

9.001.26 No owner or trainer or other licensee shall enter or start a horse that:

- (1) is not in sound racing condition.
- (2) has a trachea-tube in place as a result of a tracheostomy,
- (3) has been given internally or externally, any narcotic, stimulant, depressant, analgesic, local anesthetic, or drug of any kind or description within twenty-four (24) hours prior to the running of a horse in a race except the permitted use of furosemide in accordance with rule 9.001.30.
- (4) is blind or has substantially impaired vision in both eyes. A horse that is blind or has substantially impaired vision in one eye must be reported to the racing secretary and the official veterinarian at the meet.

9.001.27 No owner or trainer shall register any horse for racing that has been surgically denerved or permanently blocked above the ankle.

9.001.28 No owner or trainer shall enter or start a horse on which a posterior digital (heel nerve) neurectomy has been performed unless all of the following requirements have been met:

- (1) the condition is reported to the racing secretary at the time of registration, or if the procedure is performed after the horse is registered for racing it is so reported to the racing secretary immediately thereafter, and
- (2) the Certificate of Foal Registration has been stamped to clearly and permanently indicate such procedure, and
- (3) the horse has been examined by the official veterinarian and approved to race at the meet, and
- (4) the horse is identified on a list of "HEEL NERVED HORSES" that is maintained by the racing secretary and prominently posted on a bulletin board that is readily accessible to other licensees and the public.

9.001.29 A horse is permitted to race with phenylbutazone in its system. Phenylbutazone shall not be administered in any form, or be available for any horse through feed or other substances, within the twenty four hours prior to the running of a horse in a race. The level of phenylbutazone shall not exceed 5.0 ug/ml in blood or plasma samples taken following a race (re: rule 18.010).

9.001.30 Furosemide (Salix) shall be permitted pursuant to rule 14.003 and subsections thereafter for administration to horses for treatment and prevention of exercise induced pulmonary hemorrhage (EIPH) or bleeders. The use of furosemide must be declared on the entry card at the time of entry.

9.001.31 - Repealed

9.001.32 - Repealed

9.001.33 - Repealed

9.001.34 No horse on the veterinarian's list shall be qualified to be entered, or to start.

9.001.35 If a horse is sold to a disqualified person, said horse's racing engagements shall be void as of the date of sale.

9.001.36 No horse shall be allowed to enter or to start in any race if the owner of that horse is in arrears, except with the approval of the racing secretary or stewards.

9.001.37 No more than two horses of the same ownership or interest shall be entered in a purse race, and both may start, except:

(1) When making an entry, the trainer must express a preference. In no case may two horses start as an entry even though uncoupled for wagering purposes if it deprives a single entry from starting, however, uncoupled entries shall not be preferred over coupled entries, stakes and added money races excepted. (See Chapter 9.001.39).

(2) Horses remaining eligible in stakes but eliminated because of these rules will cause a refund of all fees paid for that horse. (See Chapter 16.001.08.)

9.001.38 Double entries of the same ownership may not be uncoupled for wagering purposes. However, with permission of the stewards, double entries of separate ownerships and trained by the same trainer, may be uncoupled for wagering purposes.

9.001.39 If a race is declared off, the racing secretary may split or divide any overnight race which may have closed and cause a new drawing for post positions.

9.001.40 Entries shall be closed at an advertised time and no entry accepted thereafter. The racing secretary, however, may postpone closing of overnight races.

9.001.41 If the number of entries to any purse race is in excess of the number of horses that may, because of track limitations, be permitted to start, the "starters" for the race and their post positions shall be determined by lot in the presence of those making the entries. The same methods shall be employed in determining the starters and post positions in split races.

9.002 ALSO ELIGIBLE

9.002.01 A list of names (number to be determined by the racing secretary) may be drawn from the overflow entries and listed as "also eligible" to start if and when horses originally carded are "scratched". If more than one horse is scratched, post positions of horses drawing in from the also eligible list shall be determined by lot

9.002.02 Any horse which has drawn a position in a race and enters again on the next day that entries are taken shall be termed an "in-today" horse. If the race in which the horse is entered overfills the horse shall be given no consideration whatsoever, stakes excepted. A horse on the "also eligible" list shall not be considered as an

"in-today" horse until he has actually been given a position in the race.

9.003 PREFERRED LIST

9.003.01 The racing secretary shall maintain a list of entered horses eliminated from starting by a surplus of entries, and these horses shall constitute a preferred list and have preference. The manner in which the preferred list shall be maintained and all rules relating thereto must be submitted to the Commission at least 10 days prior to publication in a conditions book and not less than 30 days prior to the commencement of the race meeting.

9.003.02 Entries which have closed, shall be compiled without delay by the Racing Secretary and conspicuously posted.

9.003.03 No alteration shall be made in any entry after closing of entries, but an error may be corrected.

9.003.04 No horse which has been excused from starting on account of sickness or physical disability shall be allowed to start for a minimum of five (5) calendar days, exclusive of the day of scratch. Entry of said horse for its next start must be accompanied by a certificate of fitness from the track veterinarian and be approved by the Stewards.

9.004 PENALTIES AND ALLOWANCES

9.004.01 Penalties and allowances are not cumulative, unless so declared by the conditions of the race, and shall take effect at the time of starting, except that in overnight events a horse shall have only the allowance to which it was entitled at the time of entry.

9.004.02 Penalties are obligatory. Allowances are optional as to all or any part thereof, and in overnight events must be claimed at the time of entry.

9.004.03 Allowances to the produce of untried horses shall be claimed before the expiration of the time for naming, and shall not be lost by winning after that time.

9.004.04 No horse shall receive allowance of weight nor be relieved from extra weight for having been beaten in one or more races, but this rule shall not prohibit maiden allowance or allowances to horses that have not won a race within a specified period or a race of specified value.

9.004.05 Failure to claim a weight allowance by oversight or omission is not cause of disqualification. Claims of weight allowance to which a horse is not entitled shall not disqualify unless such incorrect weight is carried in the race. However, a fine may be imposed upon the person claiming allowance to which a horse is not entitled.

9.004.06 Daily Racing Form and Equibase charts and past performances, and all official or recognized reports, records, and statistics concerning races at recognized meets shall be considered in determination of eligibility and penalties and allowances of weight.

The owner and trainer shall be responsible for eligibility and correct weight assignment. The owner and trainer shall be responsible for disclosure at or prior to time of entry, any past performances affecting the eligibility, or penalties or allowances of weight, if such past performances are not disclosed on an official win record that is a part of, or is attached to, the foal registration certificate.

9.004.07 No horse shall incur a weight penalty for placement from which he is disqualified, but a horse placed through the disqualification of another horse shall incur the weight penalties of that placement. No such placement shall make a horse ineligible to a race which has already been run.

9.004.08 When a race is in dispute, both the horse that finished first and any horse claiming the race shall be liable to all penalties attached to the winner of that race until the matter is decided.

9.004.09 Races written to be run under "Scale of Weights or Weight for Age" shall be run under the weights as provided for in the Scale of Weights Chart appearing in this book. (See Chapter 20.001.01.)

9.004.10 It shall be within the power of the racing secretary to write races either above or below scale as he may see fit.

Chapter 10 - LICENSING AND LICENSEES

10.001 All persons engaged in or employed by those engaged in racing or operation of a race meet or those operating concessions for or under the authority of any association within the racetrack enclosures, persons employed in mutuels, security, and official positions of responsibility, telewagering facility or stable area of the said association, must be licensed by the Nebraska State Racing Commission excluding other persons whose names appear on the permanent annual payroll of the association, and who are employed within the track enclosure.

10.002 Applicants for license may be called upon to submit satisfactory evidence of financial responsibility and after the license has been issued must maintain a record of financial responsibility during the period for which license is issued.

10.003 The names of license exempt employees shall be compiled by the association and submitted to the Secretary of the Commission.

10.004 The Commission may refuse to issue or renew a license, or may suspend or revoke a license issued pursuant to the rule, if it shall find that the applicant, or any person who is a partner, agent, employee or associate of the applicant, has been convicted of a crime in any jurisdiction, or is or has been associating or consorting with bookmakers, touts, or persons of similar pursuits, or has personally engaged in similar pursuits, or is financially irresponsible, or has been guilty of or attempted any fraud or misrepresentation in connection with racing, breeding, or otherwise, or has violated or attempted to violate any law with respect to racing in any jurisdiction or any rule, regulation or order of the Commission, or adopted by the Commission, or has been guilty of or engaging in similar, related or like practices. (See Chapter 18.015 through 18.022.)

10.004.01 To effect the performance of its statutory duty to assure the security, safety, and health conditions at racing meetings as well as to assure the integrity of horseracing and to protect against any conduct detrimental to the best interests of horseracing, the Commission may condition the granting of (i) a first-time license, (ii) a license requested by a person who has not held a license for a period of 12 months prior to the new license application, and (iii) a license renewal requested by a horseracing industry participant who was found guilty of any rule violation involving exclusion, suspension, revocation, or other serious penalty as defined by the Commission, and (iv) a license renewal requested by a person who was found guilty of a

criminal offense or who, at the time of license application, is charged with a criminal offense upon:

(a) consent to the unconditional right of the stewards of any licensed meeting or the Commission to permit and direct any person or persons authorized by them or either of them, to examine, search, or inspect the personal effects and property of any horseracing industry participant kept on or within the grounds of an association at which a licensed race meeting is held or at other racetracks or places where horses are kept which are eligible to race at said meeting, and to seize any object that may be contraband or evidence indicating a rule violation;

(b) consent to the unconditional right of the stewards of any licensed meeting or the Commission to permit and direct any person or persons authorized by them or either of them, to conduct a search of the person to find contraband or evidence of a rule violaton; and

(c) consent to drug and alcohol testing by urinalysis if the person of whom consent is required is a person who has a history of drug or alcohol possession or use as demonstrated by prior rule violation or misdemeanor or felony conviction.

10.005 All applications for license shall be filed with the Executive Secretary of the Nebraska State Racing Commission who shall have the authority to issue the license, hold the application for further investigation, or refer it to the Commission for final action.

10.005.01 A temporary license may be issued pending the outcome of any licensing investigations or Commission decisions.

10.005.02 A probationary license may be issued which may impose reasonable requirements and conditions on the licensee as a condition of receiving or retaining a license. Terms of probation may be determined by the Executive Secretary.

10.005.03 The Commission may refuse to issue a license to a person whose spouse holds a license and which in the opinion of the Commission would create a possible conflict of interest.

10.006 The Commission may impose probationary sentences on licensees. Any licensee who by an overt act of commission or omission violates any of the Rules and Regulations of the Commission during the period said licensee is subject to any probationary sentence, shall thereupon have said license revoked and shall be referred to the Commission for further action.

10.008 Every person, whose license is revoked or suspended, or to whom a license has been denied by another Board or Commission with horse racing jurisdiction, may be required to be reinstated by the Board or Commission of the jurisdiction in which the original ruling was made before being eligible to be licensed by the Nebraska State Racing Commission.

10.009 All licensed personnel shall carry their card with them at all times and shall be held responsible for the safekeeping of it. No license shall be transferable and no duplicate cards shall be issued except upon payment of a fee of five dollars.

10.010 Any licensed person who allows another to use said license card or badge for the purpose of transferring any of the benefits pertaining thereto may be suspended, have said license revoked, or both.

10.011 When the denial of a license has been ordered by the State Racing Commission, the Secretary of the Commission shall report the particulars to the applicant and shall further report the matter to the Association of Racing Commissioners International, Inc. giving detailed reasons why the denial was made.

10.012 In case of emergency, a trainer or jockey may be permitted by the Stewards to pursue their respective vocation pending action upon their application; but a jockey or trainer having been suspended or ruled off and subsequently reinstated after the expiration of said license, shall not be permitted to pursue said vocation until a license has been granted.

10.013 Every license shall be for not more than one year, and shall expire on December 31st of each year.

10.014 The Commission may deny or revoke a license to any person who shall have been refused a license by any other State Racing Commission or racing authority; provided, however, that the State Racing Commission or racing authority of each other state extends to the State Racing Commission of Nebraska reciprocal courtesy to maintain the disciplinary control. The State Racing Commission may deny or revoke any license where the holder thereof has violated the rules and regulations of the Commission or who has falsified the application of or for said license.

10.015 The responsibility of immediately licensing an employee rests with the employer. (See Chapter 12.007.02)

Chapter 11 - JOCKEYS AND APPRENTICE JOCKEYS

11.001 JOCKEYS

11.001.01 Each jockey and apprentice jockey must obtain a license from the Commission.

11.001.02 The license fee shall be as listed in rule 10.007 for each jockey and apprentice jockey.

11.001.03 No person under sixteen (16) years shall be granted a jockey's license.

11.001.04 No person who has never ridden in a race shall be granted a license; however, by permission of the Commission and the stewards, a temporary license may be granted for the riding of two races and if approved by the stewards and the Commission, said temporary license may be replaced with a license.

11.001.05 No jockey licensed in Nebraska shall be the owner or part owner of any race horse racing in Nebraska unless special permission is granted by the Nebraska State Racing Commission.

11.001.06 A jockey shall faithfully fulfill all engagements in respect to racing. Inability to fulfill engagements must be reported to and receive the approval of the stewards.

11.001.07 A jockey may not ride in any race against a starter of their contract employer unless their mount and their contract employer's starter are both in the hands of the same trainer.

11.001.08 In riding a race, a jockey must be neat in appearance. All riders must be dressed in clean jockey costume, cap and jacket of silk, satin or waterproof, white or light breeches and top boots. In all races, jockey's must wear approved safety helmets and safety vests, the weight of which shall not be included in the jockey's weight.

The safety vest shall weigh no more than two pounds and be designed and manufactured in accordance with standards defined by the British Equestrian Trade Association (BETA) at the time of manufacture.

11.001.08A Unless he obtains the approval of the stewards prior to leaving the paddock, a jockey may carry in his hand no item of any kind other than a whip, whip substitute, or horse's reins

until after the finish of the race when he unsaddles the horse at the placing judge's stand.

11.001.09 Jockeys shall wear a number on their right arm (also on their left arms, if the judges' stand is inside the infield) and it and the saddle cloth number shall correspond to the number of the horse in the official program.

11.001.10 Every jockey who is engaged to ride in a race shall report to the jockey quarters not less than one hour before post time for the first race. Jockeys shall then report engagements and overweight, if any, to the clerk of scales, and thereafter shall not leave the room, except to view the races from a point approved by the stewards or to ride in a race, nor have any contact or communication with any person outside the jockey room other than an owner or trainer for whom said jockey is riding, or a racing official, or a representative of the regular news media, unless by permission granted by the stewards, until all of said jockey's engagements of the day have been fulfilled. However, the stewards may in their discretion permit jockeys engaged for later races to report at a later hour.

11.001.11 All jockeys must pass a physical examination once a year before the commencement of a meeting, affirming fitness to participate as a jockey. The stewards may require that any jockey be reexamined and may refuse to allow any jockey to ride until such an examination is successfully passed. If a jockey has previously passed such an examination prior to riding at a track in this state, a physical fitness card signed by the examining doctor that shows that date upon which the examination was made must be presented to the Commission.

11.001.12 No jockey shall make a bet on any race, with respect to the race in which said jockey is riding, except through or from the owner or trainer of the horse said jockey rides, and then only on that horse to win.

11.001.13 An owner or trainer must receive permission to substitute a jockey for another previously engaged, and must pay a losing mount fee to the rider previously engaged in the event the rider does not obtain another engagement in that race. (See Chapter 11.003.02)

11.001.14 A jockey's fee shall be considered earned when the jockey is weighted out by the clerk of scales. The fee shall not be considered earned if the jockey, of his or her own free will, takes off a mount, where injury to the horse or rider is not involved. Any condition or

consideration not covered by the above ruling shall be at the discretion of the stewards.

11.001.15 In a dead heat the jockeys involved shall divide equally the sum of the fees they would have received individually had one beaten the other or others. Likewise, the owners of the horses involved shall pay their equal share.

11.001.16 A jockey who is under suspension will not be permitted to fulfill any engagements except as provided for by these rules. A jockey under suspension in any other state will not be permitted to ride in Nebraska during such suspension.

11.001.16A Immediately prior to the start of a race meet the stewards appointed for that meet shall designate the stakes, futurities, or futurity trials or other races in which a jockey will be permitted to compete, notwithstanding the fact that such jockey is under suspension for ten (10) days or less for a riding infraction at the time the designated race is to be run.

11.001.16B Official rulings for riding infractions of ten days or less shall state: "The term of this suspension shall not prohibit participation in designated races".

11.001.16C A listing of designated races shall be posted in the jockeys' room and any other such place deemed appropriate by the stewards.

11.001.16D A suspended jockey must be named at time of entry to participate in any designated race.

11.001.16E A day in which a jockey participated in one designated race while on suspension shall count as a suspension day.

11.001.16F This rule shall apply only to riding infractions involving suspension of ten days or less and shall not apply to any other type of violation or suspension.

11.001.17 The suspension of a jockey for an offense not involving fraud shall begin on the second day after the ruling, unless otherwise ordered by the stewards. A suspension for fraud shall begin immediately after the ruling.

11.001.18 A jockey, whose license is temporarily suspended may be permitted to exercise or gallop horses during the morning hours and to lodge on the grounds of the association at night.

11.001.19 A forfeiture must be paid by the jockey personally and any other person paying it shall be subject to punishment.

11.001.22 Jockeys may have one agent and no more. Engagements to ride, shall be made by themselves or their agent. The one making the engagements shall be held responsible for the proper maintenance of an engagement book. (See Chapter 11.003.04.)

11.001.21 No jockey shall have an attendant other than those provided by the association.

11.001.22 Employers retaining the same jockey have precedence according to priority of the retainers as specified in the contracts.

11.002 APPRENTICE JOCKEYS

11.002.01 An applicant may be prohibited from riding until the stewards or the Commission has sufficient opportunity (not to exceed 14 days) to verify the applicant's previous riding experience.

11.002.02 The conditions of an apprentice jockey license do not apply to quarter horse racing. A jockey's performances in quarter horse racing do not apply to the conditions of an apprentice jockey license.

11.002.03 An applicant with an approved apprentice certificate may be licensed as an apprentice jockey.

11.002.04 An apprentice certificate may be obtained from the stewards on a form provided by the Commission. A person shall not receive more than one apprentice certificate. In case of emergencies, a copy of the original may be obtained from the Commission where it was issued.

11.002.05 An apprentice jockey may claim the following weight allowances in all overnight races except stakes and handicaps: An apprentice jockey may ride with a five (5) pound weight allowance beginning with the apprentice jockey's first mount and for one (1) full year from the date of the apprentice jockey's fifth (5th) winning mount. If after riding one (1) full year from the date of the fifth (5th) winning mount, the apprentice jockey has not ridden forty (40) winners, the applicable weight allowance shall continue for one (1)

more year from the date of the fifth (5th) winning mount, or until the fortieth (40th) winner, whichever comes first. In no event may a weight allowance be claimed for more than two (2) years from the date of the fifth (5th) winning mount, unless an extension has been granted.

11.002.06 The commission may extend the weight allowance of an apprentice jockey when, in the discretion of the commission, an apprentice jockey is unable to continue to riding due to: physical disability; military service; attendance in an institution of secondary or higher education; restriction on racing; or other valid reasons.

To qualify for an extension, an apprentice jockey shall have been rendered unable to ride for a period of not less than seven (7) consecutive days during the period in which the apprentice was entitled to an apprentice weight allowance. Under exceptional circumstances, total days lost collectively may be given consideration. The commission currently licensing the apprentice jockey shall have the authority to grant an extension to an eligible applicant, but only after the apprentice has produced documentation on the approved form which follows, verifying time lost as defined by this regulation. An apprentice may petition one of the jurisdictions in which he or she is licensed and riding for an extension of the time for claiming apprentice weight allowances, and the apprentice shall be bound by the decision of the jurisdiction so petitioned.

11.002.07 The conditions set forth in Sec. V, Subsec. A shall also apply.

11.003 JOCKEY AGENTS

11.003.01 Jockey agents must obtain a license and notify the Stewards and Racing Secretary of all changes in riders represented. The Board of Stewards shall maintain a current list of jockey agents and riders represented.

11.003.02 The stewards may require engagement slips be used; when used, they must include signatures of owner or trainer and jockey or jockey's agent.

11.003.03 A jockey agent may handle engagements for one jockey and one apprentice. An agent shall not make or assist in making of any engagements for a jockey other than those the agent is licensed to represent. A jockey agent may represent two jockeys and one apprentice jockey with the approval of the stewards.

11.003.04 If any jockey agent gives up the making of engagements for any rider the agent shall immediately notify the stewards, the Commission and the racing secretary; and the agent shall also turn over to the stewards a list of any unfilled engagements that may have been made for that rider.

11.003.05 Jockey agents shall not be licensed as owners or trainers, nor shall they be allowed in the paddock at any time, except by special permission from the stewards.

11.003.06 A jockey agent shall not engage in the practice commonly known as "touting", for the purpose of influencing any person, in the making of a wager on the result of any race.

11.003.07 When an owner or trainer engages the services of a jockey through a jockey agent the stewards may require all jockey agents to furnish the owner or trainer with a ticket specifying thereon whether or not said owner or trainer has first or second call on the services of the jockey. Such calls must be declared at the time of entry.

11.003.08 No person other than an owner, trainer, jockey agent or authorized agent of an owner in good standing shall make engagements for an apprentice jockey or jockey. However, a jockey not represented by an agent may make his or her own engagements.

11.003.09 Jockey agents will be called upon to explain rival claims for any mount or for any rider and inability to satisfy the stewards that the rival claim arose through honest bona fide error shall be considered a falsification of records.

11.003.10 Conflicting claims for the services of a jockey shall be decided by the stewards.

11.003.11 Any agent who falsifies said record shall be suspended by the stewards and said agent's case referred to the Commission.

11.004 NAMING OF RIDERS

11.004.01 Jockeys shall be named not later than entry time of the day of the race.

11.004.02 Any subsequent change of a jockey must be sanctioned by the Stewards and must be promptly and publicly posted and announced.

11.004.03 Any jockey, having given a call personally or through an agent, who fails to fulfill such engagements may not accept another mount or be assigned by the stewards to another mount in that race.

11.004.04 In races where a jockey is named on more than one horse drawn in a race the jockey agent or the jockey must specify the horse the jockey will ride. A jockey may have a second call on horses on the also eligible list.

Chapter 12 - OWNERS-TRAINERS

12.001 - OWNERS-TRAINERS

12.001.01 Each owner must obtain a license from the Commission and shall have foal certificates submitted to the racing secretary.

12.001.02 All owners and trainers of horses and their stable employees are subject to the laws of Nebraska and the rules promulgated by its Commission immediately upon acceptance and occupancy of stabling accommodations from or approved by an association or upon making entry to run on its track. A photostatic copy of the original papers and transfer will be retained by the racing secretary in the claimed horse's folder,

allowing the claimed horse to be raced at that meeting until the original papers have been returned by the AQHA.

13.009.11 The Racing Secretary shall have the right to withdraw or change any unclosed race. However, any race appearing in the condition book, unless contrary to the rules of racing, shall be given a reasonable opportunity to fill as it was written before being withdrawn or changed.

13.009.12 The racing secretary shall, each morning, as soon as the entries have been closed and compiled, and the declarations have been made and approved by the stewards, post a list thereof in a conspicuous place in the racing office. Any newspaper desiring the same shall also be furnished a copy.

13.009.12A A copy of the overnight entries marked in such a way as to reveal the starters and eliminate all declarations shall be prepared and delivered to the mutuel manager at once.

13.009.13 The handicapper, who may be the racing secretary, shall assign the weights to be carried by each horse in a handicap.

13.009.14 In case of omission, through error, of the name or weight of a horse duly entered, the omission shall be rectified by the handicapper, with permission of the stewards.

13.010 STARTER AND ASSISTANT STARTERS

13.010.01 Only the starter or a deputy approved by the starter and by the stewards and the Commission may start a race.

13.010.01A In case of emergency, a starter may be appointed by the stewards.

13.010.01B Such emergency shall not exist for more than three (3) racing days without Commission approval.

13.010.02 The starter shall give all orders and take all measures necessary to insure a fair start.

13.010.03 The starter's decisions as to the validity of a start and as to whether or not a horse was locked in the gate shall be final.

13.010.04 The starter may appoint assistants subject to the approval of the stewards. Unless approved by the Stewards due to a temporary emergency, no assistant starter shall be a person owning or having any interest in any horse eligible to race at the meeting, nor any person having an interest in the result of any race, or be or have been the employee of any such person during the progress of the meeting. (See Chapter 13.004.04)

13.010.05 No person shall give to any starter or assistant starter, nor shall any starter or assistant starter receive money, anything of value, or other compensation for such starter's or assistant starter's services in connection with the running of any race or races. No starter, nor assistant starter, shall either directly or indirectly bet on any race or engage in any betting transaction nor have any interest

in any horse. This rule has no application to salaries received from associations. See Chapter 18.002 and 18.003)

13.010.06 In case the alignment of the horses at the post is delayed, the starter may permit jockeys to dismount and their mounts to be attended.

13.010.07 If after reaching the starting post, a horse is so badly injured as to make it impractical or impossible for him to run in a race, the starter or official veterinarian, may with the approval of the stewards excuse that horse. If a horse is excused, the start must be delayed until the mutuel department is notified and a change of "odds" is made.

13.010.08 The starter is required to load horses into the starting gate in order of post position except in cases of emergency or by prior permission of the stewards.

13.010.09 No horse or horses may be started from outside the gate except as provided in Chapter 13.009.10.

13.010.10 If the starter or assistants are unable after reasonable efforts, to place a horse in the gate for a satisfactory start, or if the horse is mean or unruly, the starter may order that horse placed outside the gate, one length behind the starting line. Said horse shall be denied the right of future entry until reinstated by the starter or the stewards.

13.010.11 The starter shall maintain a Starter's list, and all horses shall be schooled at or in the starting gate, if and when required, under the personal supervision of the starter or assistant starters.

13.010.12 Only the starter or stewards shall have the authority to designate the horses which shall constitute the starter's list.

13.010.13 The starter shall file a copy of the starter's list with the racing secretary. Said list must be prominently displayed.

13.010.14 The starter shall report to the racing secretary as soon as a horse on the starter's list has been schooled sufficiently to be permitted to start.

13.010.15 A horse will not be eligible to start until the starter orders the name stricken from the starter's list.

13.010.16 The starter may penalize a jockey for disobedience of orders or for attempting an unfair advantage before the "start".

13.010.17 The starter's authority to penalize ceases at "off-time". All infractions noted by said starter after "off-time" shall be reported immediately to the stewards.

13.010.18 The starter shall report in writing to the stewards and to the racing secretary all penalties which said starter has imposed and no penalties, so reported, shall be modified other than by the authority of the Racing Commission.

13.010.19 Neither the starter nor the assistant starters shall mistreat or use abusive language to a jockey. Violators are subject to disciplinary action by the stewards.

13.010.20 The starter's approval of the starting ability of all two-year olds must be obtained before same are permitted to start. The starter must state whether whip and/or blinkers were used in schooling.

13.010.21 Likewise, the starter's approval must be obtained for all older horses which have never started at a recognized meeting.

13.010.22 A false start is void; and the horses shall be started again as soon as practical. Any horse running the course from a false start may be excused from the true race by the stewards.

13.010.23 If a horse is locked in the gate, the starter shall immediately notify the stewards, who in turn, shall immediately notify the manager of the pari-mutuel department. The starter shall be the sole judge of what horse or horses are prevented from starting in a race through failure of gates to open. (See Chapter 23.001.11(3)).

13.011 STEWARDS

13.011.01 The stewards shall have the power to interpret the rules and to decide all questions not specifically covered by them (See Statute 2-1203.)

13.011.03 The stewards shall have the power and it shall be their duty to regulate and govern the conduct of all racing officials and of all owners, trainers, jockeys, grooms and other persons attendant upon horses before, during, and after races, unless the power and duty is vested in the Racing Commission. 13.011.08 The stewards are vested with the power to determine the extent of disqualification in case of fouls. They may place the offending horse behind such horses as in their judgment it interfered with, or they may place it last.

13.011.09 The stewards may demand proof that a horse neither is disqualified in any particular, nor entered or owned, in whole or in part, by a disqualified person, or trained, in whole or in part, by a disqualified person. In default of proof, satisfactory to them, the stewards may declare the horse disqualified.

13.011.10 The stewards may postpone a race from race day to race day until a dark or non-racing day intervenes.

13.011.11 The stewards shall have the power to examine or cause to be examined at any time, any horse stabled on the association grounds, or in stabling approved by the association.

13.011.12 The three (3) stewards must be on duty during race time, which shall mean from one (1) hour before post time for the first race of the day and until after the last race of the day has been made official.

13.011.13 At least one (1) of the stewards, or a deputy, shall be on duty, thirty (30) minutes prior to scratch time each morning, until after the drawing of post positions.

13.011.14 A steward may appoint his or her own deputy at any time.

13.011.15 If there is only one (1) steward present at race time, said steward shall appoint two (2) other qualified persons to act with him or her as stewards pro tem.

13.011.16 If only two (2) stewards are present at race time, they shall by agreement, appoint a deputy for the absent steward, providing such absent steward has not already appointed his or her own deputy.

13.011.17 If none of the stewards are present at race time, the racing secretary shall appoint three (3) qualified persons to act as stewards pro tem.

13.011.18 Appointments of any deputy or deputies for a steward or stewards shall be reported immediately to the racing commission.

13.011.19 There shall be three (3) stewards (no more, no less) acting during the running of each race. (See Chapter 13.001.03)

13.011.20 When a vacancy occurs among the racing officials, other than the stewards, prior to post time of the first race of the day, or when a vacancy occurs after the racing of the day has started, the stewards shall immediately fill the vacancy. The appointment shall be effective only for the day, unless the association fails to fill the vacancy on the following day and notifies the stewards of its action not less than one hour before the post time of the first race of the day.

13.011.21 Such appointments shall be reported immediately to the Racing Commission.

13.011.22 The stewards shall take notice of any questionable conduct with or without complaint thereof.

13.011.23 The stewards may substitute a jockey of their selection on any horse.

13.011.24 The stewards may place any horse in the temporary charge of a trainer of their selection.

13.011.25 It shall be the duty of the stewards to see to it that horses arrive at the starting post as nearly as practical at the advertised time. (See Chapter 17.001.04)

13.011.26 In case of accident or casualty to a horse before "off-time", the stewards may excuse said horse.

13.011.26A The stewards must investigate promptly, and render a decision in every protest and in every complaint properly made to them. (See Rules of Protest.)

13.011.26B The stewards shall report all protests and complaints to the Racing Commission as soon as received by them, and shall make a prompt report to said Racing Commission of their decision.

13.011.26C The stewards shall before the close of each day file with the Racing Commission, a signed report of any and all infractions of the Rules coming under their observance that day; and shall file with the Racing Commission any and all rulings or infractions or otherwise, as soon as said rulings are made.

13.012 TIMER

13.012.01 There shall be one (1) or more timers. They shall determine the official time of each race.

13.012.02 When and if an electric timing device is used, the races shall also be timed in the usual manner by the timers. Any electrical timing device used must be approved by the Commission.

13.012.03 The time shall be announced and/or displayed at once.

13.013.05 The official veterinarian shall be charged with the responsibility of securing the proper signatures, as may be required by the Commission, of witnesses to the taking of specimens and the ultimate sealing, for delivery to the official chemist, of same.

13.013.06 The official veterinarian shall be charged with the responsibility of delivery or shipment of all specimens to the official chemist.

13.013.07 The official veterinarian shall be charged with the responsibility of properly instructing assistants in the performance of their duties.

13.013.08 The official veterinarian must present himself or herself at the office of the racing secretary and/or stewards prior to scratch time each racing day at a time designated by the stewards, to inspect any horses and report on their condition as may be requested by the racing secretary or stewards.

13.013.09 A horse may be destroyed at any place on the grounds of an Association as determined by the official veterinarian. In destroying a horse the official veterinarian shall use a needle. (No horse shall be shot).

13.013.10 The official veterinarian does not have the authority to scratch a horse but shall report to the stewards his or her opinion of a horse's condition and recommendations relative to scratching.

13.013.11 An Official Veterinarian may administer phenylbutazone, or furosemide in accordance with all applicable rules in the event it is not possible for a trainer to obtain such treatment from a licensed practicing veterinarian. Any such treatment shall be preceded by the written authorization of the Board of Stewards and shall be followed by a complete written report by the Official Veterinarian of all circumstances as to why the treatment could not have been obtained from a practicing veterinarian.

Any such treatment shall be preceded by payment of a fee to compensate the commission for the cost of treatment and the expense of preparation of the required report to be prepared by the Official Veterinarian.

14.001.02 All veterinarians shall make reports to the Commission concerning each horse examined or treated; each prescription written; and drugs, medicines, or vitamins provided for administration by trainers or owners. Reports shall be made to the Commission no later than 2 p.m. the following race day. A signed copy of the veterinarian's own record may serve as the veterinarian's official report, or the report may be submitted on forms provided by the Commission.

14.001.02A The veterinarian's report shall include the following:

- (1) name of each horse examined or treated;
- (2) owner and/or trainer of the horse;
- (3) name and amount of all drugs, medicines, or vitamins administered;

Reports must also include horses that are entered and draw into a race that were treated or administered drugs, medications, or vitamins or for which drugs, medications, or vitamins have been provided or prescribed for use by the trainer, during the fourteen day period prior to the race, if the treatment or administration occurred prior to the date that for which daily submission of veterinarian reports is required.

14.001.02D Except in the case of their submission as evidence in hearings before the stewards or the Commission, the veterinarian's reports shall be confidential and available only to the official veterinarian and designated Commission staff. Copies of the applicable portions of veterinarian's reports shall be provided to the owner or trainer of a horse at the request of the owner or trainer.

14.001.02E The penalty for falsification of reports, or errors or omissions, failure to submit reports, or late reports shall be established by the Commission or stewards after review of pertinent facts and information.

14.001.03 Any drugs, medications, or vitamins provided by a veterinarian for use by a trainer on any horses that are on the grounds of the association, or that are registered to race, shall be in containers clearly labeled to identify the substance provided, the quantity provided, the date on which it was provided, the horse or horses for which it is provided, and instructions concerning administration.

14.001.04 Veterinarians practicing veterinary medicine on a race track where a race meeting is in progress or imminent, shall use one time disposable needles and shall dispose of them in an approved manner.

14.001.05 Any illness or unusual symptoms of illness shown by a horse shall be immediately reported by the trainer or attending veterinarian to the official track veterinarian or the stewards.

14.001.06 Except in cases of extreme emergency, all practicing veterinarians must get permission from the official track veterinarian before medicating a horse within 24 hours of first post time on a day it is entered to race. In cases of medication of a horse in extreme emergency, the official track veterinarian and the stewards shall be immediately advised of the circumstances necessitating such treatment and of the medication administered. The permission requirement is waived for the authorized administration of furosemide. Practicing veterinarians shall not have pre-race contact with an entered horse on race day except for the administration of furosemide pursuant to rule 14.003 and subsections thereafter unless approved by the official veterinarian.

14.001.07 In case of any illness or unusual symptoms which might be or are deemed contagious in fact or possibility, the stewards are empowered to employ, at the expense of the association, a board of three veterinarians, licensed by the State of Nebraska, for the purpose of diagnosis, observation and/or treatment. The decision of such board with reference to the necessity of isolating any horse shall be binding upon the trainer and owner thereof.

14.001.07A The reasonable cost and expense of isolation, including keep and medical care, shall be borne by the owner or trainer of the horse during the period of isolation.

14.001.07B In the event of the positive diagnosis of infectious disease, the horse so diagnosed shall remain isolated and quarantined for such period as the board may determine.

14.001.07C No horse shall be removed from quarantine without permission of the stewards.

14.001.08 No horse shall be destroyed on the grounds of an association until it has been observed by the official veterinarian. (See Chapter 17.002.07).

14.001.09 Practicing Veterinarians Conflict of Interest:

14.001.09A Restrictions on Wagering: A practicing veterinarian shall not wager on the outcome of any race if the practicing veterinarian has treated a horse participating in that race within the past 30 days.

14.001.09B Horse Ownership: A practicing veterinarian shall not have any ownership or other financial or beneficial interest in any horse registered for racing at a race meet where they are licensed by the racing commission as a practicing veterinarian. This restriction shall not extend to any breeder awards earned pursuant to Neb.Rev.Stat. § 2-1207, 2-1207A, and 2-1213(1).

14.002 RESERVED

14.003 FUROSEMIDE (SALIX)

14.003.01 Furosemide (Salix) may be administered to a horse entered in a race provided that the entry of a horse must reflect the intent of the owner or trainer.

14.003.02 Furosemide must be administered by a licensed veterinarian on the grounds of the association, must be in the injectable form only, and must be administered by a single intravenous injection not later than four (4) hours prior to post time of the race in which the horse runs. The dosage shall not exceed 500 mg and shall not be less than 150 mg.

14.003.03 A horse that ran with furosemide in its prior race must continue to run on furosemide unless the licensed trainer and the licensed practicing veterinarian submit a written request to discontinue use of furosemide on a form approved by the official veterinarian. The written request must be submitted to the official veterinarian not later than time of entry.

14.003.04 After a horse has been approved by the official veterinarian to discontinue use of furosemide, is may not again be entered to run on furosemide for a period of sixty calendar days unless it is determined to be detrimental to the welfare of the horse, in consultation with the official veterinarian. If a horse is approved by the official veterinarian to discontinue use of furosemide for a second time in a 365 day period, the horse may not again race on furosemide for a period of ninety (90) calendar days.

14.004 RESERVED

14.005 BLEEDER CERTIFICATE

14.005.01 A horse that is observed to have bled following a race or

workout in Nebraska may be officially certified as a bleeder at the request of the trainer or owner subsequent to personal observation of a licensed practicing veterinarian or the official veterinarian. An official certification may be obtained by completion of an affidavit on forms provided by the Commission specifying:

- (1) that the horse was personally observed and is a bleeder,
- (2) if the horse was observed to bleed following a race or workout,
- (3) if observation was of external bleeding through the mouth or nostrils or internally through laryngoscopic examination, and
- (4) the date, time and location of observation.

14.005.02 A copy of a bleeder certification shall, upon approval by the official veterinarian, be attached to the horses foal registration papers.

14.006 ANTI-ULCER MEDICATIONS

The following anti-ulcer medications are permitted to be administered, at the stated dosage, up to 24 hours prior to the race in which the horse is entered.

1. Cimetidine (Tagamet®) - 8-20 mg/kg PO BID-TID
2. Omeprazole (Gastrogard®) - 2.2 grams PO SID
3. Ranitidine (Zantac®) - 8 mg/kg PO BID

14.007 ENVIRONMENTAL CONTAMINATES AND SUBSTANCES OF HUMAN USE

14.007.01 The following substance can be environmental contaminant. Regulatory thresholds have been set for the following substance.

Caffeine - 100 nanograms of caffeine per milliliter of serum or plasma

14.007.02 If the preponderance of evidence presented in the hearing shows that a positive test is the result of environmental contamination or inadvertent exposure due to human use it should be considered as a mitigating factor in any disciplinary action taken against the affected trainer.

14.008 TEST BARN

14.008.01 An area within a suitable building must be set aside and be under the supervision of the official veterinarian for the purpose of collecting specimens for any tests required by the Commission. Said building, its location, arrangement, furnishings and facilities, including refrigeration and hot and cold running water, must be approved by the Commission.

14.008.02 No unauthorized person shall be admitted at any time to the building or the area utilized for the purpose of collecting the required specimens or the area designated for the retention of horses pending the obtaining of said specimens.

14.008.03 A guard, approved by the Commission, must be in attendance during the hours designated by the Commission.

14.008.04 The winner of every race and such other horses as the stewards may designate shall be taken immediately after the race, by an assistant to the official veterinarian, by the owner, trainer, authorized representative, to the testing enclosure for examination by the supervisor of drug tests and the taking of such specimens of body fluids and eliminations as shall be directed. Blood specimens may be taken by a veterinary technician, except that the owner, trainer, or authorized representative may request that blood be taken by the official veterinarian. Any excess urine specimen over the amount required by the official veterinarian shall be collected in a separate container and sealed, signed, and witnessed as per Chapter 14.008.07.

The trainer of any horse selected shall be entitled to request a copy of the test report.

14.008.04A No fewer than three horses, or such larger number as may be designated by the Commission, shall be selected at random each race day from horses that are required to report to the test barn. From each of the horses so selected, a blood sample shall be obtained in an amount to be determined by the official veterinarian. These samples shall be designated for quantitative analysis of levels of phenylbutazone by the official laboratory. The blood samples shall be in addition to urine samples and shall be drawn within thirty (30) minutes of all horses competing in a given race; provided that no blood samples shall be excluded as evidence by virtue of occurring later than the thirty (30) minute testing period.

14.008.04B This rule shall not be construed to prohibit the testing of any blood samples for other prohibited drugs, nor to prohibit or prevent quantitative testing for levels of phenylbutazone in any other blood samples obtained.

14.008.04C If laboratory testing indicates a level of phenylbutazone in excess of 2.5 ug/ml and less than or equal to 5.0 ug/ml, the official veterinarian shall provide to the trainer of the horse tested, confidential notice of the fact that suggests a need to carefully review practices concerning administration of phenylbutazone.

14.008.05 The stewards of the meeting may require at any time that any horse be sent to the testing enclosure for the taking of such specimens of saliva, urine and/or blood as shall be directed as well as for an examination for "sponging" and such other examination as shall be directed.

14.008.06 The authorized representative of the Racing Commission may also require the taking of any or all of the foregoing specimens from any horse stabled at a track during a meeting.

14.008.07 The owner, the trainer or other authorized representative must be present when a saliva, urine or other specimen is taken from his horse, and must remain until the specimen is sealed and the official form signed by the owner or trainer or their representative as

witness, to the taking of the specimen. Willful failure to be present at or a refusal to allow the taking of any specimen, or any act or threat to impede or prevent or otherwise interfere therewith, shall subject the person or persons guilty thereof to immediate suspension and the matter shall be referred to the Nebraska State Racing Commission for such penalty as in their discretion they may determine. (See Chapter 18.011)

14.009 CHEMIST

14.009.01 The official chemist shall be a member in good standing of the Association of Official Racing Chemists and shall make all reports directly to the Secretary of the Nebraska State Racing Commission.

14.009.02 All specimens except the horsemen's split samples taken by or under direction of the official veterinarian or authorized representative of the State Racing Commission shall be delivered to the laboratory of the official chemist for analysis. Each specimen shall be marked and bear such information as may be essential to its proper analysis; but the identity of the horse from which the specimen was taken or the identity of its owner, trainer, jockey, or stable, shall not be revealed to the official chemist or his staff. The container of each specimen shall be sealed as soon as the specimen is placed therein.

14.009.03 The official veterinarian, the stewards or the authorized representatives of the Commission may take samples of any medicines or other materials suspected of containing improper medication or drugs which could affect the racing condition of a horse in a race, which may be found in stables or elsewhere on race tracks or in the possession of such tracks or any person connected with racing, and the same shall be delivered to the official chemist for analysis of saliva and urine. Same may be retained by the Nebraska State Racing Commission. (See Chapter 2.001.06.)

14.009.04 No action shall be taken by the stewards on the report of the official chemist unless and until the medication or drug has been properly identified as well as the horse from which the specimen was taken nor until such time as an official report signed by the chemist has been received by the state steward.

14.010 STORAGE AND SHIPMENT OF SPLIT SAMPLES

14.010.01 Split samples obtained shall be secured and made available for further testing in accordance with the following procedures:

14.010.01A a split sample shall be secured in the test barn under the same manner as the portion of the specimen acquired for shipment to a primary laboratory until such time as specimens are packed and secured for shipment to the primary laboratory. Split samples shall then be transferred to a freezer at a secure location approved by the Commission.

14.010.01B a freezer for storage of split samples shall be equipped with two hasps or other devices to provide for use of two independent locks. One lock shall be the property of the Commission and one lock shall be the property of a representative

of the group representing a majority of the horsemen at a race meeting. The locks shall be closed and locked so as to prevent access to the freezer at all times except as specifically provided by these rules.

14.010.01C a freezer for storage of split samples shall be opened only for depositing or removing split samples, for inventory, or for checking the condition of samples.

14.010.01D when a freezer used for storage of split samples is opened, it shall be attended by both a representative of the Commission and the owner, trainer or designee. A log shall be maintained that shall be used each time a split sample freezer is opened to specify each person in attendance, the purpose for opening the freezer, identification of split samples deposited or removed, the date and time the freezer was opened, and the time the freezer was closed and to verify that both locks were secured prior to and after opening of the freezer.

14.010.01E any evidence of a malfunction of a split sample freezer or samples that are not in a frozen condition during storage shall be documented in the log and immediately reported to the official veterinarian or a designated Commission representative.

14.010.02 A trainer or owner of a horse having been notified that a written report from a primary laboratory states that a prohibited substance has been found in a specimen obtained pursuant to these rules may request that a split sample corresponding to the portion of the specimen tested by the primary laboratory be sent to another laboratory approved by the Commission. The request must be made in writing and delivered to the stewards within 1 week after the trainer receives notice of the findings from the primary lab. A split sample will be shipped as soon as packaging can be coordinated between the trainer HBPA and a commission representative.

14.010.03 The owner or trainer requesting testing of a split sample shall be responsible for the cost of shipping and testing. Failure of the owner, trainer or designee to appear at the time and place designated by the official veterinarian shall constitute a waiver of all rights to split sample testing. Prior to shipment, the Commission shall confirm the split sample laboratory's willingness to provide the testing requested, the laboratory's willingness to send results to both the person requesting the testing and the Commission, and arrangements for payment satisfactory to the split sample laboratory. A split sample testing laboratory must be accredited by the Association of Racing Commissioners International and approved by the Commission. If an Association of Racing Commissioners International reference laboratory will accept split samples, that laboratory must be included among the laboratories approved for split sample testing.

14.010.04 Prior to opening the split sample freezer, the Commission shall provide a split sample chain of custody verification form that shall provide a place for recording the following information and such other information as the official veterinarian may require. The form shall be fully completed during the retrieval, packaging, and shipment of the split sample.

Split sample chain of custody form requirements:

14.010.04A the date and time the sample is removed from the split sample freezer;

14.010.04B the sample number;

14.010.04C the address where the split sample is to be sent;

14.010.04D the name of the carrier and the address where the sample is to be taken for shipment;

14.010.04H the date and time custody of the sample is transferred to the carrier. verification of retrieval of the split sample from the freezer; and

14.010.04I the date and time custody of the sample is transferred to the carrier.

14.010.04J Verification of addresses, phone numbers, etc. to send testing results to both the trainer and the Commission.

14.010.05. A split sample shall be removed from the split sample freezer by a Commission representative in the presence of a representative of the horsemen's association.

14.010.06. The owner, trainer or designee shall pack the split sample for shipment in the presence of the representative of the Commission, in accordance with the packaging procedures recommended by the Commission. A form shall be signed by both the horsemen's representative and the Commission representative to confirm the packaging of the split sample. The exterior of the package shall be secured and identified with initialed tape, evidence tape or other means to prevent tampering with the package.

14.010.07 The package containing the split sample shall be transported to the location where custody is transferred to the delivery carrier charged with delivery of the package to the Commission-approved laboratory selected by the owner or trainer.

14.010.08 The owner, trainer or designee and the Commission representative shall inspect the package containing the split sample immediately prior to transfer to the delivery carrier to verify that the package is intact and has not been tampered with.

14.010.09 The split sample chain of custody verification form shall be completed and signed by the representatives of the Commission and the owner or trainer or their representative. A Commission representative shall keep the original and provide a copy for the owner or trainer.

Chapter 15 - CLAIMING RACES

15.001 PURPOSE:

15.001.01 To describe the procedures and requirements for the claiming of horses and the conduct of claiming races.

15.002 GENERAL PROVISIONS

15.002.01 A person entering a horse in a claiming race warrants that the title to said horse is free and clear of any existing claim or lien, either as security interest mortgage, bill of sale, or lien of any kind; unless before entering such horse, the written consent of the holder of the claim or lien has been filed with the stewards and the racing secretary and its entry approved by the stewards. A transfer of ownership arising from a recognized claiming race will terminate any existing prior lease for that horse.

15.002.02 Title to a claimed horse shall be vested in the successful claimant at the time the horse becomes a "starter". The successful claimant shall then become the owner of the horse whether it be alive or dead, sound or unsound or injured at any time during the race or after. However, the successful claimant may request on the claim blank at the time he/she makes the claim that the horse be tested for the presence of equine infectious anemia via a Coggins test, or other test as approved by the official veterinarian. Should this test prove positive, it shall be cause for voiding the claim. The expense of the test and the maintenance of the horse during the period requested for the test, shall be the responsibility of the successful claimant, unless the test proves positive, wherein the owner(s) of the horse at the time of entry shall be responsible.

15.002.03 An in-foal filly or mare shall be eligible to be entered into a claiming race only if the following conditions are fulfilled:

- (a) Full disclosure of such fact is on file with the racing secretary and such information is posted in his/her office;
- (b) The stallion service certificate has been deposited with the racing secretary's office;
- (c) All payments due for the service in question and for any live progeny resulting from that service are paid in full; and
- (d) The release of the stallion service certificate to the successful claimant at the time of claim is guaranteed.

15.002.04 The stewards may set aside and order rescission of a claim for any horse from a claiming race run in this jurisdiction upon a showing that any party to the claim committed a prohibited action, as specified in section 15.005 of this chapter, or that the owner of the horse at the time of entry in the claiming race failed to comply with any requirement of these rules. Should the stewards order a rescission of a claim, they may make a further order for the costs of maintenance and care of the horse, as they may deem appropriate.

15.003 CLAIMING OF HORSES

15.003.01 Any horse starting in a claiming race is subject to be claimed for its entered price by any:

- (a) licensed owner;
- (b) holder of a valid claim certificate; or
- (c) licensed authorized agent acting on behalf of an eligible claimant.

15.003.02 Every horse claimed shall race for the account of the original owner, but title to the horse shall be transferred to the claimant at the time the horse becomes a "starter". The successful claimant shall become the owner of the horse, regardless of whether it is alive or dead, sound or unsound, or injured during or after the race.

15.004 CLAIM CERTIFICATE

15.004.01 An applicant for a claim certificate shall submit to the Commission:

- (a) an application for an owner's license and the required fee; and
- (b) the name of a licensed trainer, or person eligible to be a licensed trainer, who will assume the care and responsibility for any horse claimed.

15.004.02 The stewards shall issue a claim certificate upon satisfactory evidence that the applicant is eligible for an owner's license.

15.004.03 The claim certificate shall expire 30 days after the date of issuance, or upon the claim of a horse, or upon issuance or denial of an owner's license, whichever comes first.

15.004.04 A claim certificate may be renewed by the stewards during the same year.

15.005 PROHIBITIONS

15.005.01 A person shall not claim a horse in which the person has a financial or beneficial interest as an owner or trainer.

15.005.02 A person shall not cause another person to claim a horse for the purpose of obtaining or retaining an undisclosed financial or beneficial interest in the horse.

15.005.03 A person shall not enter into an agreement for the purpose of preventing another person from obtaining a horse in a claiming race.

15.005.04 A person shall not claim a horse, or enter into any agreement to have a horse claimed, on behalf of an ineligible or undisclosed person.

15.005.05 A person shall not claim more than two horses in a race. No authorized agent shall submit more than one claim for the same horse in a race, even if the authorized agent represents several owners.

15.006 PROCEDURE FOR CLAIMING

15.006.01 To make a valid claim for a horse, an eligible person shall:

- (a) have on deposit with the horsemen's bookkeeper an amount equal to the amount of the claim, plus all transfer fees and applicable taxes;
- (b) complete a written claim on a form furnished by the association and approved by the Commission;
- (c) identify the horse to be claimed by the spelling of its name on the certificate of registration or as spelled on the official program;
- (d) place the completed claim form inside a sealed envelope furnished by the association and approved by the Commission;
- (e) have the time of day that the claim is entered recorded on the envelope; and
- (f) have the envelope deposited in the claim box no later than 10 minutes prior to post time of the race for which the claim is entered.

15.006.02 After a claim has been deposited in the claim box, it is irrevocable by the claimant and shall not be withdrawn from the claim box until the time designated by the stewards.

15.006.03 Officials and employees of the association shall not provide any information as to the filing of claims until after the race has been run, except as is necessary for processing of the claim.

15.006.04 If more than one claim is filed on a horse, the successful claim shall be determined by lot conducted by the Stewards or their representatives.

15.006.05 Notwithstanding any designation of sex or age appearing in the racing program or in any racing publication, the claimant of a horse shall be solely responsible for the determination of the sex or age of any horse claimed.

15.007 TRANSFER OF CLAIMED HORSES

15.007.01 Upon successful claim, the stewards shall issue, upon forms approved by the Commission, an authorization of transfer of the horse from the original owner to the claimant. Copies of the transfer authorization shall be forwarded to and maintained by the stewards and the racing secretary. Upon notification by the stewards, the horsemen's bookkeeper shall immediately debit the claimant's account for the claiming price, applicable taxes and transfer fees.

15.007.02 A person shall not refuse to deliver a properly claimed horse to the successful claimant.

15.007.03 Transfer of possession of a claimed horse shall take place immediately after the race has been run unless otherwise directed by the stewards. If the horse is required to be taken to the test barn for post-race testing, the original trainer or his/her representative shall maintain physical custody of the claimed horse and shall observe the testing procedure and sign the test sample tag. The successful claimant or his/her representative shall also accompany the horse to the test barn.

15.007.04 When a horse is claimed out of a claiming race, the horse's engagements are transferred, with the horse, to the claimant.

15.007.05 Any horse so claimed shall not be sold or transferred wholly or in part to anyone for thirty (30) days thereafter, except in another claiming race, nor shall it remain under the control or management of its former owner or trainer for a like period, unless reclaimed. A horse claimed at a Nebraska track shall not be permitted to race at a track outside of Nebraska until after the close of the meeting at which it was claimed, nor shall it race at another Nebraska track, except in stake or handicap races, except by special permission of the stewards at the meeting at which it was claimed. A horse claimed at a Nebraska track shall not be prevented from entering or running in a stake or handicap race at another Nebraska track. Provided, however, that in the period of thirty (30) days after the date of claiming, upon petition of the owner of record or said owner's authorized agent, the Commission may permit or ratify the sale or transfer, in whole or in part of a horse claimed at a Nebraska meeting. This action of the Commission shall be for reasons and under conditions and terms which shall appear sufficient to the Commission. Provided, further, that when a horse is claimed at a recognized meeting under rules which are at variance with this rule, title to such horse shall be recognized in Nebraska to follow the rule of the meeting under which it was claimed. See Statute 2-1220.)

Chapter 16 - TYPES OF RACES

16.001 SWEEPSTAKES

16.001.01 An entry of a horse in a sweepstakes is a subscription to the sweepstakes. An entry or subscription may, before the time of closing be altered or withdrawn. (see Chapter 9.001.37)

16.001.02 Any stakes race may be canceled by the Association, prior to the actual running thereof with no obligation except the return of all paid fees incident thereto.

16.001.03 A horse shall not become a starter for a race unless there has been duly paid, any stakes or entrance money payable in respect to that race.

16.001.04 The nominator is liable for the entrance money or stake, and the death of a horse or a mistake in its entry when eligible, does not release the subscriber or transferee from liability for stakes, and the entrance money to a purse that is run off shall not be returned on the death of a horse or its failure to start for any cause whatever.

16.001.05 In the absence of notice to the contrary, entrance and declarations for sweepstakes, which close during or on the eve of a race meeting, close at the office of the racing secretary, who shall make provision therefore.

16.001.06 When an hour for closing is designated, entries and declarations for sweepstakes cannot be received afterwards; but if an hour is not designated, they may be mailed or telegraphed up to midnight of the day of closing, provided they are received in time for compliance with every other condition of the race.

16.001.07 If a miscarriage of any entry or declaration in a stake is alleged, satisfactory proof that it was mailed or telegraphed must be presented within a reasonable time or it shall not be received.

16.001.08 In stakes races, the number of horses to compete will be limited to the horses duly nominated but not in excess of the number of stalls in the starting gate.

16.002 PRODUCE RACES

16.002.01 In naming an entry for a produce race, the produce is entered by specifying the dam and sire or sires.

16.002.02 If a mare entered in a produce race drops her foal before January 1st, or if she has a dead, or more than one foal, or is barren, the entry of such mare is void.

16.002.03 Entrance money shall be returned if the nominator or transferee notifies the association of proper grounds for voiding an entry in a produce race, in advance of the date specified for such notice in the conditions of the race.

16.002.04 Weight allowances for the produce of untried horses must be claimed at the time of entry, and said allowances are not lost by subsequent winnings, unless so provided by the conditions of the race.

16.002.05 Failure to register a foal shall not exempt the nominator from any liability he may incur under the Rules.

16.002.06 The nominator in produce races, or races in which nominations of foals are made, shall be released from further liability with regard to the entry by filing an acceptable transfer of entry prior to the declaration date stated in the conditions of the race.

16.003 WALK OVER

16.003.01 If, at the time for saddling, only one (1) horse shall have weighed out, that horse shall be ridden past the judges' stand, go to the post, and then move over the course. He shall be deemed the winner.

16.003.02 In case of a walkover, the horse walking over shall receive:

16.003.02A In overnight race, one-half (1/2) of the winner's rightful share of first money. (See Chapter 21.001.04)

16.003.02B In stakes races, one-half (1/2) of the winner's rightful share of the added money and all fees.

16.003.03 In case of a walkover, any money or prize which by the condition of the race would have been awarded to a horse placed second, or lower in the race, shall, if contributed by the owners, be paid to the winner. If a donation from any other source, it shall not be awarded.

16.003.04 In case of walkover of two or more horses and the horses move over the course, these rules apply as to the division of the purse.

16.004 POSTPONEMENT AND CANCELLATION OF RACES

16.004.01 If the whole or a part of a racing program is abandoned, any purse race involved must be declared off. (See Chapter 13.011.10)

16.004.02 If the whole or a part of a racing program is abandoned, any stakes race involved may be postponed or declared off.

16.004.03 If a stakes race is declared off, all subscriptions and fees paid in connection with that race shall be refunded.

16.005 DEAD HEATS

16.005.01 When two or more horses run a dead heat, the dead heat shall not be run off.

16.005.02 The owners of the horses in a dead heat shall divide equally the purse money involved.

16.005.03 If a dead heat is for first place, each horse shall be considered a winner of the amount received according to the preceding rule.

16.005.04 When a dead heat is run for second place and an objection is made to the winner of the race, and sustained, the horses which run the dead heat shall be deemed to have run a dead heat for first place. However, in any instance in which a dead heat is run, the dead heat may only be split when an objection is made to one or more of the horses involved in a dead heat and sustained.

16.005.05 Owners shall divide equally all monies and other prizes and if no agreement can be reached as to which of them shall receive a cup, plate or other indivisible prize, they shall draw lots for it in the presence of one or more of the stewards.

16.005.06 In case of a dead heat for "win" each of the horses involved is a winner for the purpose of these rules.

Chapter 17 - RACE PROCEDURES

17.001 Paddock to Post

17.001.01 In a race each horse shall carry a conspicuous saddlecloth number and a head number, corresponding to his number on the official program. In the case of any entry each horse making up the entry shall carry the same number (head and saddlecloth) with a distinguishing letter. For example, 1-1A, 1X. In the case of field, the horses comprising the field shall carry an individual number; i.e. 10, 11, 12 and so on or 10, 10A, 10B and so on.

17.001.02 Horses must be in the paddock at least fifteen (15) minutes before post time.

17.001.03 Every horse must be saddled in the paddock unless special permission has been granted by the stewards to saddle elsewhere.

17.001.04 After entering the track not more than twelve (12) minutes shall be consumed in the parade of the horses to the post except in cases of unavoidable delay. After passing the stand once, horses will be allowed to break formation and canter, warm up or go as they please to the post unless otherwise directed by the stewards. When horses have reached the post, they will be started without unnecessary delay.

17.001.05 After the horses enter the track, no jockey shall dismount and no horse shall be entitled to the care of an attendant without the consent of the stewards or the starter and the horse must be free of all hands other than those of the jockey or assistant starter before the starter releases the barrier.

17.001.06 In case of accident to a jockey or to his or her mount or equipment, the stewards or the starter may permit the jockey to dismount and the horse to be cared for during the delay, and may permit all jockeys to dismount and all horses to be attended during the delay.

17.001.07 If a jockey is thrown on the way from the paddock to the post, the horse must be remounted, return to the point where the jockey was thrown and then proceed over the route of the parade to the post. Horse must carry his assigned weight from paddock to post and from post to finish.

17.001.08 If the jockey is so injured on the way to the post as to require another jockey, the horse shall be taken to the paddock, another jockey obtained, and then ridden over an uncompleted portion of the exact route of the parade to the starting point.

17.001.09 If a horse leaves the course while moving from paddock to post, he shall return to the course at the nearest practical point to that at which he left the course, and shall complete his parade to the post from the point at which he left the course.

17.001.10 No person shall willfully delay the arrival of a horse at the post.

17.001.11 Only the jockey may strike a horse in assisting it in getting a start. No person other than the rider, starter or assistant starter, shall be permitted to shout or otherwise assist the horse in getting a start. The gate judge, track veterinarian, or others may assist at the direction of the starter.

17.002 POST TO FINISH

17.002.01 When clear, a horse may be taken to any part of the course but no horse shall cross or weave in front of other horses in such a way as to impede them or constitute or cause interference or intimidation.

17.002.02 During a race, no jockey shall willfully strike, strike at or touch another jockey or another jockey's horse or equipment, or jostle another horse for the purpose of interfering with that horse or jockey.

17.002.03 No jockey shall unnecessarily cause his or her horse to shorten his stride in an attempt to influence the stewards to disqualify another horse.

17.002.04 Unless the stewards determine that a foul did not affect the outcome of a race, the stewards shall place the horse who has committed a foul behind such horses as in their judgment were fouled by the offending horse, or they may place it last.

17.002.05 All horses shall be ridden out in every race and must carry their assigned weight from post to finish.

All horses and jockeys are expected to give their best efforts in races in which they ride and any instructions or advice to jockeys to ride or handle their mounts otherwise than for the purpose of winning are forbidden and will subject all persons giving or following such instructions or advice to disciplinary action by the stewards and Commission.

17.002.06 If two (2) horses run in one interest in any race, each shall give his best effort. The practice of declaring to win with one or the other of such horses will not be allowed.

17.002.07 If a horse during the running of a race, becomes crippled or otherwise obviously unable to finish (broken bone or profuse bleeding or any other equally disabling condition) he shall be dismounted,

unsaddled and removed from the track without passing the stand and furthermore he shall under no circumstances be destroyed on the track or in the presence of the public, without the permission of the stewards.

17.002.07A If a bone is broken, horse will remain on the track until horse ambulance arrives and removes him. (See Chapter 3.005.03)

17.002.07B If destruction of an animal is determined as necessary, said destruction will be accomplished by the track veterinarian in a place out of vision of the public, and, its removal after destruction shall be the responsibility of the veterinarian. (See Chapter 14.001.09)

17.002.07C If destruction of an animal is determined necessary, said destruction will be accomplished by the track veterinarian through the use of a needle only.

17.002.07D Jockey will not be required to weigh in.

17.003 POST POSITION

17.003.01 Post position shall be determined by lot in the presence of the racing secretary or a deputy. (See Chapter 13.011.05)

17.003.02 Beginning from the inside rail, the horses shall take their positions at the post in keeping with the numerical order resulting from public drawing; however, if deemed necessary by the Stewards they may remove an unruly horse from an inside position and place him on the outside. (See Chapter 13.010.10)

Chapter 18 - ILLEGAL AND CORRUPT PRACTICES

18.001 All persons guilty of any dishonest or corrupt practices, fraudulent acts, or other conduct detrimental to racing, including bookmaking or touting, committed while within or without any racing enclosure, either a licensee or not, shall be ruled off all racing enclosures under the jurisdiction of the Commission and it shall be the duty of the Stewards and those authorized by them to exclude from all places under their jurisdiction persons who commit such offenses or are so ruled off. (See Statute 2-1220.)

18.002 No racing official or assistant, no owner, trainer, jockey, agent, no person having charge of or access to any race horse, nor any other person shall accept or offer to accept on his or her own behalf or on behalf of another, any bribe, gift or gratuity in any form. (See Chapter 13.001.09 and 13.010.05)

18.003 No person shall give, offer, or promise, directly or indirectly, either in his or her own behalf or in behalf of another, any bribe, gift or gratuity in any form. (See Chapter 13.010.05)

18.004 No person shall offer or receive money or any other benefit for declaring an entry from a race, or for not entering a race.

18.005 No person shall conspire with any other person for the commission of, or connive with any other person in any corrupt or fraudulent practice in relation to racing nor shall he or she commit such an act on his or her own account. (See Statute 2-1220, 2-1217 and 2-1218.)

18.006 No person shall make a bet for the account of any jockey except the owner or trainer of the horse the jockey is riding, and then only on said horse.

18.007 No person shall offer or give a jockey any money or other benefit in relation to a race, unless said person is the owner or trainer of the horse ridden in said race by said jockey.

18.008 Any person who has been convicted of illegal possession, sale or giving away of narcotics, or a controlled substance, or who has had a ruling in this or another racing jurisdiction for possession or use of narcotics or a controlled substance may be denied a license and/or excluded from the grounds of any Association.

18.009 No person shall have in his/her possession within the enclosure on the grounds of an association licensed for racing or simulcasting any equipment, products or materials of any kind which are used or intended for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling or otherwise introducing into the human body a controlled dangerous substance.

18.010 Any action or substance, drugs, or otherwise, which may interfere with the testing procedure is forbidden.

18.011 The trainer is the absolute insurer of the condition of horses entered in an official workout or race and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horses. A positive test for a prohibited substance, or the presence of permitted medication in excess of maximum allowable levels, as reported by an official laboratory approved by the commission shall be prima facie evidence of a violation of this rule.

18.011.01 Owners, assistant trainers, grooms, practicing veterinarians, or any other persons who cared for, or attended the horse may also be held responsible for any violation of this rule and be subject to the same penalties as the trainer.

18.011.02 Upon a finding of a violation, the stewards shall consider the currently established "Uniform Classification Guidelines for Foreign Substances", and the "Recommended Penalties promulgated by the Association of Racing Commissioners International (RCI) Drug Testing Standards and Practices (DTSP) and impose penalties and disciplinary measures consistent with the recommendations contained therein. The stewards shall also consult with the official veterinarian to determine the nature and seriousness of the laboratory finding or the medication violation and if the violation was a result of the administration of a therapeutic medication as documented in a practicing veterinarian's report received per Chapter 14.001.02 et. seq. Provided, however, that in the event a majority of the Stewards determine that mitigating circumstances require imposition of a lesser penalty they may impose the lesser penalty. In the event a majority of the Stewards wish to impose a greater penalty or a penalty in excess of the authority granted them, then, and in such event, they may impose the maximum penalty authorized and refer the matter to the Commission with specific recommendations for further action. In determining if there are

mitigating circumstances surrounding a medication violation the stewards shall consider at least the following:

- (1) The past record of the trainer in drug cases;
- (2) The potential of the drug(s) to influence a horse's racing performance;
- (3) The availability of the drug;
- (4) Whether there is reason to believe the responsible party knew of the administration of the drug use;
- (5) The steps taken by the trainer to safeguard the horse;
- (6) The probability of environmental contamination or inadvertent exposure due to human drug use;
- (7) The purse of the race;
- (8) Whether the drug found was one for which the horse was receiving a treatment as determined by the Veterinarian Report(s), and;
- (9) Whether there was any suspicious betting pattern in the race.

**Association of Racing Commissioners International
Drug Testing Standards and Practices Program
Uniform Classification Guidelines for Foreign Substances
(as Revised August 3, 2003)**

The following outline describes the types of substances placed in each category. This list shall be publicly posted in the offices of the official veterinarian and the racing secretary.

Class 1

Opiates, opium derivatives, synthetic opioids, psychoactive drugs, amphetamines and U.S. Drug Enforcement Agency (DEA) scheduled I and II drugs. Also found in this class are drugs which are potent stimulants of the nervous system. Drugs in this class have no generally accepted medical use in the racehorse and their pharmacological potential for altering the performance of a race is very high.

Class 2

Drugs in this category have a high potential for affecting the outcome of a race. Most are not generally accepted as therapeutic agents in the racehorse. Many are products intended to alter consciousness or the psychic state of humans, and have no approved or indicated use in the horse. Some, such as injectable local anesthetics, have legitimate use in equine medicine, but should not be found in a racehorse. The following groups of drugs are in this class:

- (a) Opiate partial agonists, or agonist-antagonists;
- (b) Non-opiate psychotropic drugs, which may have stimulant, depressant, analgesic or neuroleptic effects;
- (c) Miscellaneous drugs which might have a stimulant effect on the central nervous system (CNS);
- (d) Drugs with prominent CNS depressant action;
- (e) Antidepressant and antipsychotic drugs, with or without prominent CNS stimulatory or depressant effects;
- (f) Muscle blocking drugs which have a direct neuromuscular blocking action;
- (g) Local anesthetics which have a reasonable potential for use as nerve blocking agents (except procaine); and
- (h) Snake venoms and other biologic substances, which may be used as nerve blocking agents.

Class 3

Drugs in this class may or may not have an accepted therapeutic use in the horse. Many are drugs that affect the cardiovascular, pulmonary and

autonomic nervous systems. They all have the potential of affecting the performance of a racehorse. The following groups of drugs are in this class:

- (a) Drugs affecting the autonomic nervous system which do not have prominent CNS effects, but which do have prominent cardiovascular or respiratory system effects (bronchodilators are included in this class);
- (b) A local anesthetic which has nerve blocking potential but also has a high potential for producing urine residue levels from a method of use not related to the anesthetic effect of the drug (procaine);
- (c) Miscellaneous drugs with mild sedative action, such as the sleep inducing antihistamines;
- (d) Primary vasodilating/hypotensive agents; and
- (e) Potent diuretics affecting renal function and body fluid composition.

Class 4

This category is comprised primarily of therapeutic medications routinely used in racehorses. These may influence performance, but generally have a more limited ability to do so. Groups of drugs assigned to this category include the following:

- (a) Non-opiate drugs which have a mild central analgesic effect;
- (b) Drugs affecting the autonomic nervous system which do not have prominent CNS, cardiovascular or respiratory effects
 - (i) Drugs used solely as topical vasoconstrictors or decongestants
 - (ii) Drugs used as gastrointestinal antispasmodics
 - (iii) Drugs used to void the urinary bladder
 - (iv) Drugs with a major effect on CNS vasculature or smooth muscle of visceral organs.
 - (v) Antihistamines which do not have a significant CNS depressant effect (This does not include H1 blocking agents, which are listed in Class 5);
- (c) Mineralocorticoid drugs;
- (d) Skeletal muscle relaxants;

- (h) the amount or amounts of the contributions to the pari-mutuel pool or pools for which the ticket is evidence.

(2) No pari-mutuel ticket recorded or reported as previously paid, cancelled, or non-existent shall be deemed a valid pari-mutuel ticket by the association. The association may withhold payment and refuse to cash any pari-mutuel ticket deemed not valid.

(3) After one full year immediately following the date of purchase, no pari-mutuel ticket shall be eligible for redemption or payment by any association.

23.001.04 PARI-MUTUEL TICKET SALES AND CANCELLATIONS

(1) Pari-mutuel tickets shall not be sold by anyone other than an association licensed to conduct pari-mutuel wagering.

(2) No pari-mutuel ticket may be sold on a contest for which wagering has already been closed and no association shall be responsible for ticket sales entered into but not completed by issuance of a ticket before the totalisator is closed for wagering on such contest.

(3) Claims pertaining to a mistake on an issued or unissued ticket must be made by the bettor prior to leaving the seller's window.

(4) Payment on winning pari-mutuel wagers shall be made on the basis of the order of finish as purposely posted and declared "official". Any subsequent change in the order of finish or award of purse money as may result from a subsequent ruling by the stewards or Commission shall in no way affect the pari-mutuel payoff. If an error in the posted order of finish or payoff figures is discovered, the official order of finish or payoff prices may be corrected and an announcement concerning the change shall be made to the public.

- (5) The association shall have no obligation to enter a wager into a betting pool if unable to do so due to equipment failure.
- (6) No pari-mutuel ticket shall be sold to any person under nineteen years of age
- (7) No pari-mutuel ticket shall be sold to a licensed jockey.
- (8) No person or corporations shall directly or indirectly purchase pari-mutuel tickets or participate in the purchase of any part of a pari-mutuel pool for another for hire or for any gratuity.
- (9) A procedure that can permit the cancellation of pari-mutuel tickets after the close of wagering may only be used with the prior approval of the Commission. The Commission may approve the procedure upon compliance with the following:
- (a) The association responsible for contracting for the totalizator services must submit a written request to the Commission at least ten days prior to the adoption of any such procedure. The request must include a detailed explanation of the proposed procedure, the effect that said procedure has on the operation of the totalizator system, and the related policies and procedures that the association has with respect to the responsibility of the pari-mutuel clerks who process the cancellations.
 - (b) The period allowed for the cancellation of tickets may not exceed ten (10) seconds or such lesser time as the Commission may establish.
 - (c) The totalizator company shall furnish to the Commission within twenty-four (24) hours of the last contest of each program a report specifically identifying the mutuel clerk, the teller window, the exact time of the close of wagering for that contest, the exact time of the cancellation, the details of the ticket, including: the amount of the wager, the wager type and the contestant numbers, for each cancellation after the close of wagering for the contest.
 - (d) Cancellation of a pari-mutuel ticket after the close of wagering shall be restricted to the tickets sold to the customer at the tellers window immediately prior to the close of wagering.
 - (e) Every transaction involving the cancellation of a pari-mutuel ticket after the close of wagering shall be accompanied by a written explanation from the pari-mutuel teller, a copy of which shall be forwarded to the commission. The explanation shall include the circumstances which resulted in the cancellation.

23.001.05 ADVANCE PERFORMANCE WAGERING

No association shall permit wagering to begin more than one hour before scheduled post time of the first contest of a performance unless it has first obtained the authorization of the Commission.

23.001.06 CLAIMS FOR PAYMENT FROM PARI-MUTUEL POOL

At a designated location, a written, verified claim for payment from a pari-mutuel pool shall be accepted by the association in any case where the association has withheld payment or has refused to cash a pari-mutuel wager. The claim shall be made on such form as approved by the Commission, and the claimant shall make such claim under penalty of perjury. The original of such claim shall be retained by the association for one year.

(1) In the case of a claim made for payment of a mutilated pari-mutuel ticket which does not contain the total imprinted elements required in rule 23.001.03 (1) of these general provisions, the association shall make a recommendation to accompany the claim as to whether or not the mutilated ticket has sufficient elements to be positively identified as a winning ticket.

(2) In the case of a claim made for payment on a pari-mutuel wager, the Commission shall adjudicate the claim and may order payment thereon from the pari-mutuel pool or by the association, or may deny the claim, or may make such other order as it may deem proper.

23.001.07 PAYMENT FOR ERRORS

If an error occurs in the payment amounts for pari-mutuel wagers which are cashed or entitled to be cashed; and as a result of such error the pari-mutuel pool involved in the error is not correctly distributed among winning ticket holders, the following shall apply:

(1) Verification is required to show that the amount of the commission, the amount in breakage, and the amount in payoffs is equal to the total gross pool. If the amount of the pool is more than the amount used to calculate the payoff, the underpayment shall be added to the corresponding pool of the next performance. If underpayments are discovered after the close of the meeting, the underpayments shall be held in an interest-bearing account approved by the Commission until being added, together with accrued interest, to the corresponding pool of the next meet. If the association does not conduct another race meet, any underpayment plus interest shall be held until a written order is received from the Commission specifying a distribution to be included in pari-mutuel pools at one or more other licensed race meets.

(2) In the event the error results in an overpayment to winning wagers, the association shall be responsible for such payment.

(3) The pari-mutuel manager shall provide the Commission a written report as to the erroneous payments and the specific actions taken pursuant to the above rules.

23.001.08 BETTING EXPLANATION

(1) The rules of racing relative to each type of pari-mutuel pool offered must be available upon request through association representatives. A summary explanation of pari-mutuel wagering and each type of betting pool offered, and a notice as to the availability of the rules of racing relative to pari-mutuel pools, shall be published in the program for every wagering performance.

(2) The individual pari-mutuel pools may be given alternative names by each association, provided prior approval is obtained from the Commission.

23.001.09 DISPLAY OF BETTING INFORMATION

(1) Approximate odds for Win pool betting shall be posted on a "tote board" or other display devices in a manner approved by the Commission within view of the wagering public and updated at intervals of not more than 60 seconds.

(2) The probable payoff or amounts wagered, in total and on each betting interest, for other pools may be displayed to the wagering public at intervals and in a manner approved by the Commission.

(3) Official results and payoffs must be displayed upon each contest being declared official.

23.001.10 CANCELLED CONTESTS

If a contest is cancelled or declared "no contest", refunds shall be granted on valid wagers in accordance with these rules.

23.001.11 REFUNDS

(1) Notwithstanding other provisions of these rules, refunds of the entire pool shall be made on:

(a) Win pools, Exacta pools, and first-half Double pools offered in contests in which the number of betting interests has been reduced to fewer than two (2).

(b) Place pools, Quinella pools, Trifecta pools, first-half Quinella Double pools, first-half Twin Quinella pools, first-half Twin Trifecta pools, and first-half Tri-Superfecta pools offered in contests in which the number of betting interests has been reduced to fewer than three (3).

(c) Show pools, Superfecta pools, and first-half Twin Superfecta pools offered in contests in which the number of betting interests has been reduced to fewer than four (4).

(2) In all cases when a horse has been excused by the Stewards after wagering has started but before "off-time", all money wagered on the horse so excused shall be deducted from the pool and be refunded.

(3) If a horse is left at the post at "off-time", there shall be no refund, but if one horse or more is prevented from leaving the post at "off-time" because of being locked in the gate, the Starter shall immediately notify the Stewards, who in turn shall immediately notify the manager of the pari-mutuel department. The Starter shall be the sole judge of what horse or horses are prevented from starting in a race through failure of the gates to open (See Chapter 13-010.23).

(4) If no horse finishes in a race all money wagered on that race shall be refunded.

(5) If two or more horses in a race are coupled on the same mutuel ticket, there shall be no refunds, unless all of the horses so coupled are excused before "off-time", or all of the horses so coupled are left locked in the gate.

(6) If a race is declared off by the Stewards after wagering begins on that race, all money wagered on that race shall be refunded.

(7) Authorized refunds shall be paid upon presentation and surrender of the affected pari-mutuel ticket.

23.001.12 COUPLED ENTRIES AND MUTUEL FIELDS

(1) A COUPLED ENTRY is two or more contestants in a race that are "coupled" as a single betting interest due to common ties involving ownership, financial interests, or training.

(2) A MUTUEL FIELD is a common betting interest that is established when the number of contestants in an event exceeds the capacity of the totalizator system. A wager on one is a wager on all.

(3) Contestants coupled in wagering as a coupled entry or mutuel field shall be considered part of a single betting interest for the purpose of price calculations and distribution of pools. Should any contestant in a coupled entry or mutuel field be officially withdrawn or scratched, the remaining contestants in that coupled entry or mutuel field shall remain valid betting interests and no refunds will be granted. If all contestants within a coupled entry or mutuel field are scratched, then tickets on such betting interests shall be refunded, notwithstanding other provisions of these rules.

(4) For the purpose of price calculations only, coupled entries and mutuel fields shall be calculated as a single finisher, using the finishing position of the leading contestant in that coupled entry or mutuel field to determine order of placing. This rule shall apply to all circumstances, including situations involving a dead heat, except as otherwise provided by these rules.

23.001.13 POOLS DEPENDENT UPON BETTING INTERESTS

(G) shall, upon discharging an employee or the resignation of an employee, immediately report same to the Commission. (2) A host association is responsible for content of the simulcast and shall use all reasonable effort to present a simulcast which offers the viewers an exemplary depiction of each performance.

(3) Unless otherwise permitted by the Commission, every simulcast will contain in its video content a digital display of actual time of day, the name of the host facility from where it emanates, the number of the contest being displayed, and any other relevant information available to patrons at the host facility.

23.003.02 DUTIES OF AUTHORIZED RECEIVER

(2) An authorized receiver shall provide:

(a) adequate transmitting and receiving equipment of acceptable broadcast quality, which shall not interfere with the closed circuit TV system of the host association for providing any host facility patron information.

(b) pari-mutuel terminals, pari-mutuel odds displays, modems and switching units enabling pari-mutuel data transmissions, and data communications between the host and guest associations.

(3) The guest association and all authorized receivers shall conduct pari-mutuel wagering pursuant to the applicable Commission rules.

(4) The Commission may appoint at least one designee to supervise all approved simulcast facilities and may require additional designees as is reasonably necessary for the protection of the public interest.

(5) Not less than 30 minutes prior to the commencement of transmission of the performance of pari-mutuel contests for each day or night, the guest association shall initiate a test program of its transmitter, encryption and decoding, and data communication to assure proper operation of the system.

23.004 INTERSTATE COMMON POOL WAGERING

23.004.01 GENERAL

- (1) All contracts governing participation in interstate common pools shall be submitted to the Commission for approval.
- (2) Individual wagering transactions are made at the point of sale in the state where placed. Pari-mutuel pools are combined for computing odds and calculating payoffs and breakage, but will be held separate for auditing and all other purposes.
- (3) Any surcharges or withholdings in addition to the takeout shall only be applied in the jurisdiction otherwise imposing such surcharges or withholdings.
- (4) In determining whether to approve an interstate common pool which does not include the host track, the Commission shall consider and may approve use of a bet type which is not utilized at the host track, application of a takeout rate not in effect at the host track, or other factors which are presented to the Commission.
- (5) The content and format of the visual display of racing and wagering information at facilities in other jurisdictions where wagering is permitted in the interstate common pool need not be identical to the similar information permitted or required to be displayed under these rules.
- (6) No contract governing participation in interstate common pools shall be approved by the Commission unless it has been approved by the Horsemen's Benevolent and Protective Association or the organization representing a majority of horsemen at the sending or receiving Nebraska track. Any objections to a proposed contract shall be timely made, or deemed to be waived, and shall not be unreasonably withheld.

23.004.02 GUEST STATE PARTICIPATION IN INTERSTATE COMMON POOLS

- (1) With the prior approval of the Commission, pari-mutuel wagering pools may be combined with corresponding wagering pools in the host state, or with corresponding pools established by one or more other jurisdictions.
- (2) The Commission may permit adjustment of the takeout from the pari-mutuel pool so that the takeout rate in this jurisdiction is identical to that at the host track, or identical to that of other jurisdictions participating in a merged pool.
- (3) Where takeout rates in the merged pool are not identical, the net price calculation shall be the method by which the differing takeout rates are applied.
- (4) Rules established in the state of the host association designated for a pari-mutuel pool shall apply.
- (5) The commission shall approve agreements made between the association and other participants in interstate common pools governing the distribution of breakage between the jurisdictions.

(6) If, for any reason, it becomes impossible to successfully merge the bets placed into the interstate common pool, the association shall make payoffs in accordance with payoff prices that would have been in effect if prices for the pool of bets were calculated without regard to wagers placed elsewhere; except that, with permission of the Commission, the association may alternatively determine to either pay winning tickets at the payoff prices at the host track, or declare such accepted bets void and make refunds in accordance with the applicable rules.

23.004.03 HOST STATE PARTICIPATION IN MERGED POOLS

(1) With the prior approval of the Commission, an association licensed to conduct pari-mutuel wagering may determine that one or more of its contests be utilized for pari-mutuel wagering at guest facilities in other states, and may also determine that pari-mutuel pools in guest states be combined with corresponding wagering pools established by it as the host track or comparable wagering pools established by two or more states.

(2) Where takeout rates in the merged pool are not identical, the net price calculation shall be the method by which the differing takeout rates are applied.

(3) Rules of racing established for races held in this state shall also apply to interstate common pools unless the Commission shall have specifically otherwise determined.

(4) The Commission shall approve agreements made between the association and other participants in interstate common pools governing the distribution of breakage between the jurisdictions.

(5) Any contract for interstate common pools entered into by the association shall contain a provision to the effect that if, for any reason, it becomes impossible to successfully merge the bets placed in another state into the interstate common pool formed by the association, or if, for any reason, the Commission's or the association's representative determines that attempting to effect transfer of pool data from the guest state may endanger the association's wagering pool, the association shall have no liability for any measures taken which may result in the guest's wagers not being accepted into the pool.

23.004.04 TAKEOUT RATES IN INTERSTATE COMMON POOLS

(1) To the extent permitted by state law, and with the prior approval of the Commission, an association wishing to participate in an interstate common pool may change its takeout rate so as to achieve a common takeout rate with all other participants in the interstate common pool.

(2) An association wishing to participate in an interstate common pool may request that the Commission approve a methodology whereby host and guest states with different takeout rates for corresponding pari-mutuel pools may effectively and equitably combine wagers from the different states into an interstate common pool.

23.005 CALCULATION OF PAYOFFS AND DISTRIBUTION OF POOLS

23.005.01 GENERAL

(1) All permitted pari-mutuel wagering pools shall be separately and independently calculated and distributed. Takeout shall be deducted from each gross pool as stipulated by law. The remainder of the monies in the pool shall constitute the net pool for distribution as payoff on winning wagers.

(2) For each wagering pool, the amount wagered on the winning betting interest or betting combinations is deducted from the net pool to determine the profit; the profit is then divided by the amount wagered on the winning betting interest or combinations, such quotient being the "profit per dollar".

(3) A "profit split" calculation shall be used to determine a unique profit per dollar for each winning betting interest or betting combination when more than one such betting interest or betting combination is entitled to a portion of a pari-mutuel pool, except for those pari-mutuel pools where the rules specify a single price pool.

(4) Each association shall distribute to the holders of winning tickets the next lowest multiple of ten cents for each dollar wagered based on the profit per dollar calculation, except in the case of a "minus pool".

(5) A minus pool exists when the profit per dollar calculation is less than ten cents. When a minus pool occurs the association may distribute \$1.10 for each dollar wagered, and shall distribute not less than \$1.05 cents for each dollar wagered.

(6) The odds cents not distributed to holders of winning tickets pursuant to rule 23.005.01 subsection (4) and (5) shall be referred to as "breakage". Breakage shall be retained by the association.

(7) Either the standard or net price calculation procedure may be used to calculate single commission pools, while the net price calculation procedure must be used to calculate multi-commission pools.

(a) Standard Price Calculation Procedure

SINGLE PRICE POOL (WIN POOL)

gross pool	= sum of wagers on all betting interests - refunds
takeout	= gross pool x percent takeout
net pool	= gross pool - takeout
profit	= net pool - gross amount bet on winner
profit per dollar	= profit / gross amount bet on winner
\$1 unbroken price	= profit per dollar + \$1
\$1 broken price	= \$1 unbroken price rounded down to the break point

total payout = \$1 broken price x gross amount
bet on winner
total breakage = net pool - total payout

PROFIT SPLIT (PLACE POOL)

Profit is net pool less gross amount bet on all place finishers. Finishers split profit 1/2 and 1/2 (place profit), then divide by gross amount bet on each place finisher for two unique prices.

PROFIT SPLIT (SHOW POOL)

Profit is net pool less gross amount bet on all show finishers. Finishers split profit 1/3 and 1/3 and 1/3 (show profit), then divide by gross amount bet on each show finisher for three unique prices.

(b) Net Price Calculation Procedure

SINGLE PRICE POOL (WIN POOL)

gross pool = sum of wagers on all betting interests
- refunds
takeout = gross pool x percent takeout
* for each source:
net pool = gross pool - takeout
net bet on winner = gross amount bet on winner x (1 - percent takeout)
total net pool = sum of all sources net pools
total net bet on winner = sum of all sources net bet on winner
total profit = total net pool - total net bet on winner
profit per dollar = total profit / total net bet on winner
\$1 unbroken base price = profit per dollar + \$1
* for each source:
\$1 unbroken price = \$1 unbroken base price x (1 - percent takeout)
\$1 broken price = \$1 unbroken price rounded down to the break point
total payout = \$1 broken price x gross amount bet on winner
total breakage = net pool - total payout

PROFIT SPLIT (PLACE POOL)

Total profit is the total net pool less the total net amount bet on all place finishers. Finishers split total profit 1/2 and 1/2 (place profit), then divide by total net amount bet on each place finisher for two unique unbroken base prices.

PROFIT SPLIT (SHOW POOL)

Total profit is the total net pool less the total net amount bet on all show finishers. Finishers split total profit 1/3 and 1/3 and 1/3 (show profit), then divide by total net amount bet on each show finisher for three unique unbroken base prices.

23.005.02 WIN POOLS

- (1) The amount wagered on the betting interest which finishes first is deducted from the net pool, the balance remaining being the profit; the profit is divided by the amount wagered on the betting interest finishing first, such quotient being the profit per dollar wagered to Win on that betting interest.
- (2) The net Win pool shall be distributed as a single price pool to winning wagers in the following precedence, based upon the official order of finish:
- (a) To those whose selection finished first; but if there are no such wagers, then
 - (b) To those whose selection finished second; but if there are no such wagers, then
 - (c) To those whose selection finished third; but if there are no such wagers, then
 - (d) The entire pool shall be refunded on Win wagers for that contest.
- (3) If there is a dead heat for first involving:
- (a) contestants representing the same betting interest, the Win pool shall be distributed as if no dead heat occurred.
 - (b) contestants representing two or more betting interests, the Win pool shall be distributed as a profit split.

23.005.03 PLACE POOLS

- (1) The amounts wagered to Place on the first two betting interests to finish are deducted from the net pool, the balance remaining being the profit; the profit is divided into two equal portions, one being assigned to each winning betting interest and divided by the amount wagered to Place on that betting interest, the resulting quotient is the profit per dollar wagered to Place on that betting interest.
- (2) The net Place pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:
 - (a) If contestants of a coupled entry or mutuel field finished in the first two places, as a single price pool to those who selected the coupled entry or mutuel field; otherwise
 - (b) As a profit split to those whose selection is included within the first two finishers; but if there are no such wagers on one of those two finishers, then
 - (c) As a single price pool to those who selected the one covered betting interest included within the first two finishers; but if there are no such wagers, then
 - (d) As a single price pool to those who selected the third-place finisher; but if there are no such wagers, then
 - (e) The entire pool shall be refunded on Place wagers for that contest.
- (3) If there is a dead heat for first involving:
 - (a) contestants representing the same betting interest, the Place pool shall be distributed as a single price pool.
 - (b) contestants representing two or more betting interests, the Place pool shall be distributed as a profit split.
- (4) If there is a dead heat for second involving:
 - (a) contestants representing the same betting interest, the Place pool shall be distributed as if no dead heat occurred.
 - (b) contestants representing two or more betting interests, the Place pool is divided with one-half (1/2) of the profit distributed to Place wagers on the betting interest finishing first and the remainder is distributed equally amongst Place wagers on those betting interests involved in the dead heat for second.

23.005.04 SHOW POOLS

- (1) The amounts wagered to Show on the first three betting interests to finish are deducted from the net pool, the balance remaining being the profit; the profit is divided into three equal portions, one being assigned to each winning betting interest and divided by the amount wagered to Show on that betting interest, the resulting quotient being the profit per dollar wagered to Show on that betting interest.
- (2) The net Show pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:
 - (a) If contestants of a coupled entry or mutuel field finished in the first three places, as a single price pool to those who selected the coupled entry or mutuel field; otherwise
 - (b) If contestants of a coupled entry or mutuel field finished as two of the first three finishers, the profit is divided with two-thirds (2/3) distributed to those who selected the coupled entry or mutuel field and one-third (1/3) distributed to those who selected the other betting interest included within the first three finishers; otherwise

(c) As a profit split to those whose selection is included within the first three finishers; but if there are no such wagers on one of those three finishers, then

(d) As a profit split to those who selected one of the two covered betting interests included within the first three finishers; but if there are no such wagers on two of those three finishers, then

(e) As a single price pool to those who selected the one covered betting interest included within the first three finishers; but if there are no such wagers, then

(f) As a single price pool to those who selected the fourth-place finisher; but if there are no such wagers, then

(g) The entire pool shall be refunded on Show wagers for that contest.

(3) If there is a dead heat for first involving:

(a) two contestants representing the same betting interest, the profit is divided with two-thirds (2/3) distributed to those who selected the first-place finishers and one-third (1/3) distributed to those who selected the betting interest finishing third.

(b) three contestants representing a single betting interest, the Show pool shall be distributed as a single price pool.

(c) contestants representing two or more betting interests, the Show pool shall be distributed as a profit split.

(4) If there is a dead heat for second involving:

(a) contestants representing the same betting interest, the profit is divided with one-third (1/3) distributed to those who selected the betting interest finishing first and two-thirds (2/3) distributed to those who selected the second-place finishers.

(b) contestants representing two betting interests, the Show pool shall be distributed as a profit split.

(c) contestants representing three betting interests, the Show pool is divided with one-third (1/3) of the profit distributed to Show wagers on the betting interest finishing first and the remainder is distributed equally amongst Show wagers on those betting interests involved in the dead heat for second.

(5) If there is a dead heat for third involving:

(a) contestants representing the same betting interest, the Show pool shall be distributed as if no dead heat occurred.

(b) contestants representing two or more betting interests, the Show pool is divided with two-thirds (2/3) of the profit distributed to Show wagers on the betting interests finishing first and second and the remainder is distributed equally amongst Show wagers on those betting interests involved in the dead heat for third.

23.005.05 DOUBLE POOLS

- (1) The Double requires selection of the first-place finisher in each of two specified contests.
- (2) The net Double pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:

- (a) As a single price pool to those whose selection finished first in each of the two contests; but if there are no such wagers, then
 - (b) As a profit split to those who selected the first-place finisher in either of the two contests; but if there are no such wagers, then
 - (c) As a single price pool to those who selected the one covered first-place finisher in either contest; but if there are no such wagers, then
 - (d) As a single price pool to those whose selection finished second in each of the two contests; but if there are no such wagers, then
 - (e) The entire pool shall be refunded on Double wagers for those contests.
- (3) If there is a dead heat for first in either of the two contests involving:
- (a) contestants representing the same betting interest, the Double pool shall be distributed as if no dead heat occurred.
 - (b) contestants representing two or more betting interests, the Double pool shall be distributed as a profit split if there is more than one covered winning combination.
- (4) Should a betting interest in the first-half of the Double be scratched prior to the first Double contest being declared official, all money wagered on combinations including the scratched betting interest shall be deducted from the Double pool and refunded.
- (5) Should a betting interest in the second-half of the Double be scratched prior to the close of wagering on the first Double contest, all money wagered on combinations including the scratched betting interest shall be deducted from the Double pool and refunded.
- (6) Should a betting interest in the second-half of the Double be scratched after the close of wagering on the first Double contest, all wagers combining the winner of the first contest with the scratched betting interest in the second contest shall be allocated a consolation payoff. In calculating the consolation payoff the net Double pool shall be divided by the total amount wagered on the winner of the first contest and an unbroken consolation price obtained. The broken consolation price is multiplied by the dollar value of wagers on the winner of the first contest combined with the scratched betting interest to obtain the consolation payoff. Breakage is not utilized in this calculation. The consolation payoff is deducted from the net Double pool before calculation and distribution of the winning Double payoff. Dead heats including separate betting interests in the first contest shall result in a consolation payoff calculated as a profit split.
- (7) If either of the Double contests are cancelled prior to the first Double contest, or the first Double contest is declared "no contest",

the entire Double pool shall be refunded on Double wagers for those contests.

(8) If the second Double contest is cancelled or declared "no contest" after the conclusion of the first Double contest, the net Double pool shall be distributed as a single price pool to wagers selecting the winner of the first Double contest. In the event of a dead heat involving separate betting interests, the net Double pool shall be distributed as a profit split.

23.005.06 PICK THREE POOLS

- (1) The Pick Three requires selection of the first-place finisher in each of three specified contests.
- (2) The net Pick Three pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:
 - (a) As a single price pool to those whose selection finished first in each of the three contests; but if there are no such wagers, then
 - (b) As a single price pool to those who selected the first-place finisher in any two of the three contests; but if there are no such wagers, then
 - (c) As a single price pool to those who selected the first-place finisher in any one of the three contests; but if there are no such wagers, then
 - (d) The entire pool shall be refunded on Pick Three wagers for those contests.
- (3) If there is a dead heat for first in any of the three contests involving:
 - (a) contestants representing the same betting interest, the Pick Three pool shall be distributed as if no dead heat occurred.
 - (b) contestants representing two or more betting interests, the Pick Three pool shall be distributed as a single price pool with each winning wager receiving an equal share of the profit.
- (4) Should a betting interest in any of the three Pick Three contests be scratched, the actual favorite, as evidenced by total amounts wagered in the Win pool at the close of wagering on that contest, shall be substituted for the scratched betting interest for all purposes, including pool calculations. In the event that the Win pool total for two or more favorites is identical, the substitute selection shall be the betting interest with the

lowest program number. The totalisator shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.

(5) If all three Pick Three contests are cancelled or declared "no contest", the entire pool shall be refunded on Pick Three wagers for those contests.

(6) If one or two of the Pick Three contests are cancelled or declared "no contest", the Pick Three pool will remain valid and shall be distributed in accordance with subsection 2 of this rule.

23.005.07 PICK (N) POOLS

(1) The Pick (n) requires selection of the first-place finisher in each of a designated number of contests. The association must obtain written approval from the Commission concerning the scheduling of Pick (n) contests, the designation of one of the methods prescribed in Part (2), and the amount of any cap to be set on the carryover. Any changes to the approved Pick (n) format require prior approval from the Commission.

(2) The Pick (n) pool shall be apportioned under one of the following methods:

(a) Method 1. Pick (n) with Carryover: No Minor Pool: The net Pick (n) pool and carryover, if any, shall be distributed as a single price pool to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. If there are no such wagers, then a designated percentage of the net pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests; and the remainder shall be added to the carryover.

(b) Method 2. Pick (n) with Minor Pool and Carryover: The major share of the net Pick (n) pool and the carryover, if any, shall be distributed to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool shall be distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher of all Pick (n) contests, the minor share of the net Pick (n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests; and the major share shall be added to the carryover.

(c) Method 3. Pick (n) with No Minor Pool and No Carryover: The net Pick (n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests, based

upon the official order of finish. If there are no winning wagers, the pool is refunded.

(d) Method 4. Pick (n) with Minor Pool and No Carryover: The major share of the net Pick (n) pool shall be distributed to those who selected the first place finisher in the greatest number of Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool shall be distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in a second greatest number of Pick (n) contests, the minor share of the net Pick (n) pool shall be combined with the major share for distribution as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests. If the greatest number of first-place finishers selected is one (1), the major and minor shares are combined for distribution as a single price pool. If there are no winning wagers, the pool is refunded.

(e) Method 5. Pick (n) with Minor Pool and No Carryover: The major share of the net Pick (n) pool shall be distributed to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool shall be distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in all Pick (n) contests, the entire net Pick (n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests. If there are no wagers selecting the first-place finisher in the second greatest number of Pick (n) contests, the minor share of the net Pick (n) pool shall be combined with the major share for distribution as a single price pool to those who selected the first-place finisher in each of the Pick (n) contests. If there are no winning wagers, the pool is refunded.

(3) If there is a dead heat for first in any of the Pick (n) contests involving:

(a) contestants representing the same betting interest, the Pick (n) pool shall be distributed as if no dead heat occurred.

(b) contestants representing two or more betting interests, the Pick (n) pool shall be distributed as a single price pool with each winning wager receiving an equal share of the profit.

(4) Should a betting interest in any of the Pick (n) contests be scratched, the actual favorite, as evidenced by total amounts wagered in the Win pool at the close of wagering on that contest,

shall be substituted for the scratched betting interest for all purposes, including pool calculations. In the event that the Win pool total for two or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number. The totalisator shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.

(5) The Pick (n) pool shall be cancelled and all Pick (n) wagers for the individual performance shall be refunded if:

(a) at least two contests included as part of a Pick 3 are cancelled or declared "no contest".

(b) at least three contests included as part of a Pick 4, Pick 5 or Pick 6 are cancelled or declared "no contest".

(c) at least four contests included as part of a Pick 7, Pick 8 or Pick 9 are cancelled or declared "no contest".

(d) at least five contests included as part of a Pick 10 are cancelled or declared "no contest".

(6) If at least one contest included as part of a Pick (n) is cancelled or declared "no contest", but not more than the number specified in subsection 5 of this rule, the net pool shall be distributed as a single price pool to those whose selection finished first in the greatest number of Pick (n) contests for that performance. Such distribution shall include the portion ordinarily retained for the Pick (n) carryover but not the carryover from previous performances.

(7) The Pick (n) carryover may be capped at a designated level approved by the Commission so that if, at the close of any performance, the amount in the Pick (n) carryover equals or exceeds the designated cap, the Pick (n) carryover will be frozen until it is won or distributed under other provisions of this rule. After the Pick (n) carryover is frozen, 100 percent of the net pool, part of which ordinarily would be added to the Pick (n) carryover, shall be distributed to those whose selection finished first in the greatest number of Pick (n) contests for that performance.

(8) A written request for permission to distribute the Pick (n) carryover on a specific performance may be submitted to the Commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(9) Should the Pick (n) carryover be designated for distribution on a specified date and performance in which there are no wagers selecting the first-place finisher in each of the Pick (n) contests, the entire pool shall be distributed as a single price pool to those whose selection finished first in the greatest number of Pick (n) contests. The Pick (n) carryover

shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the Commission as provided in subsection 8 of this rule.

(b) Upon written approval from the Commission when there is a change in the carryover cap, a change from one type of Pick (n) wagering to another, or when the Pick (n) is discontinued.

(c) On the closing performance of the meet or split meet.

(10) If, for any reason, the Pick (n) carryover must be held over to the corresponding Pick (n) pool of a subsequent meet, the carryover shall be deposited in an interest-bearing account approved by the Commission. The Pick (n) carryover plus accrued interest shall then be added to the net Pick (n) pool of the following meet on a date and performance so designated by the Commission.

(11) With the written approval of the Commission, the association may contribute to the Pick (n) carryover a sum of money up to the amount of any designated cap.

(12) Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of live tickets remaining is strictly prohibited. This shall not prohibit necessary communication between totalisator and pari-mutuel department employees for processing of pool data.

(13) The association may suspend previously-approved Pick (n) wagering with the prior approval of the Commission. Any carryover shall be held until the suspended Pick (n) wagering is reinstated. An association may request approval of a Pick (n) wager or separate wagering pool for specific performances.

23.005.08 QUINELLA POOLS

(1) The Quinella requires selection of the first two finishers, irrespective of order, for a single contest.

(2) The net Quinella pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:

(a) If contestants of a coupled entry or mutuel field finish as the first two finishers, as a single price pool to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish; otherwise

(b) As a single price pool to those whose combination finished as the first two betting interests; but if there are no such wagers, then

(c) As a profit split to those whose combination included either the first- or second-place finisher; but if there are no such wagers on one of the those two finishers, then

(d) As a single price pool to those whose combination included the one covered betting interest included within the first two finishers; but if there are no such wagers, then

(e) The entire pool shall be refunded on Quinella wagers for that contest.

(3) If there is a dead heat for first involving:

(a) contestants representing the same betting interest, the Quinella pool shall be distributed to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish.

(b) contestants representing two betting interests, the Quinella pool shall be distributed as if no dead heat occurred.

(c) contestants representing three or more betting interests, the Quinella pool shall be distributed as a profit split.

(4) If there is a dead heat for second involving contestants representing the same betting interest, the Quinella pool shall be distributed as if no dead heat occurred.

(5) If there is a dead heat for second involving contestants representing two or more betting interests, the Quinella pool shall be distributed to wagers in the following precedence, based upon the official order of finish:

(a) As a profit split to those combining the winner with any of the betting interests involved in the dead heat for second; but if there is only one covered combination, then

(b) As a single price pool to those combining the winner with the one covered betting interest involved in the dead heat for second; but if there are no such wagers, then

(c) As a profit split to those combining the betting interests involved in the dead heat for second; but if there are no such wagers, then

(d) As a profit split to those whose combination included the winner and any other betting interest and wagers selecting any of the betting interests involved in the dead heat for second; but if there are no such wagers, then

(e) The entire pool shall be refunded on Quinella wagers for that contest.

23.005.09 QUINELLA DOUBLE POOLS

(1) The Quinella Double requires selection of the first two finishers, irrespective of order, in each of two specified contests.

(2) The net Quinella Double pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:

(a) If a coupled entry or mutuel field finishes as the first two contestants in either contest, as a single price pool to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish for that contest, as well as the first two finishers in the alternate Quinella Double contest; otherwise

(b) As a single price pool to those who selected the first two finishers in each of the two Quinella Double contests; but if there are no such wagers, then

(c) As a profit split to those who selected the first two finishers in either of the two Quinella Double contests; but if there are no such wagers on one of those contests, then

(d) As a single price pool to those who selected the first two finishers in the one covered Quinella Double contest; but if there were no such wagers, then

(e) The entire pool shall be refunded on Quinella Double wagers for those contests.

(3) If there is a dead heat for first in either of the two Quinella Double contests involving:

(a) contestants representing the same betting interest, the Quinella Double pool shall be distributed to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish for that contest.

(b) contestants representing two betting interests, the Quinella Double pool shall be distributed as if no dead heat occurred.

(c) contestants representing three or more betting interests, the Quinella Double pool shall be distributed as a profit split.

(4) If there is a dead heat for second in either of the Quinella Double contests involving contestants representing the same betting interest, the Quinella Double pool shall be distributed as if no dead heat occurred.

(5) If there is a dead heat for second in either of the Quinella Double contests involving contestants representing two or more betting interests, the Quinella Double pool shall be distributed as profit split.

(6) Should a betting interest in the first-half of the Quinella Double be scratched prior to the first Quinella Double contest being declared official, all money wagered on combinations including the scratched betting interest shall deducted from the Quinella Double pool and refunded.

(7) Should a betting interest in the second-half of the Quinella Double be scratched prior to the close of wagering on the first Quinella Double contest, all money wagered on combinations including the scratched betting interest shall be deducted from the Quinella Double pool and refunded.

(8) Should a betting interest in the second-half of the Quinella Double be scratched after the close of wagering on the first Quinella Double contest, all wagers combining the winning combination in the first contest with a combination including the scratched betting interest in the second contest shall be allocated a consolation payoff. In calculating the consolation payoff the net Quinella Double pool shall be divided by the total amount wagered on the winning combination in the first contest and an unbroken consolation price obtained. The unbroken consolation price is multiplied by the dollar value of wagers on the winning combination in the first contest combined with a combination including the scratched betting interest in the second contest to obtain the consolation payoff. Breakage is not utilized in this calculation. The consolation payoff is deducted

from the net Quinella Double pool before calculation and distribution of the winning Quinella Double payoff. In the event of a dead heat involving separate betting interests, the net Quinella Double pool shall be distributed as a profit split.

(9) If either of the Quinella Double contests is cancelled prior to the first Quinella Double contest, or the first Quinella Double contest is declared "no contest", the entire Quinella Double pool shall be refunded on Quinella Double wagers for those contests.

(10) If the second Quinella Double contest is cancelled or declared "no contest" after the conclusion of the first Quinella Double contest, the net Quinella Double pool shall be distributed as a single price pool to wagers selecting the winning combination in the first Quinella Double contest. If there are no wagers selecting the winning combination in the first Quinella Double contest, the entire Quinella Double pool shall be refunded on Quinella Double wagers for those contests.

(6) Should any betting interest entered in the Show Quinella pool be scratched or excused from the contest, wagers including

such betting interest shall be deducted from the Show Quinella pool and money refunded.

(9) Should a betting interest in the first-half of the Twin Quinella be scratched, those Twin Quinella wagers including the scratched betting interest shall be refunded.

(10) Should a betting interest in the second-half of the Twin Quinella be scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second Twin Quinella contest, the ticket holder forfeits all rights to the Twin Quinella pool.

If there is no such wagers, the net Twin Quinella pool shall be distributed as described in subsection 2 of the Twin Quinella rules.

23.005.15 TWIN TRIFECTA POOLS

(1) The Twin Trifecta requires selection of the first three finishers, in their exact order, in each of two designated contests. Each winning ticket for the first Twin Trifecta contest must be exchanged for a free ticket on the second Twin Trifecta contest in order to remain eligible for the second-half Twin Trifecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second Twin Trifecta contest. Winning first-half Twin Trifecta wagers will receive both an exchange and a monetary payoff. Both of the designated Twin Trifecta contests shall be included in only one Twin Trifecta pool.

(2) After wagering closes for the first-half of the Twin Trifecta and commissions have been deducted from the pool, the net pool shall then be divided into separate pools: the first-half Twin Trifecta pool and the second-half Twin Trifecta pool.

(3) In the first Twin Trifecta contest only, winning wagers shall be determined using the following precedence, based upon the official order of finish for the first Twin Trifecta contest:

(a) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(d) The entire Twin Trifecta pool shall be refunded on Twin Trifecta wagers for that contest and the second-half shall be cancelled.

(4) If no first-half Twin Trifecta ticket selects the first three finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half Twin Trifecta pool. In such case, the second-half Twin Trifecta pool shall be retained and added to any existing Twin Trifecta carryover pool.

(5) Winning tickets from the first-half of the Twin Trifecta shall be exchanged for tickets selecting the first three finishers of the second-half of the Twin Trifecta. The second-half Twin Trifecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second Twin Trifecta contest:

(a) As a single price pool, including any existing carryover monies, to those whose combination finished in correct sequence as the first three betting interests; but if there are no such tickets, then

(b) The entire second-half Twin Trifecta pool for that contest shall be added to any existing carryover monies and retained for the corresponding second-half Twin Trifecta pool of the next consecutive performance.

(6) If a winning first-half Twin Trifecta ticket is not presented for cashing and exchange prior to the second-half Twin Trifecta contest, the ticket holder may still collect the monetary value associated with the first-half Twin Trifecta pool but forfeits all rights to any distribution of the second-half Twin Trifecta pool.

(7) Coupled entries and mutuel fields shall be prohibited in Twin Trifecta contests.

(8) Should a betting interest in the first-half of the Twin Trifecta be scratched, those Twin Trifecta wagers including the scratched betting interest shall be refunded.

(9) Should a betting interest in the second-half of the Twin Trifecta be scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second Twin Trifecta contest, the ticket holder forfeits all rights to the second-half Twin Trifecta pool.

(10) If, due to a late scratch, the number of betting interests in the second-half of the Twin Trifecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half Twin Trifecta pool for that contest as a single price pool, but not the Twin-Trifecta carryover.

(11) If there is a dead heat or multiple dead heats in either the first- or second-half of the Twin Trifecta, all Twin Trifecta wagers selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in:

(a) the first-half of the Twin Trifecta, the payoff shall be calculated as a profit split.

(b) the second-half of the Twin Trifecta, the payoff shall be calculated as a single price pool.

(12) If either of the Twin Trifecta contests are cancelled prior to the first Twin Trifecta contest, or the first Twin Trifecta contest is declared "no contest", the entire Twin Trifecta pool shall be refunded on Twin Trifecta wagers for that contest and the second-half shall be cancelled.

(13) If the second-half Twin Trifecta contest is cancelled or declared "no contest", all exchange tickets and outstanding first-half winning Twin Trifecta tickets shall be entitled to the net Twin Trifecta pool for that contest as a single price pool, but not Twin Trifecta Jackpot. If there are no such tickets, the net Twin Trifecta pool shall be distributed as described in subsection 3 of the Twin Trifecta rules.

(14) The Twin-Trifecta carryover may be capped at a designated level approved by the Commission so that if, at the close of any performance, the amount in the Twin Trifecta carryover equals or exceeds the designated cap, the Twin Trifecta carryover will be frozen until it is won or distributed under other provisions of this rule. After the Twin Trifecta carryover is frozen, 100 percent of the net Twin Trifecta pool for each individual contest shall be distributed to winners of the first-half of the Twin Trifecta pool.

(15) A written request for permission to distribute the Twin-Trifecta carryover on a specific performance may be

submitted to the Commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(16) Should the Twin Trifecta carryover be designated for distribution on a specified date and performance, the following precedence will be followed in determining winning tickets for the second-half of the Twin Trifecta after completion of the first-half of the Twin Trifecta:

(a) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(d) As a single price pool to holders of valid exchange tickets.

(e) As a single price pool to holders of outstanding first-half winning tickets.

(17) Contrary to subsection 4 of the Twin Trifecta rules, during a performance designated to distribute the Twin-Trifecta carryover, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the Twin Trifecta. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the Twin Trifecta, all first-half tickets will become winners and will receive 100 percent of that day's net Twin Trifecta pool and any existing Twin Trifecta carryover as a single price pool.

(18) The Twin Trifecta carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the Commission as provided in subsection 15 of the Twin Trifecta rules.

(b) Upon written approval from the Commission when there is a change in the carryover cap or when the Twin Trifecta is discontinued.

(c) On the closing performance of the meet or split meet.

(19) If, for any reason, the Twin Trifecta carryover must be held over to the corresponding Twin Trifecta pool of a subsequent meet, the carryover shall be deposited in an interest-bearing account approved by the Commission. The Twin Trifecta carryover plus accrued interest shall then be added to the second-half Twin Trifecta pool of the following meet on a date and performance so designated by the Commission.

(20) Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of valid exchange tickets is prohibited. This shall not prohibit necessary communication between totalisator and pari-mutuel department employees for processing of pool data.

(21) The association must obtain written approval from the Commission concerning the scheduling of Twin Trifecta contests, the percentages of the net pool added to the first-half pool and second-half pool, and the amount of any cap to be set on the carryover. Any changes to the approved Twin Trifecta format require prior approval from the Commission.

23.005.16 TRI-SUPERFECTA POOLS

(1) The Tri-Superfecta requires selection of the first three finishers, in their exact order, in the first of two designated contests and the first four finishers, in exact order, in the second of the two designated contests. Each winning ticket for the first Tri-Superfecta contest must be exchanged for a free ticket on the second Tri-Superfecta contest in order to remain eligible for the second-half Tri-Superfecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second Tri-Superfecta contest. Winning first-half Tri-Superfecta tickets will receive both an exchange and a monetary payoff. Both of the designated Tri-superfecta contests shall be included in only one Tri-Superfecta pool.

(2) After wagering closes for the first-half of the Tri-Superfecta and commissions have been deducted from the pool, the net pool shall then be divided into two separate pools: the first-half Tri-Superfecta pool and the second-half Tri-Superfecta pool.

(3) In the first Tri-Superfecta contest only, winning tickets shall be determined using the following precedence, based upon the official order of finish for the first Tri-Superfecta contest:

(a) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(d) The entire Tri-Superfecta pool shall be refunded on Tri-Superfecta wagers for that contest and the second-half shall be cancelled.

(4) If no first-half Tri-Superfecta ticket selects the first three finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half Tri-Superfecta pool. In such case, the second-half Tri-superfecta pool shall be retained and added to any existing Tri-Superfecta carryover pool.

(5) Winning tickets from the first-half of the Tri-Superfecta shall be exchanged for tickets selecting the first four finishers of the second-half of the Tri-Superfecta. The second-half Tri-Superfecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second Tri-Superfecta contest:

(a) As a single price pool, including any existing carryover monies, to those whose combination finished in correct sequence as the first four betting interests; but if there are no such tickets, then

(b) The entire second-half Tri-Superfecta pool for that contest shall be added to any existing carryover monies and retained for the corresponding second-half Tri-Superfecta pool of the next performance.

(6) If a winning first-half Tri-Superfecta ticket is not presented for cashing and exchange prior to the second-half Tri-Superfecta contest, the ticket holder may still collect the monetary value associated with the first-half Tri-Superfecta pool but forfeits all rights to any distribution of the second-half Tri-Superfecta pool.

(7) Coupled entries and mutuel fields shall be prohibited in Tri-Superfecta contests.

(8) Should a betting interest in the first-half of the Tri-Superfecta be scratched, those Tri-Superfecta tickets including the scratched betting interest shall be refunded.

(9) Should a betting interest in the second-half of the Tri-Superfecta be scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second Tri-Superfecta contest, the ticket holder forfeits all rights to the second-half Tri-Superfecta pool.

(10) If, due to a late scratch, the number of betting interests in the second-half of the Tri-Superfecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half Tri-Superfecta pool for that contest as a single price pool, but not the Tri-Superfecta carryover.

(11) If there is a dead heat or multiple dead heats in either the first- or second-half of the Tri-Superfecta, all Tri-Superfecta tickets selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in

(a) the first-half of the Tri-Superfecta, the payoff shall be calculated as a profit split.

(b) the second-half of the Tri-Superfecta, the payoff shall be calculated as a single price pool.

(12) If either of the Tri-Superfecta contests are cancelled prior to the first Tri-Superfecta contest, or the first Tri-Superfecta contest is declared "no contest", the entire Tri-Superfecta pool shall be refunded on Tri-Superfecta wagers for that contest and the second-half shall be cancelled.

(13) If the second-half Tri-Superfecta contest is cancelled or declared "no contest", all exchange tickets and outstanding first-half winning Tri-Superfecta tickets shall be entitled to the net Tri-Superfecta pool for that contest as a single price pool, but not the Tri-Superfecta carryover. If there are no such

tickets, the net Tri-Superfecta pool shall be distributed as described in subsection 3 of the Tri-Superfecta rules.

(14) The Tri-Superfecta carryover may be capped at a designated level approved by the Commission so that if, at the close of any performance, the amount in the Tri-Superfecta carryover equals or exceeds the designated cap, the Tri-Superfecta carryover will be frozen until it is won or distributed under other provisions of this rule. After the second-half Tri-Superfecta carryover is frozen, 100 percent of the net Tri-Superfecta pool for each individual contest shall be distributed to winners of the first-half of the Tri-Superfecta pool.

(15) A written request for permission to distribute the Tri-Superfecta carryover on a specific performance may be submitted to the Commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(16) Should the Tri-Superfecta carryover be designated for distribution on a specified date and performance, the following precedence will be followed in determining winning tickets for the second-half of the Tri-Superfecta after completion of the first-half of the Tri-Superfecta:

(a) As a single price pool to those whose combination finished in correct sequence as the first four betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(d) As a single price pool to those whose combination included, in correct sequence, the first-place betting interest only; but if there are no such wagers, then

(e) As a single price pool to holders of valid exchange tickets.

(f) As a single price pool to holders of outstanding first-half winning tickets.

(17) Contrary to subsection 4 of the Tri-Superfecta rules, during a performance designated to distribute the Tri-Superfecta carryover, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the Tri-Superfecta. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the

first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the Tri-Superfecta, all first-half tickets will become winners and will receive 100 percent of that day's net Tri-Superfecta pool and any existing Tri-Superfecta carryover as a single price pool.

(18) The Tri-Superfecta carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the Commission as provided in subsection 15 of the Tri-Superfecta rules.

(b) Upon written approval from the Commission when there is a change in the carryover cap or when the Tri-Superfecta is discontinued.

(c) On the closing performance of the meet or split meet.

(19) If, for any reason, the Tri-Superfecta carryover must be held over to the corresponding Tri-Superfecta pool of a subsequent meet, the carryover shall be deposited in an interest-bearing account approved by the Commission. The Tri-Superfecta carryover plus accrued interest shall then be added to the second-half Tri-superfecta pool of the following meet on a date and performance so designated by the Commission.

(20) Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of valid exchange tickets is prohibited. This shall not prohibit necessary communication between totalisator and pari-mutuel department employees for processing of pool data.

(21) The association must obtain written approval from the Commission concerning the scheduling of Tri-Superfecta contests, the percentages of the net pool added to the first-half pool and second-half pool, and the amount of any cap to be set on the carryover. Any changes to the approved Tri-Superfecta format require prior approval from the Commission.

23.005.17 TWIN SUPERFECTA POOLS

(1) The Twin Superfecta requires selection of the first four finishers, in their exact order, in each of two designated contests. Each winning ticket for the first Twin Superfecta contest must be exchanged for a free ticket on the second Twin Superfecta contest in order to remain eligible for the second-half Twin Superfecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second Twin Superfecta contest. Winning first-half Twin Superfecta tickets will receive both an exchange and a monetary payoff. Both of the

designated Twin Superfecta contests shall be included in only one Twin Superfecta pool.

(2) After wagering closes for the first-half of the Twin Superfecta and commissions have been deducted from the pool, the net pool shall then be divided into two separate pools: the first-half Twin Superfecta pool and the second-half Twin Superfecta pool.

(3) In the first Twin Superfecta contest only, winning wagers shall be determined using the following precedence, based upon the official order of finish for the first Twin Superfecta contest:

(a) As a single price pool to those whose combination finished in correct sequence as the first four betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(d) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(e) The entire Twin Superfecta pool shall be refunded on Twin Superfecta wagers for that contest and the second-half shall be cancelled.

(4) If no first-half Twin Superfecta ticket selects the first four finishers of that contest in exact order, winning ticket holders shall not receive any exchange tickets for the second-half Twin Superfecta pool. In such case, the second-half Twin Superfecta pool shall be retained and added to any existing Twin Superfecta carryover pool.

(5) Winning tickets from the first-half of the Twin Superfecta shall be exchanged for tickets selecting the first four finishers of the second-half of the Twin Superfecta. The second-half Twin Superfecta pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish for the second Twin Superfecta contest:

(a) As a single price pool, including any existing carryover monies, to those whose combination finished in correct sequence as the first four betting interests; but if there are no such tickets, then

(b) The entire second-half Twin Trifecta pool for that contest shall be added to any existing carryover monies and

retained for the corresponding second-half Twin Superfecta pool of the next performance.

(6) If a winning first-half Twin Superfecta ticket is not presented for cashing and exchange prior to the second-half Twin Superfecta contest, the ticket holder may still collect the monetary value associated with the first-half Twin Superfecta pool but forfeits all rights to any distribution of the second-half Twin Trifecta pool.

(7) Coupled entries and mutuel fields shall be prohibited in Twin Superfecta contests.

(8) Should a betting interest in the first-half of the Twin Superfecta be scratched, those Twin Superfecta tickets including the scratched betting interest shall be refunded.

(9) Should a betting interest in the second-half of the Twin Superfecta be scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second Twin Superfecta contest, the ticket holder forfeits all rights to the second-half Twin Superfecta pool.

(10) If, due to a late scratch, the number of betting interests in the second-half of the Twin Superfecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half Twin Superfecta pool for that contest as a single price pool, but not the Twin Superfecta carryover.

(11) If there is a dead heat or multiple dead heats in either the first- or second-half of the Twin Superfecta, all Twin Superfecta tickets selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in:

(a) the first-half of the Twin Superfecta, the payoff shall be calculated as a profit split.

(b) the second-half of the Twin Superfecta, the payoff shall be calculated as a single price pool.

(12) If the either of the Twin Superfecta contests are cancelled prior to the first Twin Superfecta contest, or the first Twin Superfecta contest is declared "no contest", the entire Twin Superfecta pool shall be refunded on Twin Superfecta wagers for that contest and the second-half shall be cancelled.

(13) If the second-half Twin Superfecta contest is cancelled or declared "no contest", all exchange tickets and outstanding first-half winning Twin Superfecta tickets shall be entitled to the net Twin Superfecta pool for that contest as a single price

pool, but not the Twin Superfecta carryover. If there are no such tickets, the net Twin Superfecta pool shall be distributed as described in subsection 3 of the Twin Superfecta rules.

(14) The Twin-Superfecta carryover may be capped at a designated level approved by the Commission so that if, at the close of any performance, the amount in the Twin-Superfecta carryover equals or exceeds the designated cap, the Twin-Superfecta carryover will be frozen until it is won or distributed under other provisions of this rule. After the second-half Twin Superfecta carryover is frozen, 100 percent of the net Twin Superfecta pool for each individual contest shall be distributed to winners of the first-half of the Twin Superfecta pool.

(15) A written request for permission to distribute the Twin Superfecta carryover on a specific performance may be submitted to the Commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(16) Should the Twin Superfecta carryover be designated for distribution on a specified date and performance, the following precedence will be followed in determining winning tickets for the second-half of the Twin Superfecta after completion of the first-half of the Twin Superfecta:

(a) As a single price pool to those whose combination finished in correct sequence as the first four betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(d) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(e) As a single price pool to holders of valid exchange tickets.

(f) As a single price pool to holders of outstanding first-half winning tickets.

(17) Contrary to subsection 4 of the Twin Superfecta rules, during a performance designated to distribute the Twin Superfecta carryover, exchange tickets will be issued for those combinations

selecting the greatest number of betting interests in their correct order of finish for the first-half of the Twin Superfecta. If there are no wagers correctly selecting the first-, second-, third-, and fourth-place finishers, in their exact order, then exchange tickets shall be issued for

combinations correctly selecting the first-, second-, and third-place betting interests. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets shall be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the Twin Superfecta, all first-half tickets will become winners and will receive 100 percent of that day's net Twin Superfecta pool and any existing Twin Superfecta carryover as a single price pool.

(18) The Twin Superfecta carryover shall be designated for distribution on a specified date and performance only under the following circumstances:

(a) Upon written approval from the Commission as provided in subsection 15 of the Twin Superfecta rules.

(b) Upon written approval from the Commission when there is a change in the carryover cap or when the Twin Superfecta is discontinued.

(c) On the closing performance of the meet or split meet.

(19) If, for any reason, the Twin Superfecta carryover must be held over to the corresponding Twin Superfecta pool of a subsequent meet, the carryover shall be deposited in an interest-bearing account approved by the Commission. The Twin Superfecta carryover plus accrued interest shall then be added to the second-half Twin Superfecta pool of the following meet on a date and performance so designated by the Commission.

(20) Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of valid exchange tickets is prohibited. This shall not prohibit necessary communication between totalisator and pari-mutuel department employees for processing of pool data.

(21) The association must obtain written approval from the Commission concerning the scheduling of Twin Superfecta contests, the percentages of the net pool added to the first-half pool and second-half pool, and the amount of any cap to be set on the carryover. Any changes to the approved Twin Superfecta format require prior approval from the Commission.

Chapter 24 - NEBRASKA-BRED RULES

24.001 REGISTRATION FORMS

24.001.01 Nebraska-bred registration application forms furnished by the official registrar must be completed and filed with the official registrar by the owner or authorized agent to effect the registration of broodmares, stallions standing for service in Nebraska, and foals.

24.001.02 All registration forms used by the official registry shall have been approved by the Nebraska State Racing Commission.

24.002 REGISTRATION OF BROODMARES

24.002.01 Before a foal can be certified as Nebraska-bred its dam must have been registered prior to foaling with the official registrar. An application for Registration of Broodmare, including a notarized affidavit of mare ownership and the required registration fee must be submitted to the official registrar prior to the birth of the foal.

A "late fee" shall be charged for an Application for Registration of Broodmare after September 1 of the year bred, unless said mare is purchased in foal, in which case the mare owner shall have 60 days to register said mare at the regular fee; however, in any event an Application for Registration of Broodmare must be submitted prior to the birth of the foal. A current copy of both sides of the Jockey Club or American Quarter Horse Association papers for the mare must accompany the broodmare application.

24.002.02 The official registrar shall issue a Certificate of Registration for a Broodmare on receipt of satisfactory evidence of the ownership, location and identity of the mare, the completion of the required forms, and the submission of the required registration fee.

24.002.03 In the event of a sale or transfer of all or part ownership of a broodmare that is registered with the official registry, the new owner(s) must apply to the official registrar by completing a Change of Broodmare Ownership form. This form and the applicable fee must be filed with the official registrar.

A "late fee" shall be charged for a Change of Broodmare Ownership submitted after September 1 of the year bred, unless said mare is purchased in foal, in which case the new mare owners(s) shall have 60 days to submit the Change of Broodmare Ownership at the regular fee. A

current copy of both sides of the Jockey Club or American Quarter Horse Association papers for the mare must accompany the broodmare application.

24.003 REGISTRATION OF STALLIONS

24.003.01 In order to register a stallion for purposes of making his foals eligible as class "A" Nebraska-bred, the stallion owner or lessee must file with the official registrar the application for registration of the stallion and the registration fee. Registration must be done prior to the time the stallion is put into service (see 24.005.01B for definition of a class "A" Nebraska-bred).

24.003.02 If a stallion is leased, a copy of the notarized lease agreement must be submitted with the registration.

24.003.03 A change in the ownership of a stallion cancels the registration, except in the case of a partial change of ownership or sale of a share or shares in a syndication that does not affect an existing stallion ownership agreement or syndication agreement. In the event of invalidation of a stallion registration due to change in ownership, the new owner or lessee must register the stallion with the official registry.

24.004 REPORTS REQUIRED

24.004.01 If required reports are not on file, the Nebraska bred Certificate of Eligibility for a foal cannot be issued. Late filing of required reports may delay processing of the Breeder's Certificate and issuance of a Nebraska Bred Certificate of Eligibility, and require payment of late fees.

24.004.02 Annual Broodmare Report - Due September 1

An annual Broodmare Report including the ownership of the mare, the location of the mare, the name of the stallion(s) to which the mare was bred, and the date of first and last service is due September 1.

24.004.03 Annual Stallion Report - Due September 1

An Annual Stallion Report of mares bred by Nebraska registered stallions (see 24.005.01B Class "A" foals) is due September 1.

24.004.04 Report of mares Leaving Nebraska - Due within 3 days

Refer to Nebraska Revised Statutes Section 2-1213(2) which provides for exception to the requirement that a dam must be continuously in the state for either six months, ninety days, or thirty days as specified in 2-1213(2) (d). This exception is for a dam placed on a nationally recognized sale, or for the treatment of an extreme sickness or injury. Written notice must be provided to the secretary of the Commission within 3 days of the date such horse is taken out of the state.

24.004.05 Report of Mares Entering the State - Due within 3 days

A Report of Mares Entering Nebraska shall include the ownership of the mare, address of the owner(s), name and age of mare, Jockey Club

Certificate of Foal Registration number, date mare enters Nebraska, destination in Nebraska, and reason for entering Nebraska. This report shall be provided to the official registrar within three days of the date the mare enters Nebraska.

24.004.06 Late Fees

Late fees will be assessed if the required Annual Broodmare Report is not provided to the official registrar by September 1, and if the required Report of Mares Entering Nebraska is not provided to the official registrar within three days of the date the mare enters Nebraska.

Late fees shall apply only when required reports are applicable to the processing of a Breeder's Certificate, and due at the time the Breeder's Certificate is submitted to the official registrar.

Late fees shall be established by the commission, and shall not be changed without commission approval.

24.005 REGISTRATION OF NEBRASKA-BRED FOALS

24.005.01 CLASS "A" AND CLASS "B" FOALS

24.005.01A There shall be two classifications for Nebraska-bred foals, which shall be referred to as Class "A" and Class "B".

24.005.01B Class "A" foals must meet the following requirements: (a) be conceived and foaled in the State of Nebraska out of a mare properly registered at the time of foaling with the official registrar, (b) be sired by a stallion that was at the time of conception owned or leased by a bona fide resident of the State of Nebraska, (c) be sired by a stallion that was at the time of conception properly registered with the official registry (see 24.003), (d) the annual stallion Report of Mares Bred must be on file with the official registrar, and (e) the Annual Broodmare Report for the mare must be on file with the official registrar. When these requirements are met the official registrar shall issue a Certificate of Eligibility for a class "A" Nebraska-bred foal.

24.005.01C Class "B" foals must meet the following requirements: (a) be foaled in the State of Nebraska out of a mare properly registered at the time of foaling with the official registrar, (b) the Stallion Report for a Class "B" Nebraska-bred Foal must be on file with the official registrar. The Stallion Report for a Class "B" Nebraska-bred foal is for a stallion standing outside the State of Nebraska or a stallion in Nebraska that is not registered with the official registrar at the time of conception.

24.005.02 BREEDER'S CERTIFICATE

24.005.02A To apply for Nebraska-bred certification the breeder must file with the official registrar a Breeder's Certificate and the certification fee. The appropriate form shall be provided by the official registrar.

24.005.02B The breeder shall certify on the Breeder's Certificate the breeder, the name of the broodmare, the name of the stallion, the date the foal was dropped, the state where the foal was dropped, and name, color, sex, and official registration number on the Jockey Club or American Quarter Horse Association registration certificate for the foal.

24.005.03 CERTIFICATE OF ELIGIBILITY

24.005.03A Upon approval by the official registrar, a Certificate of Eligibility will be issued. The Jockey Club or American Quarter Horse Association registration certificate and the Nebraska-bred Certificate of Eligibility must be presented at the office of the Nebraska State Racing Commission. The Nebraska Racing Commission will then affix its official seal and Nebraska-bred stamp to the Jockey Club or American Quarter Horse Association registration certificate.

24.005.03B Entries in Nebraska-bred races shall not be accepted until the Jockey Club or American Quarter Horse Association registration certificate has been officially stamped by the Nebraska State Racing Commission.

24.005.03C Owners and breeders shall not be eligible for Nebraska-bred breeder awards or purse supplements until the Jockey Club or American Quarter Horse Association registration certificate has been officially approved and stamped by the Nebraska State Racing Commission.

24.006 The official registrar shall recommend in writing to the Nebraska State Racing Commission that the Nebraska-bred status be revoked if it is determined by a hearing conducted by the board or officers of the registry organization that a horse was not eligible to be certified as a Nebraska-bred. Said recommendation shall include an explanation of the basis for said recommendation, and a copy shall be sent by certified mail to the breeder.

24.007 Repealed

24.008 The official registrar may appoint investigators as necessary to assist in ascertaining compliance with statutes and rules relating to Nebraska-bred horses.

24.009 Any person aggrieved at any action, finding, or recommendation of the official registrar may request a hearing before the Nebraska State Racing Commission within 30 days of notice of said action, finding, or recommendation. Section 2-1207

Horseracing; parimutuel wagering; how conducted; certificate, contents; deductions; licensee; duties; person under nineteen years of age prohibited; penalty.

(1) Within the enclosure of any racetrack where a race or race meeting licensed and conducted under sections 2-1201 to 2-1218 is held or at a racetrack licensed to simulcast races or conduct interstate simulcasting, the parimutuel method or system of wagering on the results of the respective races may be used and conducted by the licensee. Wagers placed through licensed telereading facilities or by approved telephonic wagering as authorized by sections 2-1230 to 2-1242 shall be deemed to be wagers placed and accepted within the enclosure of any racetrack. Under such system, the licensee may receive wagers of money from any person present at such race or racetrack receiving the simulcast race or conducting interstate simulcasting or placed through a licensed telereading facility or by approved telephonic wagering by any person who may legally wager on any horse in a race selected by such person to run first in such race, and the person so wagering shall

acquire an interest in the total money so wagered on all horses in such race as first winners in proportion to the amount of money wagered by him or her. Such licensee shall issue to each person so wagering a certificate on which shall be shown the number of the race, the amount wagered, and the number or name of the horse selected by such person as first winner. As each race is run, at the option of the licensee, the licensee may deduct from the total sum wagered on all horses as first winners not less than fifteen percent or more than eighteen percent from such total sum, plus the odd cents of the redistribution over the next lower multiple of ten. At the option of the licensee, the licensee may deduct up to and including twenty-five percent from the total sum wagered by exotic wagers as defined in section 2-1208.03. The State Racing Commission may authorize other levels of deduction on wagers conducted by means of interstate simulcasting. The licensee shall notify the commission in writing of the percentages the licensee intends to deduct during the live race meet conducted by the licensee and shall notify the commission at least one week in advance of any changes to such percentages the licensee intends to make. The licensee shall also deduct from the total sum wagered by exotic wagers, if any, the tax plus the odd cents of the redistribution over the next multiple of ten as provided in subsection (1) of section 2-1208.04. The balance remaining on hand shall be paid out to the holders of certificates on the winning horse in the proportion that the amount wagered by each certificate holder bears to the total amount wagered on all horses in such race to run first. The licensee may likewise receive such wagers on horses selected to run second, third, or both, or in such combinations as the commission may authorize, the method, procedure, and authority and right of the licensee, as well as the deduction allowed to the licensee, to be as specified with respect to wagers upon horses selected to run first.

(2) At all race meets held pursuant to this section, the licensee shall deduct from the total sum wagered one-third of the amount over fifteen percent deducted pursuant to subsection (1) of this section on wagers on horses selected to run first, second, or third and one percent of all exotic wagers to be used to promote agriculture and horse breeding in Nebraska and for the support and preservation of horseracing pursuant to section 2-1207.01.

(3) No person under nineteen years of age shall be permitted to make any parimutuel wager, and there shall be no wagering except under the parimutuel method outlined in this section. Any person, association, or corporation who knowingly aids or abets a person under nineteen years of age in making a parimutuel wager shall be guilty of a Class IV misdemeanor.

Section 2-1208.04

Exotic wagering; withholding; Track Distribution Fund; created; distributed; investment.

(1) Racetracks shall separately account for their gross exotic daily receipts. For all meets commencing after July 16, 1994, any racetrack that had for its previous race meet a total parimutuel handle of less than fifty million dollars shall withhold an amount equal to one-half of one percent of such receipts and any racetrack that had for its previous race meet a total parimutuel handle of fifty million dollars or more shall withhold an amount equal to one percent of such receipts, except that for all meets commencing on or after January 1, 1995, each racetrack shall withhold an amount equal to one-fourth of one percent of such receipts, which amount shall be deducted from purses at the withholding track. Such amount withheld shall be paid to the State Racing Commission on the last day of each month during each race meeting for deposit in the Track Distribution Fund, which fund is hereby created.

(2) The fund shall be distributed monthly to recipient racetracks which conduct wagering by the parimutuel method on thoroughbred horseracing. Such racetracks shall receive the percentage which the total number of days of horseraces run at such racetrack in the year of distribution bears to the total number of days of horseraces run at all such racetracks in the year of distribution. Section 2-1213

Horseracing; Sunday racing forbidden; exceptions; voter

disapproval; issuance of licenses limited; race of Nebraska-bred horses; commission designate registrar; fees.

(1) (a) No racing under sections 2-1201 to 2-1218 shall be permitted on Sunday except when approved by a majority of the members of the State Racing Commission upon application for approval by any racetrack. Such approval shall be given after the commission has considered: (i) Whether Sunday racing at the applicant track will tend to promote and encourage agriculture and horse breeding in Nebraska; (ii) whether the applicant track operates under a license granted by the commission; (iii) whether the applicant track is in compliance with all applicable health, safety, fire, and police rules and regulations or ordinances; (iv) whether the denial of Sunday racing at the applicant track would impair such track's economic ability to continue to function under its license; and (v) whether the record of the public hearing held on the issue of Sunday racing at the applicant track shows reasonable public support. Notice of such public hearing shall be given at least ten days prior thereto by publication in a newspaper having general circulation in the county in which the applicant track is operating, and the commission shall conduct a public hearing in such county. The commission may adopt, promulgate, and enforce rules and regulations governing the application and approval for Sunday racing in addition to its powers in section 2-1203. If the commission permits racing on Sunday, the voters may prohibit such racing in the manner prescribed in section 2-1213.01. If approval by the commission for Sunday racing at the applicant track is granted, no racing shall occur on Sunday until after 1 p.m.

(b) No license shall be granted for racing on more than one racetrack in any one county, except that the commission may, in its discretion, grant a license to any county agricultural society to conduct racing during its county fair notwithstanding a license may have been issued for racing on another track in such county.

(c) Since the purpose of sections 2-1201 to 2-1218 is to encourage agriculture and horse breeding in Nebraska, every licensee shall hold at least one race on each racing day limited to Nebraska-bred horses, including thoroughbreds or quarter horses. Three percent of the first money of every purse won by a Nebraska-bred horse shall be paid to the breeder of such horse. Beginning September 1, 2005, through January 1, 2008, each licensee who holds a license for quarter horseracing shall, for each live racing day, give preference to Nebraska-bred quarter horses in at least one race in lieu of the requirements of this subdivision.

(2) For purposes of this section, Nebraska-bred horse shall mean a horse

registered with the Nebraska Thoroughbred or Quarter Horse Registry and meeting the following requirements: (a) It shall have been foaled in Nebraska; (b) its dam shall have been registered, prior to foaling, with the Nebraska Thoroughbred or Quarter Horse Registry; and (c) its dam shall have been continuously in Nebraska for ninety days immediately prior to foaling, except that such ninety-day period may be reduced to thirty days in the case of a mare in foal which is purchased at a nationally recognized thoroughbred or quarter horse blood stock sale, the name and pedigree of the mare being listed in the sale catalog, and which is brought into this state and remains in this state for thirty days immediately prior to foaling.

The requirement that a dam shall be continuously in Nebraska for either ninety days or thirty days, as specified in subdivision (2)(c) of this section, shall not apply to a dam which is taken outside of Nebraska to be placed for sale at a nationally recognized thoroughbred or quarter horse blood stock sale, the name and pedigree of the mare being listed in the sale catalog, or for the treatment of an extreme sickness or injury, if written notice of such proposed sale or treatment is provided to the secretary of the commission within three days of the date such horse is taken out of the state.

The commission may designate official registrars for the purpose of registration and to certify the eligibility of Nebraska-bred horses. An official registrar shall perform such duties in accordance with policies and procedures adopted and promulgated by the commission in the current rules and regulations of the commission. The commission may authorize the official registrar to collect specific fees as would reasonably compensate the registrar for expenses incurred in connection with registration of Nebraska-bred horses. The amount of such fee or fees shall be established by the commission and shall not be changed without commission approval. Fees shall not exceed one hundred dollars per horse.

Any decision or action taken by the official registrar shall be subject to review by the commission or may be taken up by the commission on its own initiative.

It shall be unlawful for any person to use, or permit to be used a narcotic of any kind to stimulate or retard any horse that is to run in a race in this state to which the provisions of sections 2-1201 to 2-1218 apply, or for a person having the control of such horse and knowledge of such stimulation or retardation to allow it to run in any such race. The owners of such horse, their agents or employees shall permit any member of the State Racing Commission or any person appointed by said commission for that purpose to make such tests as the commission deems proper in order to determine whether any such animal has been so stimulated or retarded. The findings of said commission that a horse has been stimulated or retarded by a narcotic or narcotics shall be prima facie evidence of such fact.

Annotations:

Statute upheld as constitutional against attacks that it violates the constitutional right to freely contract, is unconstitutionally vague and overbroad, and denies equal protection of the law. *Midwest Messenger Assn. v. Spire*, 223 Neb. 748, 393 N.W.2d 438 (1986).

A racetrack messenger service, whether or not it actually engages in gambling, is so intertwined with gambling that it falls within the state's plenary police power to regulate gaming activity. *Pegasus of Omaha, Inc. v. State*, 203 Neb. 755, 280 N.W.2d 64 (1979).

Prohibition by the Legislature of operation of a racetrack messenger service bears a reasonable relationship to the legitimate state interest in the regulation of gambling. No constitutional provision renders such prohibition unlawful. *Pegasus of Omaha, Inc. v. State*, 203 Neb. 755, 280 N.W.2d 64 (1979).

This statute regulates commercial and business affairs of the state and, therefore, must be held valid under the due process clause of the 14th Amendment because it does bear a rational relation to a legitimate state objective. *Nebraska Messenger Services Ass'n v. Thone*, 611 F.2d 250 (8th Cir. 1979).

This section only prohibits messenger services which deliver wagers to

the race track for a fee; it does not prevent reasonable use of the messenger service's property. Therefore, the prohibitory effect of this section is not sufficient to render it an unconstitutional taking under the 14th Amendment to the United States Constitution. Nebraska Messenger Services Ass'n v. Thone, 478 F.Supp. 1036 (D. Neb. 1979). Under this section, the state may prohibit any person from placing monies of another into a parimutuel wagering pool for a fee, and since this does not involve a "fundamental right", but rather is a regulation of commercial and business affairs of the state and since the state has some rational basis, this section is not invalid under the due process clause of the 14th Amendment of the United States Constitution. Nebraska Messenger Services Ass'n v. Thone, 478 F.Supp. 1036 (D. Neb. 1979).

Section 2-1224

Simulcast; authorized; legislative findings.

(1) The Legislature finds that:

(a) The horseracing, horse breeding, and parimutuel wagering industry is an important sector of the agricultural economy of the state, provides substantial revenue for state and local governments, and employs many residents of the state;

(b) The simultaneous telecast of live audio and visual signals of horseraces conducted within the state on which parimutuel betting is permitted holds the potential to strengthen and further these economic contributions and it is in the best interest of the state to permit such live telecasts;

(c) Permitting parimutuel wagering on the results of horseracing conducted at racetracks outside the state also holds the potential to strengthen and further these economic contributions and it is in the best interest of the state to permit such wagering; and

(d) No simulcast or interstate simulcast shall be authorized which would jeopardize present live racing, horse breeding, or employment opportunities or which would infringe on current operations or markets of the racetracks which generate significant revenue for local governments in the state.

(2) The Legislature hereby authorizes the telecasts of horseraces conducted within the state on which parimutuel wagering shall be permitted and interstate simulcasting under rules and regulations adopted and promulgated by the State Racing Commission in the manner and subject to the conditions provided in sections 2-1207 and 2-1224 to 2-1229.

Any racetrack issued a license under sections 2-1201 to 2-1223 which operates at least one live race meet during each calendar year except as provided in section 2-1228 may apply to the commission for a simulcast facility license. An application for such license shall be in such form as may be prescribed by the commission and shall contain such information, material, or evidence as the commission may require. Section 2-1227

Simulcast; license; agreement between tracks; sections applicable; wagering; how conducted.

(1) The commission may authorize and approve one or more applications by any racetrack issued a license under sections 2-1201 to 2-1223 for a license to provide the simulcast of horseraces for wagering purposes from a track operated by the applicant which is conducting a race to a receiving track which is also licensed pursuant to sections 2-1201 to 2-1223 and has applied for a simulcast facility license. No application shall be approved by the commission without a written agreement between the receiving track and the sending track relating to the simulcast. The written agreement between the receiving track and the sending track shall have the consent of the organization representing a majority of the licensed owners and trainers at both the sending and the receiving track.

(2) Every licensee authorized to accept wagers on simulcast racing events pursuant to sections 2-1224 to 2-1227 shall be deemed to be conducting a licensed horserace meeting and shall be subject to all appropriate provisions of sections 2-1201 to 2-1223 relating to the conduct of horserace meetings.

(3) The sums retained by any receiving track from the total deposits in pools wagered on simulcast racing events conducted pursuant to sections 2-1201 to 2-1227 shall be equal to the retained percentages applicable to the sending track. Of the sums retained by the receiving track from simulcast pools, the parimutuel tax shall be levied in accordance with sections 2-1201 to 2-1223. Of the sums retained by the receiving track, an amount as determined by agreement between the sending track and receiving track shall be distributed to the sending track.

(4) Any simulcast between a sending track located in the state and receiving track located in the state as provided in this section shall result in the combination of all wagers placed at the receiving track located in the state with the wagers placed at the sending track located in the state so as to produce common parimutuel betting pools for the calculation of odds and the determination of payouts from such pools, which payout shall be the same for all winning tickets, irrespective of whether the wager is placed at a sending track located in the state or receiving track located in the state.

Interstate simulcast facility license; application.

Any racetrack issued a license under sections 2-1201 to 2-1223 (1) conducting primarily quarterhorse races in the year immediately preceding the year for which application is made, regardless of the total number of days of live racing conducted in such year, or (2) conducting primarily thoroughbred horseraces in the year immediately preceding the year for which application is made which conducted live racing on at least seventy percent of the days for which it was authorized to conduct live racing in 1988 unless the commission determines that such racetrack was unable to conduct live racing on the required number of days due to factors beyond its control, including, but not limited to, fire, earthquake, tornado, or other natural disaster, may apply to the commission for an interstate simulcast facility license. An

application for such license shall be in a form prescribed by the commission and shall contain such information, material, or evidence as the commission may require. Any racetrack issued an interstate simulcast facility license may conduct the interstate simulcast of any horserace permitted under its license, and parimutuel wagering shall be allowed on such horserace. The commission shall not authorize interstate simulcasting for any racetrack pursuant to sections 2-1201 to 2-1223 unless all of the thoroughbred racetracks together applied for and received authority to conduct at least one hundred eighty live racing days in the calendar year in which the application is made. If any racetrack conducts live racing for less than seventy percent of the days assigned such racetrack in 1988, (a) such racetrack shall be precluded from conducting interstate simulcasts and (b) the number of live racing days conducted by such racetrack shall be subtracted from an amount equal to seventy percent of all the days assigned such racetrack in 1988 and the amount remaining shall be deducted from the one-hundred-eighty-day total required by this section. If any racetrack ceases to conduct live racing, seventy percent of the days assigned such racetrack in 1988 shall be deducted from the one-hundred-eighty-day total required by this section.

Section 2-1229

Interstate simulcast facility license; issuance; agreement between tracks.

(1) The commission may authorize and approve an application for an interstate simulcast facility license by a receiving track within the state to receive the interstate simulcast of horseraces for parimutuel wagering purposes from any track located outside of the state. In determining whether such application should be approved, the commission shall consider whether such interstate simulcast would have a significant effect upon either live racing or the simulcasting of live racing of the same type and at the same time conducted in this state and whether it would expand the access to or availability of simulcasting to areas of the state or markets which are not at the time of the application fully served. Prior to approving any such application, the commission shall confer with and receive any recommendations of the organization which represents the majority of the thoroughbred breeders in Nebraska as to what effect an interstate simulcast would have upon horse breeding and horseracing in this state. No application submitted

under section 2-1228 shall be approved by the commission without:

(a) The prior written approval of any other racetrack issued a license under sections 2-1201 to 2-1223 and conducting live racing of the same type on the same day at the same time as the proposed interstate simulcast race or races and of the organization which represented a majority of the licensed owners and trainers at the racetrack's immediately preceding live thoroughbred race meeting;

(b) The prior written approval of any other racetrack issued a license under sections 2-1224 to 2-1227 which is simulcasting the racing program of any licensee conducting live racing in this state of the same type on the same day at the same time as the proposed interstate simulcast race or races and of the organization which represented a majority of the licensed owners and trainers at the racetrack's immediately preceding live thoroughbred race meeting; and

(c) A written agreement between the receiving track and the sending track located outside of the state in any other state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico setting forth the division of all proceeds between the sending and receiving tracks and all other conditions under which such interstate simulcast will be conducted. Such written agreement shall have the consent of the group representing the majority of horsepersons racing at the sending track and of the organization which represented a majority of the licensed owners and trainers at the receiving track's immediately preceding live thoroughbred race meeting.

(2) Every licensee authorized to accept wagers on interstate simulcast events pursuant to this section shall be deemed to be conducting a licensed horserace meeting and shall also be subject to all appropriate provisions of sections 2-1201 to 2-1223 relating to the conduct of horserace meetings.

Section 2-1230

Telephonic and electronic wagering; legislative findings.

(1) The Legislature finds that:

(a) The horseracing, horse breeding, and parimutuel wagering industries are

important sectors of the agricultural economy of the state, provide substantial revenue for state and local governments, and employ many residents of the state;

(b) The ability to provide licensed and regulated teleracing facilities through which parimutuel wagering is permitted holds the potential to strengthen the horseracing industry and further its economic contributions to the state and its citizens and it is in the best interests of the state to encourage experimentation with parimutuel wagering through licensed teleracing facilities;

(c) The offering of controlled telephonic wagering also holds the potential to strengthen the horseracing industry and further its economic contributions to the state and its citizens and it is in the best interests of the state to encourage experimentation with telephonic wagering;

(d) The purpose of such experimentation is to determine whether teleracing facilities and telephonic wagering will promote the overall growth of the horseracing industry, resulting in additional revenue for the support of racing organizations, purses, breeders, and labor; and

(e) Parimutuel wagering through teleracing facilities or telephonic wagering should be authorized and regulated in a manner which would not unreasonably jeopardize horseracing or employment opportunities or infringe on current operations or markets of licensed racetracks.

(2) The Legislature hereby authorizes experimentation with parimutuel wagering through teleracing facilities and telephonic wagering on horseraces conducted within the state and on simulcasting and interstate simulcasting received by licensed racetracks within the state under the regulation of the State Racing Commission in the manner and subject to the conditions provided in sections 2-1207 and 2-1230 to 2-1242.

Annotations:

Article III, section 24, of the Constitution of Nebraska, plainly requires that parimutuel wagering on horses must be conducted by an entity licensed to do so and must be conducted by licensees at a racetrack enclosure which is licensed to operate horse races. Wagering that occurs in a detached facility, one that is by definition outside a licensed racetrack enclosure, cannot logically occur within a licensed racetrack enclosure as required by the constitution. (2) Market area shall mean the area within fifty miles of the location of any licensed racetrack but shall not include the primary territory of any other licensed racetrack;

(3) Primary territory shall mean the county in which the licensed racetrack is located;

(4) Telephone deposit center shall mean a unit at the licensed racetrack operated by such licensed racetrack for the purposes of keeping deposit accounts and accepting telephonic wagers as authorized by the State Racing Commission;

(5) Telephonic wagering shall mean the placing of parimutuel wagers by telephone to a telephone deposit center at a licensed racetrack as authorized by the commission;

(6) Teleracing facility shall mean a detached, licensed area occupied solely by a licensee for the purpose of conducting telewagering and containing one or more betting terminals, which facility is either owned or under the exclusive control of the licensee during the period for which it is licensed; and

(7) Telewagering shall mean the placing of a wager through betting terminals electronically linked to a licensed racetrack, which electronic link instantaneously transmits the wagering information to the parimutuel pool for acceptance and issues tickets as evidence of such wager.

(1) A horseracing industry participant shall be entitled to reasonable treatment from those licensed to conduct thoroughbred race meets.

(2) Private property belonging to a horseracing industry participant at a racetrack facility shall not unlawfully be converted, seized, damaged, or destroyed by racetrack employees or agents without compensation.

(3) A horseracing industry participant shall not be deemed to forfeit or waive any right to privacy without reasonable cause guaranteed by law by virtue of being licensed by the state, by entry upon licensed horseracing facilities, or by engaging in the sport of horseracing in this state.

(4) A horseracing industry participant may not be excluded from the grounds of any licensed racetrack by track management without a hearing by the stewards at such racetrack unless there are reasonable grounds to believe such participant has committed a felony or is posing a physical danger to himself or herself, to others, or to animals in his or her care or his or her physical presence will bring immediate harm to horseracing. Such hearing shall be held as soon as practicable and shall be given first priority and precedence by the stewards. This subsection shall not apply to the allocation of stalls pursuant to an agreement between the horseracing industry participant and the licensed racetrack.

(5) A horseracing industry participant shall be free from unreasonable searches and seizures of his or her person without probable cause and shall be free from unreasonable searches and seizures of his or her housing, vehicle, papers, and effects.

(6) If a horseracing industry participant has been charged with a violation of a rule of racing which involves a substantial risk of loss or suspension of his or her license or which involves a criminal penalty, he or she shall be entitled to the following protections as a matter of right:

- (a) To remain silent;
- (b) To the benefit of counsel, including the opportunity to confer with counsel in preparation of a defense;

(7) A horseracing industry participant shall not be required to waive his or her constitutional rights nor the rights granted pursuant to sections 2-1243 to 2-1246 as a condition of pursuing a livelihood in this state or at any licensed thoroughbred horseracing facility.

Section 2-1247

Interstate Compact on Licensure of Participants in Horse Racing with Pari-Mutuel Wagering.

The Interstate Compact on Licensure of Participants in Horse Racing with Pari-Mutuel Wagering is hereby enacted into law and entered into with all other jurisdictions legally joining therein, in the form substantially as follows:

ARTICLE I. PURPOSES

Section 1. Purposes.

The purposes of this compact are to:

1. Establish uniform requirements among the party states for the licensing of participants in live horse racing with pari-mutuel wagering, and ensure that all such participants who are licensed pursuant to this compact meet a uniform minimum standard of honesty and integrity.
2. Facilitate the growth of the horse racing industry in each party state and nationwide by simplifying the process for licensing participants in live racing, and reduce the duplicative and costly process of separate licensing by the regulatory agency in each state that conducts live horse racing with pari-mutuel wagering.
3. Authorize the Nebraska State Racing Commission to participate in this compact.
4. Provide for participation in this compact by officials of the party states, and permit those officials, through the compact committee established by this compact, to enter into contracts with governmental agencies and nongovernmental persons to carry out the purposes of this compact.
5. Establish the compact committee created by this compact as an interstate governmental entity duly authorized to request and receive criminal history record information from the Federal Bureau of Investigation and other state and local law enforcement agencies.

ARTICLE II. DEFINITIONS

Section 2. Definitions.

"Compact committee" means the organization of officials from the party states that is authorized and empowered by this compact to carry out the purposes of this compact.

"Official" means the appointed, elected, designated or otherwise duly selected member of a racing commission or the equivalent thereof in a party state who represents that party state as a member of the compact committee.

"Participants in live racing" means participants in live horse racing with pari-mutuel wagering in the party states.

"Party state" means each state that has enacted this compact.

"State" means each of the several states of the United States, the District of Columbia, the Commonwealth of Puerto Rico and each territory or possession of the United States.

ARTICLE III. ENTRY INTO FORCE, ELIGIBLE PARTIES AND WITHDRAWAL

Section 3. Entry into force.

This compact shall come into force when enacted by any four (4) states. Thereafter, this compact shall become effective as to any other state upon both (i) that state's enactment of this compact and (ii) the affirmative vote of a majority of the officials on the compact committee as provided in Section 8.

Section 4. States eligible to join compact.

Any state that has adopted or authorized horse racing with pari-mutuel wagering shall be eligible to become party to this compact.

Section 5. Withdrawal from compact and impact thereof on force and effect of compact.

Any party state may withdraw from this compact by enacting a statute repealing this compact, but no such withdrawal shall become effective until the head of the executive branch of the withdrawing state has given notice in writing of such withdrawal to the head of the executive branch of all other party states. If as a result of withdrawals participation in this compact decreases to less than three (3) party states, this compact no longer shall be in force and effect unless and until there are at least three (3) or more party states again participating in this compact.

ARTICLE IV. COMPACT COMMITTEE

Section 6. Compact committee established.

There is hereby created an interstate governmental entity to be known as the "compact committee," which shall be comprised of one (1) official from the racing commission or its equivalent in each party state. The Nebraska State Racing Commission shall designate one of its members to represent the State of Nebraska as the compact committee official. A compact committee official shall be appointed, serve and be subject to removal in accordance with the laws of the party state he represents. Pursuant to the laws of his party state, each official shall have the assistance of his state's racing commission or the equivalent thereof in considering issues related to licensing of participants in live racing and in fulfilling his responsibilities as the representative from his state to the compact committee. If an official representing the State of Nebraska is unable to perform any duty in connection with the powers and duties of the compact committee, the Nebraska State Racing Commission shall designate another of its members or its executive secretary as an alternate who shall serve and represent the State of Nebraska as its official on the compact committee until the commission determines that the original representative official is able once again to perform the duties as that party state's representative official on the compact committee. The designation of an alternate shall be communicated by the Nebraska State Racing Commission to the compact committee as the committee's bylaws may provide.

Section 7. Powers and duties of compact committee.

In order to carry out the purposes of this compact, the compact committee is hereby granted the power and duty to:

1. Determine which categories of participants in live racing, including but not limited to owners, trainers, jockeys, grooms, mutuel clerks, racing officials, veterinarians, and farriers, should be licensed by the committee, and establish the requirements for the initial licensure of applicants in each such category, the term of the license for each category, and the requirements for renewal of licenses in each category. Provided, however, that with regard to requests for criminal history record information on each applicant for a license, and with regard to the effect of a criminal record on the issuance or renewal of a license, the compact committee shall determine for each category of participants in live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure requirements of any party state for that category and shall adopt licensure requirements for that category that are, in its judgment, comparable to those most restrictive requirements.

2. Investigate applicants for a license from the compact committee and, as permitted by federal and state law, gather information on such applicants, including criminal history record information from the Federal Bureau of Investigation and relevant state and local law enforcement agencies, and, where appropriate, from the Royal Canadian Mounted Police and law enforcement agencies of other countries, necessary to determine whether a license should be issued under the licensure requirements established by the committee as provided in paragraph 1 above. Only officials on, and employees of, the compact committee may receive and review such criminal history record information, and those officials and employees may use that information only for the purposes of this compact. No such official or employee may disclose or disseminate such information to any person or entity other than another official on or employee of the compact committee. The fingerprints of each applicant for a license from the compact committee shall be taken by the compact committee, its employees, or its designee and, pursuant to Public Law 92-544 or Public Law 100-413, shall be forwarded to a state identification bureau, or to the Association of Racing Commissioners, International, an association of state officials regulating pari-mutuel wagering designated by the Attorney General of the United States, for submission to the Federal Bureau of Investigation for a criminal history record check. Such fingerprints may be submitted on a fingerprint card or by electronic or other means authorized by the Federal Bureau of Investigation or other receiving law enforcement agency.

3. Issue licenses to, and renew the licenses of, participants in live racing listed in paragraph 1 of this section who are found by the committee to have met the licensure and renewal requirements established by the committee. The compact committee shall not have the power or authority to deny a license. If it determines that an applicant will not be eligible for the issuance or renewal of a compact committee license, the compact committee shall notify the applicant that it will not be able to process his application further. Such notification does not constitute and shall not be considered to be the denial of a license. Any such applicant shall have the right to present additional evidence to, and to be heard by, the compact committee, but the final decision on issuance or renewal of the license shall be made by the compact committee using the requirements established pursuant to paragraph 1 of this section.

4. Enter into contracts or agreements with governmental agencies and with nongovernmental persons to provide personal services for its activities and such other services as may be necessary to effectuate the purposes of this compact.

5. Create, appoint, and abolish those offices, employments, and positions,

including an executive director, as it deems necessary for the purposes of this compact, prescribe their powers, duties and qualifications, hire persons to fill those offices, employments and positions, and provide for the removal, term, tenure, compensation, fringe benefits, retirement benefits and other conditions of employment of its officers, employees and other positions.

6. Borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association, corporation or other entity.

7. Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other similar manner, in furtherance of the purposes of this compact.

8. Charge a fee to each applicant for an initial license or renewal of a license.

9. Receive other funds through gifts, grants and appropriations.

Section 8. Voting requirements.

A. Each official shall be entitled to one (1) vote on the compact committee.

B. All action taken by the compact committee with regard to the addition of party states as provided in Section 3, the licensure of participants in live racing, and the receipt and disbursement of funds shall require a majority vote of the total number of officials (or their alternates) on the committee. All other action by the compact committee shall require a majority vote of those officials (or their alternates) present and voting.

C. No action of the compact committee may be taken unless a quorum is present. A majority of the officials (or their alternates) on the compact committee shall constitute a quorum.

Section 9. Administration and management.

A. The compact committee shall elect annually from among its members a chairman, a vice-chairman, and a secretary/treasurer.

B. The compact committee shall adopt bylaws for the conduct of its business by a two-thirds vote of the total number of officials (or their alternates) on the committee at that time and shall have the power by the same vote to amend and rescind these bylaws. The committee shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendments thereto with the secretary of state or equivalent agency of each of the party

states.

C. The compact committee may delegate the day-to-day management and administration of its duties and responsibilities to an executive director and his support staff.

D. Employees of the compact committee shall be considered governmental employees.

Section 10. Immunity from liability for performance of official responsibilities and duties.

No official of a party state or employee of the compact committee shall be held personally liable for any good faith act or omission that occurs during the performance and within the scope of his responsibilities and duties under this compact.

ARTICLE V. RIGHTS AND RESPONSIBILITIES OF EACH PARTY STATE

Section 11. Rights and responsibilities of each party state.

A. By enacting this compact, each party state:

1. Agrees (i) to accept the decisions of the compact committee regarding the issuance of compact committee licenses to participants in live racing pursuant to the committee's licensure requirements, and (ii) to reimburse or otherwise pay the expenses of its official representative on the compact committee or his alternate.

2. Agrees not to treat a notification to an applicant by the compact committee under paragraph 3 of Section 7 that the compact committee will not be able to process his application further as the denial of a license, or to penalize such applicant in any other way based solely on such a decision by the compact committee.

3. Reserves the right (i) to charge a fee for the use of a compact committee license in that state, (ii) to apply its own standards in determining whether, on the facts of a particular case, a compact committee license should be suspended or revoked, (iii) to apply its own standards in determining licensure eligibility, under the laws of that party state, for categories of participants in live racing that the compact committee determines not to license and for individual participants in live racing who do not meet the licensure requirements of the compact committee, and (iv) to establish its own licensure standards for the licensure of non-racing employees at horse racetracks and employees at separate satellite wagering

facilities. Any party state that suspends or revokes a compact committee license shall, through its racing commission or the equivalent thereof or otherwise, promptly notify the compact committee of that suspension or revocation.

B. No party state shall be held liable for the debts or other financial obligations incurred by the compact committee.

ARTICLE VI. CONSTRUCTION AND SEVERABILITY

Section 12. Construction and severability.

This compact shall be liberally construed so as to effectuate its purposes. The provisions of this compact shall be severable, and, if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of the United States or of any party state, or the applicability of this compact to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If all or some portion of this compact is held to be contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.
